⁴ The bracketed language can be deleted if not applicable for the donor.
3. When making a transfer to the Administrative Agent, the Donor will notify the Administrative Agent’s Treasury Operations of the following: (a) the amount transferred, (b) the value date of the transfer; (c) that the transfer is from the [Name of Donor] in respect of the Fund pursuant to this Arrangement. The Administrative Agent will promptly acknowledge receipt of funds in writing indicating the amount received in United States dollars and the date of receipt of the Contribution.

4. All financial accounts and statements related to the Contribution will be expressed in United States dollars.

5. The United States dollar value of a Contribution payment, if made in a currency other than United States dollars, will be determined by applying the United Nations operational rate of exchange in effect on the date of receipt of the Contribution. The Administrative Agent will not absorb gains or losses on currency exchanges. Such amounts will increase or decrease the funds available for disbursements to Recipient UN Organizations.

6. The Fund Account will be administered by the Administrative Agent in accordance with the regulations, rules, policies and procedures applicable to it, including those relating to interest.

7. The Administrative Agent will be entitled to allocate an administrative fee of one percent (1%) of the Contribution by the Donor, to cover the Administrative Agent’s costs of performing the Administrative Agent’s functions.

8. The Co-Chairs, in consultation with the Advisory Committee, may request any of the Recipient UN Organizations, to perform additional tasks in support of the Fund not related to the Administrative Agent functions detailed in Section I, paragraph 4 of the UN MoU and subject to the availability of funds. In this case, costs for such tasks will be decided in advance and with the approval of the Co-Chairs, made on the advice of the Advisory Committee, be charged to the Fund as direct costs.

9. The Administrative Agent will be entitled to charge to the Fund Account a direct cost charge in an amount(s) consistent with then-current UNDG guidance to cover the cost of continuing to render Administrative Agent functions if and when the Co-Chairs, in consultation with the Advisory Committee, agrees to extend the Fund beyond the End Date with no further contribution(s) to the Fund.

Section II
Disbursement of Funds to the Recipient UN Organizations and a Separate Ledger Account

1. The Administrative Agent will make disbursements from the Fund Account in accordance with decisions from the Co-Chairs, made on the advice of the Advisory Committee, in line with the approved programmatic document\(^5\). The disbursements to the Recipient UN Organizations will consist of direct and indirect costs as set out in the Fund budget.

\(^5\) As used in this document, an approved programmatic document refers to an annual work plan or a programme/project document, etc., which is approved by the Co-Chairs for fund allocation purposes.
2. Each Recipient UN Organization will establish a separate ledger account under its financial regulations and rules for the receipt and administration of the funds disbursed to it from the Fund Account. Each Recipient UN Organization assumes full programmatic and financial accountability for the funds disbursed to them by the Administrative Agent. That separate ledger account will be administered by each Recipient UN Organization in accordance with its own regulations, rules, policies and procedures, including those relating to interest.

3. Where the balance in the Fund Account on the date of a scheduled disbursement is insufficient to make that disbursement, the Administrative Agent will consult with the Co-Chairs and make a disbursement, if any, in accordance with the Co-Chairs’ decisions.

4. The Donor reserves the right to discontinue future deposits of its Contribution further to Annex D if there is: (i) failure to fulfil any obligations under this Arrangement; (ii) if there are substantial revisions of the TOR; or (iii) if there are credible allegations of improper use of the funds in accordance with Section VIII of this Arrangement; provided however that before doing so, the Administrative Agent, the Co-Chairs, in consultation with the Advisory Committee, and the Donor will consult with a view to promptly resolving the matter.

Section III
Activities of the Recipient UN Organization

Implementation of the Fund

1. The implementation of the programmatic activities which the Donor assists in financing under this Arrangement will be the responsibility of the Recipient UN Organizations and will be carried out by each Recipient UN Organization in accordance with its own applicable regulations, rules, policies and procedures including those relating to procurement as well as the selection and assessment of implementing partners. Accordingly, personnel will be engaged and administered, equipment, supplies and services purchased, and contracts entered into in accordance with the provisions of such regulations, rules, policies and procedures. The Donor will not be responsible or liable for the activities of the Recipient UN Organizations or the Administrative Agent as a result of this Arrangement.

