### 3. INTEREST EARNED

Interest income is earned in two ways: 1) on the balance of funds held by the Administrative Agent ('Fund earned interest'), and 2) on the balance of funds held by the Participating Organizations ('Agency earned interest') where their Financial Regulations and Rules allow return of interest

to the AA. As of 31 December 2015, Fund earned interest amounts to US\$ **17,878,427** and interest received from Participating Organizations amounts to US\$ **3,061,643**, bringing the cumulative interest received to US\$ **20,940,071**. Details are provided in the table below.

#### 4. PRF AND IRF ALLOCATIONS

The PBF channels its funding through two different funding facilities: the Immediate Response Facility (IRF) in response to immediate and specific peacebuilding challenges and opportunities and the Peacebuilding and Recovery Facility (PRF) for longer term challenges and opportunities. As of 31 December 2015, US\$ 421,969,714 had been allocated to countries through the PRF, and the Net Funded Amount for IRF's was US\$ 190,734,415.

Table 5 provides additional information on PRF and IRF allocations by countries, and the net funded amount.

## 5. TRANSFER OF FUNDS

Allocations to Participating Organizations are approved by the country-based Joint Steering Committee and the PBSO in the case of PRF and by the Peacebuilding Support Office (PBSO) only in the case of IRF. In the case of PRF, transfers are made by the Administrative Agent upon receipt of finalized project documents, approved by the Joint Steering Committee. In the case of IRF, allocations and transfers happen simultaneously as approvals are made for projects directly and so do not necessitate an additional procedural step. As of 31 December 2015, the AA has transferred US\$ 586,276,152 to 25 Participating Organizations (see list below).

Table 6 provides additional information on the refunds received by the MPTF Office, and the net funded amount for each of the Participating Organizations.

### 6.3 EXPENDITURE REPORTED BY CATEGORY

Project expenditures are incurred and monitored by each Participating Organization and are reported as per the agreed categories for inter-agency harmonized reporting. In 2006 the UN Development Group (UNDG) established six categories against which UN entities must report inter-agency project expenditures. Effective 1 January 2012, the UN Chief Executive Board (CEB) modified these categories as a result of IPSAS adoption to comprise eight categories. All expenditure incurred prior to

1 January 2012 have been reported in the old categories; post 1 January 2012 all expenditure are reported in the new eight categories. The old and new categories are noted to the right.

Table 9 reflects expenditure reported in the UNDG expense categories. Where the Fund has been operational pre and post 1 January 2012, the expenditures are reported using both categories. Where a Fund became operational post 1 January 2012, only the new categories are used.

#### 2012 CEB Expense Categories

1. Staff and personnel costs
2. Supplies, commodities and materials
3. Equipment, vehicles, furniture and depreciation
4. Contractual services
5. Travel
6. Transfers and grants
7. General operating expenses
8. Indirect costs

#### 2006 UNDG Expense Categories

1. Supplies, commodities, equipment & transport
2. Personnel
3. Training counterparts
4. Contracts
5. Other direct costs
6. Indirect costs

<sup>1</sup> **Indirect Support Costs** charged by Participating Organization, based on their financial regulations, can be deducted upfront or at a later stage during implementation. The percentage may therefore appear to exceed the 7% agreed-upon for on-going projects. Once projects are financially closed, this number is not to exceed 7%.

## 7. COST RECOVERY

Cost recovery policies for the Fund are guided by the applicable provisions of the Terms of Reference, the MOU concluded between the Administrative Agent and Participating Organizations, and the SAAs concluded between the Administrative Agent and Contributors, based on rates approved by UNDG.

The policies in place, as of 31 December 2015, were as follows:

- **The Administrative Agent (AA) fee:** 1% is charged at the time of contributor deposit and covers services provided on that contribution for the entire duration of the Fund. In the reporting period US\$ **534,926** was deducted in AA-fees. Cumulatively, as of 31 December 2015, US\$ **6,719,131** has been charged in AA-fees.
- **Indirect Costs of Participating Organizations:** Participating Organizations may charge 7% indirect costs. In the current reporting period US\$ **4,306,013** was deducted in indirect costs by Participating Organizations. Cumulatively, indirect costs amount to US\$ **29,195,279** as of 31 December 2015.

## 8. ACCOUNTABILITY AND TRANSPARENCY

In order to effectively provide fund administration services and facilitate monitoring and reporting to the UN system and its partners, the MPTF Office has developed a public website, the MPTF Office Gateway (<http://mptf.undp.org>). Refreshed in real time every two hours from an internal enterprise resource planning system, the MPTF Office Gateway has become a standard setter for providing transparent and accountable trust fund administration services.

The Gateway provides financial information including: contributor commitments and deposits, approved programme budgets, transfers to and expenditures reported by Participating Organizations, interest income and other expenses. In addition, the Gateway provides an overview of the MPTF Office portfolio and extensive information on individual Funds, including their purpose, governance structure and key documents. By providing easy access to the growing number of narrative and financial reports, as well as related project documents, the Gateway collects and preserves important institutional knowledge and facilitates knowledge sharing and management among UN Organizations and their development partners, thereby contributing to UN coherence and development effectiveness.

## 9. DIRECT COSTS

The Fund governance mechanism may approve an allocation to a Participating Organization to cover costs associated with Secretariat services and overall coordination, as well as Fund level reviews and evaluations. These allocations are referred to as 'direct costs'. In 2015, direct costs amounting to US\$ 1,604,777 charged to the Fund.
