MOU for Joint Programmes, Aug. 2015
Monitoring and Evaluation

Monitoring

1. Monitoring of the Programme will be undertaken in accordance with the Joint Programme Document. The Participants and the donor(s) will hold consultations at least annually, as appropriate, to review the status of the Programme. In addition, the Participants and the donor(s) will discuss any substantive revisions to the Programme, and promptly inform each other about any significant circumstances and major risks, which interfere or threaten to interfere with the successful achievement of the outcomes outlined in the Joint Programme Document, financed in full or in part through contributions from the donor(s).

Evaluation

2. Evaluation of the Programme including, as necessary and appropriate, joint evaluation by the Participants, the donor(s), the Host Government (if applicable) and other partners will be undertaken in accordance with the Joint Programme Document.

3. The Steering Committee and/or Participating UN Organizations will recommend a joint evaluation if there is a need for a broad assessment of results at the level of the Programme or at the level of an outcome within the Programme. The joint evaluation report will be posted on the website of the UN in DRC [website URL] and the Administrative Agent http://mptf.undp.org.

4. In addition, the Participants recognize that the donor(s) may, separately or jointly with other partners, take the initiative to evaluate or review their cooperation with the Administrative Agent and the Participating UN Organizations under this Memorandum of Understanding, with a view to determining whether results are being or have been achieved and whether contributions have been used for their intended purposes. The Administrative Agent and the Participating UN Organizations will be informed about such initiatives, will be consulted on the scope and conduct of such evaluations or reviews and will be invited to join. The Participants will upon request assist in providing relevant information within the limits of their regulations, rules, policies and procedures. rules. The corresponding external and internal audit reports will be disclosed publicly unless the relevant policies and procedures of each of the relevant Participants provide otherwise.

2. The Internal Audit Services of the Participants involved in the Programme may consider conducting joint internal audits thereof in accordance with the Framework for Joint Internal Audits of UN Joint Activities, including its risk-based approach and provisions for disclosure of internal audit reports related to the Programme. In doing so, the Internal Audit Services of the Participants will consult with the Steering Committee.

The part of the contribution transferred by a Participating UN Organization to its implementing partners for activities towards the implementation of the Programme will be audited as provided under that Participating UN Organization's financial regulations and rules, as well as its policies and procedures. The disclosure of the corresponding audit reports will be made according to the policies and procedures of that Participating UN Organization.

**Section VII**

**Fraud, Corruption and Unethical Behaviour**

1. The Participants are firmly committed to take all necessary precautions to avoid and address corrupt, fraudulent, collusive, coercive, unethical, or obstructive practices. The Participants recognize that it is important that all United Nations staff, individual contractors, implementing partners, vendors and any third parties which are involved either in joint activities or in those of the Administrative Agent or Participating UN Organization (such individuals and entities being hereinafter referred to, together, as the “Individuals/Entities”, and individually as the “Individual/Entity”) must adhere to the highest standard of integrity as defined by each Participant. To this end, each Participant will maintain standards of conduct that govern the performance of the Individuals/Entities, to prohibit practices which are contrary to this highest standard in any activity related to the Programme. If an Individual/Entity is a UN organization, the Participating UN Organization engaging that Individual/Entity will rely upon that Individual’s/Entity’s standard of integrity. The Individuals/Entities must not engage in corrupt, fraudulent, collusive, coercive, unethical, or obstructive practices, as defined below.

2. In this Memorandum of Understanding,
(a) "Corrupt practice" means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another individual or entity;

(b) "Fraudulent practice" means any act or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, an individual or an entity to obtain a financial or other benefit, or to avoid an obligation;

(c) "Collusive practice" means an arrangement between two or more individuals and/or entities designed to achieve an improper purpose, including influencing improperly the actions of another individual or entity;

(d) "Coercive practice" means impairing or harming, or threatening to impair or harm, directly or indirectly, any individual or entity or the property of the individual or entity to influence improperly the actions of an individual or entity;

(e) "Unethical practice" means the conduct of behavior that is contrary to staff or supplier codes of conduct such as those relating to conflict of interest, gifts and hospitality, and post-employment provisions; and

(f) "Obstructive practice" means acts or omissions intended to materially impede the exercise of contractual rights of audit, investigation and access to information, including destruction, falsification, alteration or concealment of evidence material to an investigation into allegations of fraud and corruption.

Investigations

3. (a) Investigations of allegations of wrongdoing by Individuals/Entities involved in the Programme which are contracted by a Participant will be carried out by the Investigation Service of the Participant with which the potential subject of investigation is contracted, in accordance with that Participant's internal policies and procedures.

(b) 

(i) In the event that the Investigation Service of a Participant determines that an allegation in relation to the implementation of activities for which that Participant is accountable is credible enough to warrant an investigation, it will promptly notify the Steering Committee (and the Administrative Agent, if such Participant is not the Administrative Agent) of the Programme, to the extent that such notification does not jeopardize the conduct of the investigation, including but not limited to the prospects of recovery of funds or the safety or security of persons or assets.

(ii) In the case of such notification, it is the responsibility of the Steering Committee and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).