2. The Recipient UN Organizations will carry out the activities for which they are responsible in line with the budget contained in the approved programmatic document. Any modifications to the scope of the approved programmatic document, including as to its nature, content, sequencing or the duration thereof by the concerned Recipient UN Organizations, will be subject to the approval of the Co-Chairs. The Recipient UN Organization will promptly notify the Administrative Agent through the Co-Chairs of any change in the budget as set out in the approved programmatic document.

3. Indirect costs of the Recipient UN Organizations recovered through programme support costs will be seven percent (7%). All other costs incurred by each Recipient UN Organization in carrying out the activities for which it is responsible under the Fund will be recovered as direct costs.
4. The Recipient UN Organizations will commence and continue to conduct operations for the Fund activities only upon receipt of disbursements as instructed by the Co-Chairs.

5. The Recipient UN Organizations will not make any commitments above the budgeted amounts in the approved programmatic document.

6. If unforeseen expenditures arise, the Co-Chairs, in consultation with the Advisory Committee, will submit, through the Administrative Agent, a supplementary budget to the Donor showing the further financing that will be necessary. If no such further financing is available, the activities to be carried out under the approved programmatic document may be reduced or, if necessary, terminated by the Recipient UN Organizations.

7. As an exceptional measure, particularly during the start-up phase of the Fund, subject to conformity with their financial regulations, rules and policies, Recipient UN Organizations may elect to start implementation of Fund activities in advance of receipt of initial or subsequent transfers from the Fund Account by using their own resources. Such advance activities will be undertaken in agreement with the Co-Chairs, in consultation with the Advisory Committee, on the basis of funds it has allocated or approved for implementation by the particular Recipient UN Organization following receipt by the Administrative Agent of signed Administrative Arrangements from donors contributing to the Fund. Recipient UN Organizations will be solely responsible for decisions to initiate such advance activities or other activities outside the parameters set forth above.

8. Each Recipient UN Organization will establish appropriate programmatic safeguard measures in the design and implementation of its Fund activities, thereby promoting the shared values, norms and standards of the United Nations system. These measures may include, as applicable, the respect of international conventions on the environment, on children’s rights, and internationally agreed core labour standards.

Special Provisions regarding Financing of Terrorism

9. Consistent with UN Security Council Resolutions relating to terrorism, including UN Security Council Resolution 1373 (2001) and 1267 (1999) and related resolutions, the Participants are firmly committed to the international fight against terrorism, and in particular, against the financing of terrorism. Similarly, the Participants and the Recipient UN Organizations recognize their obligation to comply with any applicable sanctions imposed by the UN Security Council. Each of the Recipient UN Organizations will use all reasonable efforts to ensure that the funds transferred to it in accordance with the standard MoU are not used to provide support or assistance to individuals or entities associated with terrorism as designated by any UN Security Council sanctions regime. If, during the term of this Arrangement, a Recipient UN Organization determines there are credible allegations that funds transferred to it in accordance with this Arrangement have been used to provide support or assistance to individuals or entities associated with terrorism as designated by any UN Security Council sanctions regime, it will as soon as it becomes aware of it inform the Co-Chairs, the Administrative Agent and the Donor and, in consultation with the donors as appropriate, determine an appropriate response.
Section IV
Equipment and Supplies

Ownership of equipment and supplies procured, and intellectual property rights associated with works produced, using funds transferred to the Recipient UN Organization under the standard MoU, will be determined in accordance with the regulations, rules, policies and procedures applicable to such Recipient UN Organization, including any agreement with the Host Government, if applicable.

Section V
Reporting

1. The Administrative Agent will provide the Donor, the Co-Chairs, the Advisory Committee and the Recipient UN Organizations with the following statements and reports, based on submissions provided to the Administrative Agent by each Recipient UN Organization prepared in accordance with the accounting and reporting procedures applicable to it, as set forth in the TOR:

   (a) Annual consolidated narrative progress reports, to be provided no later than five months (31 May) after the end of the calendar year;

   (b) Annual consolidated financial reports, as of 31 December with respect to the funds disbursed from the Fund Account, to be provided no later than five months (31 May) after the end of the calendar year;

   (c) Final consolidated narrative report, after the completion of the activities in the approved programmatic document, including the final year of the activities in the approved programmatic document, to be provided no later than six months (30 June) after the end of the calendar year in which the operational closure of the Fund occurs;

   (d) Final consolidated financial report, based on certified final financial statements and final financial reports received from Recipient UN Organizations after the completion of the activities in the approved programmatic document, including the final year of the activities in the approved programmatic document, to be provided no later than five months (31 May) after the end of the calendar year in which the financial closing of the Fund occurs.

