

## CAPE VERDE TRANSITION FUND

**Memorandum of Understanding  
between  
Participating United Nations Organizations,  
the United Nations Resident Coordinator  
and  
the United Nations Development Programme  
regarding the Operational Aspects of the Cape Verde Transition Fund**

**WHEREAS**, the Government of Cape Verde (hereinafter referred to as the “Government”) has requested the members of the United Nations Country Team in Cape Verde (hereinafter referred to as the “UNCT”), under the leadership of the United Nations Resident Coordinator in Cape Verde, as the Co-Chair of the Steering Committee, as defined herein, (hereinafter referred to as the “Resident Coordinator”), to develop a single framework for their activities in support of national development priorities and accordingly the members of the UNCT have prepared a One UN Programme Document dated 1 July 2008 (hereinafter referred to as the “One UN Programme”), as may be amended from time to time and attached hereto as ANNEX A;

**WHEREAS**, members of the UNCT signing this Memorandum of Understanding (hereinafter referred to collectively as the “Participating UN Organizations”) have agreed that they should, under the leadership of the Resident Coordinator, adopt a coordinated approach to collaboration with donors who wish to support the implementation of the One UN Programme, and have developed a joint Cape Verde Transition Fund (hereinafter referred to as the “Transition Fund”) to use as the basis for mobilizing resources for the One UN Programme; and have further agreed that they should offer donors the opportunity to contribute to the Transition Fund and receive reports on the Transition Fund through single channels;

**WHEREAS**, the Participating UN Organizations have agreed to establish a coordination mechanism (hereinafter referred to as the “Steering Committee”), co-chaired by the Resident Coordinator, to facilitate effective and efficient collaboration with the host Government for the oversight of the Transition Fund, and to be responsible for agreeing to the allocation and disbursement of funds, and where the Steering Committee cannot make a decision by consensus, the Resident Coordinator will make the ultimate decisions on fund allocation;

**WHEREAS**, the Participating UN Organizations have further agreed to ask the United Nations Development Programme (which is also a Participating UN Organization in connection with this Transition Fund) to serve as the administrative interface between the Donors and the Participating UN Organizations and for these purposes United Nations Development Programme has agreed to do so in accordance with this Memorandum of Understanding;

**NOW, THEREFORE**, the Participating UN Organizations, the Resident Coordinator and the United Nations Development Programme (hereinafter referred to collectively as the “Participants”) hereby agree as follows:

**Section I**  
**Appointment of Administrative Agent; its Status, Duties and Fee**

1. The Participating UN Organizations hereby appoint the United Nations Development Programme (hereinafter referred to as the “Administrative Agent”) to serve as their Administrative Agent in connection with the Transition Fund, in accordance with the terms and conditions set out in this Memorandum of Understanding. The Administrative Agent accepts this appointment on the understanding that the Participating UN Organizations assume full programmatic and financial accountability for the funds disbursed to them by the Administrative Agent. This appointment will continue until it expires, or is terminated, in accordance with Section VIII below.

2. On behalf of the Participating UN Organizations, the Administrative Agent will:

- (a) Receive contributions from donors that wish to provide financial support to the Transition Fund;
- (b) Administer such funds received, in accordance with this Memorandum of Understanding including the provisions relating to winding up the Transition Fund Account and related matters;
- (c) Subject to availability of funds, disburse such funds to each of the Participating UN Organizations in accordance with instructions from the Resident Coordinator on behalf of the Steering Committee, taking into account the budget set out in the approved programmatic document;
- (d) Consolidate statements and reports, based on submissions provided to the Administrative Agent by each Participating UN Organization, as set forth in the approved programmatic document, and to provide these to each donor that has contributed to the Transition Fund Account, the Resident Coordinator and to the Steering Committee in accordance with Section IV below;
- (e) Provide final reporting, including notification that the Transition Fund has been operationally completed, in accordance with Section IV below;
- (f) Disburse funds to any Participating UN Organization for any additional costs of the task that the Steering Committee may decide (as referred to in Section I, Paragraph 3) in accordance with One UN Programme.

