Qualitative achievements against outcomes and results:

The project is working in closely with the SUN Secretariat in the implementation of project activities. Some achievements so far include:

- Participated in the country SUN retreat: From 22-24th July, 2014 in Ngozi province, a retreat was organized by the SUN/REACH Secretariat to launch the government main initiatives and the operationalization of food security and nutrition multisectoral platform (Technical Working Group: GTT). The retreat was an opportunity to discuss the role that should be played by the Civil Society in the multisectoral platform to reduce the malnutrition,
- Supported the SUN secretariat in the rolling out of the “one kitchen garden and one tippy tap for every household” country initiative: This activity took place in Gitega from August 27th- 29th, 2014. It was a training of trainers on key actions of the Government of Burundi in of the implementation of the multi-sectoral strategic plan for food security and nutrition, especially the “kitchen garden and tippy tap for every household” initiative at commune and province levels.
- Coordination meetings with project partners including, SUN secretariat, WFP, UNICEF, Concern Worldwide, Action against Hunger and malnutrition on project implementation: 3 preparatory meetings were conducted and an MoU including 7 appendix (Project Proposal, Project Budget, Partners action plan and Budget, Payment Schedule, Report template, HAP document and WFP Gender policy). Implementation MOU was signed with AAHM and Concern on project implementation with a revised implementation plan.

- Ongoing consultations with the SUN secretariat in the preparation of the upcoming project activities :
 - o Advocacy to involve the first lady for the official launch of the Civil Society Alliance for SUN in Burundi planned in December.
 - o Participation of CSO's representative in the annual SUN gathering and the 2nd International Conference on Nutrition in Rome.