2. Annual and final reporting will be results-oriented and evidence based. Annual and final narrative reports will compare actual results with expected results at the output and outcome level, and explain the reasons for over or underachievement. The final narrative report will also contain an analysis of how the outputs and outcomes have contributed to the overall impact of the Fund. The financial reports will provide information on the use of financial resources against the outputs and outcomes in the agreed upon results framework.
3. The Administrative Agent will provide the Donor, the Co-Chairs, the Advisory Committee and Recipient UN Organizations with the following reports on its activities as Administrative Agent:

   (a) Certified annual financial statement ("Source and Use of Funds" as defined by UNDG guidelines) to be provided no later than five months (31 May) after the end of the calendar year; and

   (b) Certified final financial statement ("Source and Use of Funds") to be provided no later than five months (31 May) after the end of the calendar year in which the financial closing of the Fund occurs.

4. Consolidated reports and related documents will be posted on the Fund’s webpage of the Administrative Agent (http://mptf.undp.org/cholera).

Section VI
Monitoring and Evaluation

Monitoring

1. Monitoring of the Fund will be undertaken in accordance with the TOR. The Donor, the Co-Chairs, the Administrative Agent and the Recipient UN Organizations will hold consultations at least annually, as appropriate, to review the status of the Fund. In addition, the Donor, the Advisory Committee, the Administrative Agent and the Recipient UN Organizations will discuss any substantive revisions to the Fund, and promptly inform each other about any significant circumstances and major risks, which interfere or threaten to interfere with the successful achievement of the outcomes outlined in the TOR, financed in full or in part through the Contribution.

Evaluation

2. Evaluation of the Fund including, as necessary and appropriate, joint evaluation by the Recipient UN Organization, the Administrative Agent, the Donor, and other partners will be undertaken in accordance with the TOR.

3. The Advisory Committee will recommend a joint evaluation if there is a need for a broad assessment of results at the level of the Fund or at the level of an outcome within the Fund. The joint evaluation report will be posted on the Fund’s webpage of the Administrative Agent (http://mptf.undp.org/cholera).

4. In addition, the Donor may, separately or jointly with other partners, take the initiative to evaluate or review its cooperation with the Administrative Agent and the Recipient UN Organizations under this Arrangement, with a view to determining whether results are being or have been achieved and whether contributions have been used for their intended purposes. The Advisory Committee, the Administrative Agent and the Recipient UN Organization will be informed about such initiatives, will be consulted on the scope and conduct of such evaluations or reviews and will be invited to join. The Administrative Agent, the Recipient UN Organizations and the Advisory Committee will upon request assist in providing relevant information within the limits of their
regulations, rules, policies and procedures. All costs will be borne by the respective Donor, unless otherwise agreed. It is understood by the Participants, the Recipient UN Organizations and the Advisory Committee that such evaluation or review will not constitute a financial, compliance or other audit of the Fund including any programmes, projects or activities funded under this Arrangement.

Section VII
Audit

External and Internal Audit

1. The activities of the Administrative Agent and each Recipient UN Organization in relation to the Fund will be exclusively audited by their respective internal and external auditors in accordance with their own financial regulations and rules. The corresponding external and internal audit reports will be disclosed publicly unless the relevant policies and procedures of the Administrative Agent or each Recipient UN Organization provide otherwise.

Joint Internal Audits

2. The Internal Audit Services of the Recipient UN Organizations and the Administrative Agent may consider conducting joint internal audits thereof in accordance with the Framework for Joint Internal Audits of UN Joint Activities, including its risk-based approach and provisions for disclosure of internal audit reports related to the Fund. In doing so, the Internal Audit Services of the Administrative Agent and the Recipient UN Organization will consult with the Co-Chairs.

Cost of Internal Audits

3. The total costs of internal audit activities in relation to the Fund will be borne by the Fund.

Audits of Implementing Partners

4. The part of the Contribution transferred by a Recipient UN Organization to its implementing partners for activities towards the implementation of the Fund will be audited as provided under that Recipient UN Organization’s financial regulations and rules, as well as its policies and procedures. The disclosure of the corresponding audit reports will be made according to the policies and procedures of that Recipient UN Organization.