3. The Steering Committee may request any of the Participating UN Organizations, to perform additional tasks in support of the Transition Fund not related to the Administrative Agent functions detailed in Section I, Paragraph 2 above and subject to

the availability of funds. Costs for such tasks will be agreed in advance and with the approval of the Steering Committee be charged to the Transition Fund as direct costs.

4. The Administrative Agent and the Resident Coordinator will enter into a Standard Administrative Arrangement, in the form attached hereto as ANNEX B (hereinafter referred to as an “Administrative Arrangement”), with each donor that wishes to provide financial support to the Transition Fund through the Administrative Agent. The Administrative Agent will not amend the terms of Annex B without prior written agreement of the Resident Coordinator and Participating UN Organizations. The Administrative Agent will ensure the posting of a copy of the Administrative Arrangement it enters into, as well as information on donor contributions, on the website of the Administrative Agent ([www.undp.org/mdtf](http://www.undp.org/mdtf)), as well as the website of the UN in Cape Verde ([www.un.cv](http://www.un.cv)), as appropriate.

5. None of the Participating UN Organizations will be responsible for the acts or omissions of the Administrative Agent or its personnel, or of persons performing services on its behalf, except in regard to its respective contributory acts or omissions. With respect to contributory acts or omissions of the Participating UN Organizations, the resulting responsibility will be apportioned among them or any one of them to the extent of such contributory acts or omissions, or as may otherwise be agreed. In addition, donors will not be directly responsible for the activities of any person employed by the Participating UN Organizations or the Administrative Agent as a result of this Memorandum of Understanding.

6. The Administrative Agent will be entitled to allocate an administrative fee of one percent (1%) of the amount contributed by each donor signing an Administrative Arrangement, to meet the Administrative Agent’s costs of performing the Administrative Agent’s functions described in this Memorandum of Understanding.

7. Where the Administrative Agent is also a Participating UN Organization, a clear delineation, including distinct reporting lines and an accountability framework, will be established and maintained within the organization designated as the Administrative Agent between its functions as an Administrative Agent and its functions as a Participating UN Organization.

## **Section II** **Financial Matters**

### **The Administrative Agent**

1. The Administrative Agent will establish a separate ledger account under its financial regulations and rules for the receipt and administration of the funds received pursuant to Administrative Arrangement (hereinafter, the “Transition Fund Account”). The Transition Fund Account will be administered by the Administrative Agent in accordance with the regulations, rules, directives and procedures applicable to it, including those relating to interest. The Transition Fund Account will be subject exclusively to the internal and external auditing procedures laid down in the financial regulations, rules, directives and procedures applicable to the Administrative Agent.

2. The Administrative Agent will not absorb gains or losses on currency exchanges. Such amounts will increase or decrease the funds available for disbursements to Participating UN Organizations.

3. Subject to the availability of funds, the Administrative Agent will make disbursements from the Transition Fund Account based on instructions from the Resident Coordinator on behalf of the Steering Committee, in line with the budget set forth in the approved programmatic document, as amended from time to time by the Steering Committee. The disbursements will consist of direct and indirect costs as set out in the budget.

4. The Administrative Agent will normally make each disbursement within three (3) to five (5) business days after receipt of the relevant approved programmatic document, in accordance with the instructions received from the Resident Coordinator in line with the One UN Programme, along with a copy of the relevant approved programmatic document, signed by all the parties concerned. The Administrative Agent will transfer funds to each Participating UN Organization through wire transfer. Each Participating UN Organization will advise the Administrative Agent in writing of the bank account for transfers pursuant to this Memorandum of Understanding. When making a transfer to a Participating UN Organization, the Administrative Agent will notify that Participating UN Organization's Treasury Operations of the following: (a) the amount transferred, (b) the value date of the transfer; and (c) that the transfer is from the **[name of Administrative Agent]** in respect of the Cape Verde Transition Fund pursuant to this Memorandum of Understanding.

