| | |
|---|---|
| PBF PMP Result and Indicator (if applicable) | Result: N/A |
| | Indicator: N/A |
| UNPFN Funding Round Strategic Outcome | 3: Constructive dialogue and planning leading to progress on constitution making |
| Project's Peace-building Impact | The restructuring process of the education sector in a future federal context will also enable other sectors such as forestry, health, and agriculture, to replicate the restructured model in their own future state restructuring processes |

| | |
|----------------------------------|--|
| Project Executive Summary | The project aims to contribute to Nepal's peace and development process by fostering a constructive dialogue and planning leading to progress in constitution making by focusing on effective delivery of inclusive quality education services in the future federal structure. It provides technical assistance for analysis and planning needed by the new federal government bodies involved, to guarantee quality basic education services based on human rights, social inclusion and non-discrimination. |