Section VIII
Fraud, Corruption and Unethical Behaviour

1. The Participants are firmly committed to take all necessary precautions to avoid and address corrupt, fraudulent, collusive, coercive, unethical, or obstructive practices. The Administrative Agent and the Recipient UN Organization recognize that it is important that all United Nations staff, individual contractors, implementing partners, vendors and any third parties which are involved either in joint activities or in those of the Administrative Agent or Recipient UN Organization (such individuals and entities
being hereinafter referred to, together as the “Individuals/Entities”, and individually as the “Individual/Entity”) must adhere to the highest standard of integrity as defined by each relevant UN organization. To this end, the Administrative Agent and each Recipient UN Organization will maintain standards of conduct that govern the performance of the Individuals/Entities, to prohibit practices which are contrary to this highest standard in any activity related to the Fund. If an Individual/Entity is a UN organization, the Recipient UN Organization engaging that Individual/Entity will rely upon that Individual’s/Entity’s standard of integrity. The Individuals/Entities must not engage in corrupt, fraudulent, collusive, coercive, unethical, or obstructive practices, as defined below.

2. In this Arrangement,

   (a) “Corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another individual or entity;

   (b) “Fraudulent practice” means any act or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, an individual or an entity to obtain a financial or other benefit, or to avoid an obligation;

   (c) “Collusive practice” means an arrangement between two or more individuals and/or entities designed to achieve an improper purpose, including influencing improperly the actions of another individual or entity;

   (d) “Coercive practice” means impairing or harming, or threatening to impair or harm, directly or indirectly, any individual or entity or the property of the individual or entity to influence improperly the actions of an individual or entity;

   (e) “Unethical practice” means the conduct of behavior that is contrary to staff or supplier codes of conduct such as those relating to conflict of interest, gifts and hospitality, and post-employment provisions; and

   (f) “Obstructive practice” means acts or omissions intended to materially impede the exercise of contractual rights of audit, investigation and access to information, including destruction, falsification, alteration or concealment of evidence material to an investigation into allegations of fraud and corruption.

**Investigations**

3. (a) Investigations of allegations of wrongdoing by Individuals/Entities involved in the Fund which are contracted by the Administrative Agent or a Recipient UN Organization will be carried out by the Investigation Service of the UN organization with which the potential subject of investigation is contracted (Administrative Agent or Recipient UN Organization), in accordance with that UN organization’s internal policies and procedures.

   (b) (i) In the event that the Investigation Service of the Administrative Agent determines that an allegation in relation to the implementation of the activities for which the Administrative Agent is accountable is credible enough to warrant an
investment, the Administrative Agent will promptly notify the Co-Chairs to the extent that such notification does not jeopardize the conduct of the investigation, including but not limited to the prospects of recovery of funds or the safety or security of persons or assets.

(ii) In the event that the Investigation Service of a Recipient UN Organization determines that an allegation in relation to the implementation of the activities for which that Recipient UN Organization is accountable is credible enough to warrant an investigation, it will promptly notify the Co-Chairs and the Administrative Agent of the Fund, to the extent that such notification does not jeopardize the conduct of the investigation, including but not limited to the prospects of recovery of funds or the safety or security of persons or assets.

(iii) In the case of such notification, it is the responsibility of the Co-Chairs and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the Donor.

(iv) In case of a credible allegation, the relevant UN organization(s) will take timely and appropriate action in accordance with its regulations, rules, policies and procedures, which may include withholding further disbursements to the Individual(s)/Entity(ies) allegedly involved in the corrupt, fraudulent, collusive, coercive, unethical or obstructive practices as defined above.

(c) (i) The UN organization’s Investigation Service reviewing the credibility of an allegation or conducting the investigation will share information as appropriate with counterpart Investigation Services of the other UN organizations involved in the Fund (Administrative Agent or Recipient UN Organization) to determine the best path towards resolution of the investigation and whether the alleged wrongdoing is limited to such UN organization or whether one or more other UN organizations involved in the Fund (Administrative Agent or one or more Recipient UN Organizations) may also be affected. If the relevant Investigation Services determine that more than one UN organization could be affected by the alleged wrongdoing, they will follow the procedure described below in clause (ii).

(ii) Where a potential subject of an investigation is contracted by more than one UN organization involved in the Fund, the Investigation Services of the UN organizations concerned (Administrative Agent or Recipient UN Organization) may consider conducting joint or coordinated investigations, determining which investigation framework to use.