5. Where the balance in the Transition Fund Account on the date of a scheduled disbursement is insufficient to make that disbursement, the Administrative Agent will consult with the Resident Coordinator on behalf of the Steering Committee and make a disbursement, if any, in accordance with the Resident Coordinator's instructions.

#### The Participating UN Organizations

6. Each Participating UN Organization will establish a separate ledger account under its financial regulations and rules for the receipt and administration of the funds disbursed to it by the Administrative Agent from the Transition Fund Account. That separate ledger account will be administered by each Participating UN Organization in accordance with its own regulations, rules, directives and procedures, including those relating to interest. That separate ledger account will be subject exclusively to the internal and external auditing procedures laid down in the financial regulations, rules, directives and procedures applicable to the Participating UN Organization concerned.

7. Each Participating UN Organization will use the funds disbursed to it by the Administrative Agent from the Transition Fund Account to carry out the activities for which it is responsible as set out in the approved programmatic document, as well as for its indirect costs. The Participating UN Organizations will commence and continue to conduct operations for the Programme activities only upon receipt of disbursements as instructed by the Resident Coordinator, on behalf of the Steering Committee. The

Participating UN Organizations will not make any commitments above the approved budget in Annex A, as amended from time to time by the Steering Committee. If there is a need to exceed the budgeted amount, the Participating UN Organization concerned will submit a supplementary budget request to the Steering Committee.

8. Indirect costs of the Participating UN Organizations recovered through programme support costs will be 7%. In accordance with the UN General Assembly resolution 62/208 (2007 Triennial Comprehensive Policy Review principle of full cost recovery), all other costs incurred by each Participating UN Organization in carrying out the activities for which it is responsible under the Transition Fund will be recovered as direct costs.

### **Section III** **Activities of the Participating UN Organizations**

1. The implementation of the Programme activities will be the responsibility of the Participating UN Organizations and will be carried out by each Participating UN Organization in accordance with its applicable regulations, rules, directives and procedures. On the termination or expiration of this Memorandum of Understanding, the matter of ownership of supplies and equipment will be determined in accordance with the regulations, rules, directives and procedures applicable to such Participating UN Organizations, including, where applicable, any agreement with the relevant host Government (if applicable).

2. Any modifications to scope of the approved programmatic document, including as to their nature, content, sequencing or the duration thereof will be subject to mutual agreement in writing between the relevant Participating UN Organization and the Steering Committee. The Participating UN Organization will promptly notify the Administrative Agent through the Steering Committee, of any change in the budget as set out in the approved programmatic document.

3. Where a Participating UN Organization wishes to carry out its Programme activities through or in collaboration with a third party, it will be responsible for discharging all commitments and obligations with such third parties, and no other Participating UN Organization, nor the Administrative Agent, will be responsible for doing so.

4. In carrying out their Programme activities, none of the Participating UN Organizations will be considered as an agent of any of the others and, thus, the personnel of one will not be considered as staff members, personnel or agents of any of the others. Without restricting the generality of the preceding sentence, none of the Participating UN Organizations will be liable for the acts or omissions of the others or their personnel, or of persons performing services on their behalf.

5. Each Participating UN Organization will advise the Administrative Agent in writing when all activities for which it is responsible under the approved programmatic document have been completed.

6. The Participating UN Organizations recognize that the donors reserve the right to discontinue future contributions if reporting obligations are not met as set forth in the Administrative Arrangement; or if there are substantial deviations from agreed plans and budgets. If there is evidence of improper use of funds agreed among the donor(s), the Administrative Agent and the concerned Participating UN Organization, the Participating UN Organization will use its best efforts, consistent with its regulations, rules, policies and procedures to recover any funds misused. The Participating UN Organization will, in consultation with the Resident Coordinator on behalf of the Steering Committee and the Administrative Agent, credit any funds so recovered to the Transition Fund Account or agree with the Steering Committee to use these funds for a purpose mutually agreed upon. Before withholding future contributions or requesting recovery of funds and credit to the Transition Fund Account, the Administrative Agent, the concerned Participating UN Organization and the donor will consult with a view to promptly resolving the matter.

