¹ The term “programme” is used for projects, programmes and joint programmes.

Outcomes:	Achievements/Results:	Percentage of planned:
To establish an effective, inclusive and productive civil society platform that maintains strong relationships with key stakeholders	. A 2 year Plan of Action developed; . ToR for Platform drafted; . First contacts with platform members and preparation for the 1 st platform meeting undertaken.	
To build and ensure civil society capacity in policy engagement, policy analysis and lobbying	. Preparation of “manuals” for training platform members on the political framework for nutrition (PAMRDC) basic nutrition concepts, advocacy, fundraising and lobbying.	
To monitor operationalization, funding and implementation of PAMRDC and other national and regional strategies and plans on nutrition	. Participation in different national level fora, namely, Nutrition Partners Forum (development partners technical working group), and the technical working group (GT-PAMRDC) for the coordination of PAMRDC hosted by the Technical Secretariat for Food Security and nutrition (SETSAN);	
To advocate for greater attention to nutrition in public, private and non-profit interventions	Participation in the elaboration of the National Advocacy Strategy for Chronic Undernutrition;	

Qualitative achievements against outcomes and results:

- Establishment of the provincial working groups on nutrition (GT-PAMRDC). The GT is composed by sectoral directorates and civil society representatives. Civil society platforms will collaborate with the GT-PAMRDC national and provincial, to monitor the implementation of the plans and eventually measure any tangible results.
- Nutrition Partners Forum. ANSA is an active member of the Nutrition Partners Forum – a technical working group of cooperation partners in the area of nutrition. ANSA report activities of the platform to the group and receives information on coordination, Advocacy and support for the PAMRDC implementation, through the group members.
- By participating in the elaboration of the National Advocacy Strategy for Chronic Undernutrition, it allowed civil society to help define the strategy and be fully integrated in the plan.