(d) Upon completion of the internal reporting on their investigation by the Recipient UN Organizations concerned as established in their respective internal policies and procedures, the Recipient UN Organizations will provide information on the results of their investigation(s) to the Administrative Agent and the Co-Chairs. In the case of the Administrative Agent, upon completion of its internal reporting, it will provide the information on the results of its investigation to the Co-Chairs. Following such receipt of information on the results of the investigation(s), it is the responsibility of the Co-Chairs and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the Donor.
(e) Each UN organization(s) concerned (Administrative Agent or Recipient UN Organization) will determine what disciplinary and/or administrative measures, including referral to national authorities, may be taken as a result of the investigation, according to its internal policies and procedures on disciplinary and/or administrative measures, including vendor sanction mechanism, as appropriate. The Recipient UN Organizations concerned will share information on measures taken as a result of the investigation(s) with the Administrative Agent and the Co-Chairs of the Fund. The Administrative Agent will share information on measures taken as a result of its own investigation with the Co-Chairs. Following such receipt of information on measures taken as a result of the investigation(s), it is the responsibility of the Co-Chairs and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the Donor.

Recovery of Funds

4. If there is evidence of improper use of funds as determined after an investigation, the UN organization(s) concerned (Administrative Agent or Recipient UN Organization) will use their best efforts, consistent with their respective regulations, rules, policies and procedures to recover any funds misused. With respect to any funds recovered, the Recipient UN Organization will consult with the Co-Chairs, the Administrative Agent and the Donor. The Donor may request that such funds be returned to it in proportion to its Contribution to the Fund, in which case the Recipient UN Organization would credit that portion of the funds so recovered to the Fund Account and the Administrative Agent would return that portion of such funds to the Donor in accordance with Section X, paragraph 6. For any such funds the Donor does not request to be returned to it, such funds will either be credited to the Fund Account or used by the Recipient UN Organization for a purpose mutually agreed upon by the donor(s) and the Co-Chairs.

5. The Administrative Agent and the Recipient UN Organizations will apply the provisions of Section VIII, paragraphs 1 to 4 above in accordance with their respective accountability and oversight framework as well as relevant regulations, rules, policies and procedures.

Section IX

1. Subject to the regulations, rules, policies and procedures of the Recipient UN Organization, information given to the press, to the beneficiaries of the Fund, all related publicity material, official notices, reports and publications, will highlight the results achieved and acknowledge the role of the Donor, the Co-Chairs, the Recipient UN Organizations, the Administrative Agent and any other relevant entities.

2. The Administrative Agent in consultation with the Co-Chairs, the Advisory Committee and the Recipient UN Organizations will ensure that decisions regarding the review and approval of the Fund as well as periodic reports on the progress of implementation of the Fund are posted, where appropriate, for public information on the Fund’s webpage of the Administrative Agent (http://mptf.undp.org/cholera). Such reports and documents may include approved programmes and programmes awaiting approval, fund level annual financial and progress reports and external evaluations, as appropriate.
3. The Donor, the Co-Chairs, the Administrative Agent and the Recipient UN Organizations are committed to principles of transparency with regard to the implementation of the Fund, consistent with their respective regulations, rules, policies and procedures. The Donor, the Co-Chairs, the Administrative Agent, Recipient UN Organizations, will endeavor to consult prior to publication or release of any information regarded as sensitive.

Section X
Expiration, Modification, Termination and Unspent Balances

1. The Administrative Agent will notify the Donor when it has received notice from all Recipient UN Organizations that the activities for which they are responsible under the approved programmatic document have been completed and the Fund is operationally closed.

2. This Arrangement may be modified only by written agreement between the Participants.

3. This Arrangement may be terminated by either Participant on thirty (30) days written notice to the other Participant, subject to the continuance in force of paragraph 4 below for the purpose therein stated.

4. Notwithstanding the termination of this Arrangement, the amount of the Contribution transferred to the Administrative Agent up to and including the date of termination of this Arrangement will continue to be used to support the Fund until completion of the Fund, at which point, any remaining balances will be dealt with according to paragraph 5 below.

5. Any balance remaining in the Fund Account upon completion of the Fund will be used for a purpose mutually agreed upon or returned to the Donor in proportion to its contribution to the Fund as decided upon by the Donor and the Co-Chairs, upon the recommendations of the Advisory Committee.

6. When returning funds to the Donor in accordance with paragraph 5 above or Section VIII, paragraph 4, the Administrative Agent will notify the Donor of the following: (a) the amount transferred, (b) the value date of the transfer, and (c) that the transfer is from the Multi-Partner Trust Fund Office in respect of the Fund pursuant to this Arrangement.