(iii) In case of a credible allegation, the relevant Participant(s) will take timely and appropriate action in accordance with its regulations, rules, policies and
procedures, which may include withholding further disbursements to the Individual(s)/Entity(ies) allegedly involved in the corrupt, fraudulent, collusive, coercive, unethical or obstructive practices as defined above.

(c)

(i) The Participant’s Investigation Service reviewing the credibility of an allegation or conducting the investigation will share information as appropriate with counterpart Investigation Services of the other Participants involved in the Programme to determine the best path towards resolution of the investigation and whether the alleged wrongdoing is limited to such Participant or whether one or more other Participants involved in the Programme may also be affected. If the relevant Investigation Services determine that more than one Participant could be affected by the alleged wrongdoing, they will follow the procedure described below in clause (ii).

(ii) Where a potential subject of an investigation is contracted by more than one Participant, the Investigation Services of the Participants concerned may consider conducting joint or coordinated investigations, determining which investigation framework to use.

(d) Upon completion of the internal reporting on their investigation by the Participant(s) concerned as established in their respective internal policies and procedures, the Participant(s) will provide information on the results of their investigation(s) to the Administrative Agent and the Steering Committee. Following such receipt of information on the results of the investigation(s), it is the responsibility of the Steering Committee and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).

(e) Each Participant concerned will determine what disciplinary and/or administrative measures, including referral to national authorities, may be taken as a result of the investigation, according to its internal policies and procedures on disciplinary and/or administrative measures, including vendor sanction mechanism, as appropriate. The Participant(s) concerned will share information on measures taken as a result of the investigation(s) with the Administrative Agent and the Steering Committee of the Programme. Following such receipt of information on measures taken as a result of the investigation(s), it is the responsibility of the Steering Committee and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).

Recovery of Funds

4. If there is evidence of improper use of funds as determined after an investigation, each Participant concerned will use its best efforts, consistent with its regulations, rules, policies and procedures to recover any funds misused. With respect to any funds recovered, the relevant Participant will consult with the Steering Committee, the Administrative Agent and the donor(s). The donor(s) may request that such funds be
returned to them in proportion to their contribution to the Programme, in which case the Participant would credit that portion of the funds so recovered to the Programme Account and the Administrative Agent would return that portion of such funds to the donor(s). For any such funds the donor(s) do not request to be returned to them, such funds will either be credited to the Programme Account or used by the Participant for a purpose mutually agreed upon.

5. The Participants will apply the provisions of Section VII, paragraphs 1 to 4 above in accordance with their respective accountability and oversight framework as well as relevant regulations, rules, policies and procedures.

Section VIII
Communication and Transparency

1. Subject to the regulations, rules, policies and procedures of the Participating UN Organization, each Participating UN Organization will take appropriate measures to publicize the Programme and to give due credit to the other Participating UN Organizations. Information given to the press, to the beneficiaries of the Programme, all related publicity material, official notices, reports and publications, will highlight the results achieved and acknowledge the role of the Host Government, the donors, the Participating UN Organizations, the Administrative Agent and any other relevant entities. In particular, the Administrative Agent will include and ensure due recognition of the role of each Participating UN Organization and national partner in all external communications relating to the Programme.

2. The Administrative Agent in consultation with the Participating UN Organizations will ensure that decisions regarding the review and approval of the Programme as well as periodic reports on the progress of its implementation are posted, where appropriate, for public information on the websites of the UN in DRC [website URL] and the Administrative Agent http://mptf.undp.org. Such reports and documents may include Steering Committee approved programmes and programmes awaiting approval, fund level annual financial and progress reports and external evaluations, as appropriate.

3. The Participants are committed to principles of transparency with regard to the implementation of the Programme, consistent with their respective regulations, rules, policies and procedures. 2. This Memorandum of Understanding may be modified only by written agreement between the Participants.

3. Any of the Participating UN Organizations may withdraw from this Memorandum of Understanding upon giving thirty (30) days' written notice to all other Participants to this Memorandum of Understanding subject to the continuance in force of paragraph 5 below for the purpose therein stated.

4. The Administrative Agent's appointment may be terminated by the Administrative Agent (on the one hand) or by the mutual agreement of all Participating UN Organizations (on the other hand) on thirty (30) days' written notice to the other Participants, subject to the continuance in force of paragraph 5 below for the purpose therein stated. In the event of such termination, the Participants will agree on measures to bring all activities to an orderly and prompt conclusion so as to minimize costs and expense.

5. Commitments assumed by the withdrawing or terminating Participants under this Memorandum of Understanding will survive the termination of this Memorandum of Understanding or the termination of the Administrative Agent or withdrawal of a Participating UN Organization to the extent necessary to permit the orderly conclusion of the activities and the completion of final reports, the withdrawal of personnel, funds and property, the settlement of accounts between the Participants hereto and the settlement of contractual liabilities that are required in respect of any subcontractors, consultants or suppliers.

6. Any balance remaining in the individual Participating UN Organizations' separate ledger accounts after operational completion of the activities for which they are responsible under the Joint Programme Document will be returned to the Programme Account as soon as administratively feasible and before financial closure of those activities in line with Section III, paragraph 7. Any balance remaining in the Programme Account upon completion of the Programme will be used for a purpose mutually agreed upon or returned to the donor(s) in proportion to their contribution to the Programme as decided upon by the donor(s) and the Steering Committee.
