Subject: Subject: MDGF-1771- Strengthening Cultural and creative industries and inclusive Policies in Mozambique

File: MDGF 1771

**I. Approval Status**

On behalf of the MDG-F Steering Committee I am pleased to inform you that your Joint Programme “Strengthening Cultural and Creative Industries and inclusive Policies in Mozambique” is hereby approved with an allocation of \$5 million for three years. This figure includes 7% for indirect costs incurred by UN Participating Organizations.

**II. JP design comments**

No substantive changes are required **to the design** of your Joint Programme and you may proceed with signature of the Joint Programme document. In addition to the Government, the UN Resident Coordinator and Participating UN Organizations should each sign the Joint Programme document. We would encourage you to ensure some visibility for this event and for the launch of implementation.

We note the Joint Programme is a good reference point for the culture and development window as it adequately meets the priorities established in the Terms of Reference of this Thematic Window. We see as highly strategic that the Programme is concentrated on specific sectors and geographical areas. We also welcome that the Programme integrates culture and a socio-cultural approach across different development sectors dealing for instance with the recuperation of the traditional methods of forests management, with the cultural taboos that influence the spread of HIV/AIDS and with the strengthening of cultural roots and identity of refugees in the Nampula Camp.

The proposed Monitoring framework is clear and comprehensive. Note however that the Secretariat plans to work with all approved Programmes during 2008 to address their M&E frameworks and to develop a small number of common indicators relating to the MDGs, thematic windows, UN reform and Paris Declaration.

**III. JP re-design requirements and/or recommendations**

The Secretariat recommends the following minor changes to the Joint programme document before finalization:

- Revise and further justify the relevance of the activities relating child labour in the framework of the TORs of the thematic window;
- Reinforce mechanisms to ensure the participation of the beneficiaries;

- Place special emphasis on the final design of the work plan to ensure that activities related to refugees, education and tourism do not depart from the actual framework that links culture and development.

#### **IV. Management arrangements and delegation of authority**

On receipt of a copy of the signed document, the Fund Secretariat will transfer the full three-year allocation to the custody of the Multi Donor Trust Fund (MDTF) Office pending further instructions from you.

Please note the MDTF Office will pass-through funds to Participating Organizations on instruction from you as Resident Coordinator and Co-Chair of the National MDG-F Steering Committee.

As reflected in the Fund's Framework Document (Section 9 'Formulation Process & Release of Funds) and the global MoU with Participating Organizations (Article I, 2-c) the MDTF Office will release resources on an annual, advance basis. For the first advance, these funds will be transferred on the basis of receipt of the first year Annual Workplan and the signed Joint Programme document. Subsequent annual advances will be released on instructions from you and on the basis of a) receipt of the next annual work-plan approved by the National Steering Committee; b) evidence that a formal review of the programme's progress has been undertaken not more than three months earlier, either in the form of an annual progress report (if the timing coincides) or through the minutes of a National Steering Committee where this has been discussed; and c) only when combined commitments against the existing advance have exceeded 70%. Please review the initial year budget requests carefully with participating organizations in order to ensure realistic delivery targets in this regard. The annual agency apportionment projected in the final budget attached to the signed Joint Programme document should also be reviewed and can be revised up to the time of your first funds-advance request. This is important for the reasons outlined below.

In order to allow the implementation team some flexibility to adapt the strategy to unexpected challenges and opportunities (most particularly delivery issues), and to empower Resident Coordinators in their oversight responsibilities, this memorandum also provides you with the authority over the three year duration of the programme in consultation with Participating Organizations and with the agreement of your National Steering Committee to (a) transfer up to \$1,000,000 or 20% of the total value of the project budget – whichever is lowest – *between Participating Organizations* identified in the original Joint Programme budget and (b) re-phase up to \$1,000,000 or 20% of the total value of the project budget – whichever is lowest - *between years*. The base-line against which these ceilings will be measured is the annual budget projection (by year and by participating organization) confirmed at the time of your first funds-advance request. The MDTF Office must be informed of any revisions of this kind, decided locally and is responsible for tracking these delegation ceilings for each programme. Any changes that fall outside these parameters will have to be referred back to the (Global) MDG-F Steering Committee for approval.

As you will appreciate, one of the MDG-F's express goals is to strengthen the role of Resident Coordinators as leaders of Country Teams. The success of the MDG-F activities will depend on your ongoing leadership and engagement. We count on you to exercise this leadership and to ensure this Joint Programme remains an ongoing, integrated effort by the UN system in support of national priorities. Please also use the National Steering Committee mechanism to help ensure national ownership by the Government in particular and involve it in important financial and programmatic oversight decisions.

The signed Joint Programme document and the completed Fund Release Form should be sent to the MDG-F Secretariat and MDTF Office within 30 days of the receipt of this memorandum. If this deadline is not possible, please inform the secretariat accordingly.

The Executive Coordinator of the MDTF Office, Bisrat Akililu, will be in contact with any specific documentation requirements to ensure the programme meets compliance requirements for the Fund's pass-through arrangements.

With best wishes.