7. The Participating UN Organizations recognize that it is important to take all necessary precautions to avoid corrupt practices. To this end, each Participating UN Organization will maintain standards of conduct that govern the performance of their staff, including the prohibition of corrupt practices in connection with the award and administration of contracts, grants, or other benefits, as set forth in their Staff Regulations and Rules and Financial Regulations and Rules, including regarding procurement. In the event that a Participating UN Organization determines that an allegation in relation to the implementation of activities – including that corrupt, fraudulent, collusive or coercive practices may have taken place – is credible enough to warrant an investigation, it will promptly notify the Steering Committee and the Administrative Agent, to the extent that such notification does not jeopardize the conduct of the investigation. The allegation will be dealt with in accordance with the Participating UN Organization’s accountability and oversight framework and by the Participating UN Organization’s unit in charge of investigations. Upon completion of the investigation, the Participating UN Organization will inform the Steering Committee and the Administrative Agent about the results of the investigation.

8. As an exceptional measure, particularly during the start up phase of the Transition Fund, subject to conformity with their financial regulations, rules and directives, Participating UN Organizations may elect to start implementation of programme activities in advance of receipt of initial or subsequent transfers from the Transition Fund Account by using their own resources. Such advance activities will be undertaken in agreement with the Steering Committee on the basis of funds it has allocated or approved for implementation by the particular Participating UN Organization following receipt by the Administrative Agent of an official commitment form or signature of the Administrative Arrangements by donors contributing to the Transition Fund. Participating UN Organizations will be solely responsible for decisions to initiate such advance activities or other activities outside the parameters set forth above.

#### **Section IV** **Reporting**

1. Each Participating UN Organization will provide the Administrative Agent with the following statements and reports prepared in accordance with the accounting and

reporting procedures applicable to the Participating UN Organization concerned, as set forth in the One UN Programme. The Participating UN Organizations will endeavour to harmonize their reporting formats to the extent possible.

2. The Administrative Agent will prepare consolidated narrative progress and financial reports, based on the reports referred to in paragraph 1 above and will provide (a) and (b) by 31 May and (c) and (d) by 31 July to the Resident Coordinator for onward submission to the Steering Committee and to each donor that has contributed to the Transition Fund Account, in accordance with the timetable established in the Administrative Arrangement.

3. The Administrative Agent will also provide the Resident Coordinator for onward submission to the Steering Committee, donors, Steering Committee and Participating UN Organizations with the following statements on its activities as Administrative Agent:

- (a) Certified annual financial statement (“Source and Use of Funds” as defined by UNDG guidelines) to be provided no later than five months (31 May) after the end of the calendar year; and
- (b) Certified final financial statement (“Source and Use of Funds”) to be provided no later than seven months (31 July) of the year following the financial closing of the Transition Fund.

4. Consolidated reports and related documents will be posted on the websites of the UN in Cape Verde ([www.un.cv](http://www.un.cv)) and the Administrative Agent ([www.undp.org/mdtf](http://www.undp.org/mdtf)).

**Section V**  
**Monitoring and Evaluation**

1. Monitoring and evaluation of the Transition Fund will be undertaken in accordance with the provisions contained in the One UN Programme, which are consistent with the respective regulations, rules and procedures of the Participating UN Organizations.
2. The donor(s), the Resident Coordinator, the Administrative Agent and the Participating UN Organizations will hold annual consultations, as appropriate, to review the status of the Transition Fund.

**Section VI**  
**Audit**

1. The Administrative Agent and Participating UN Organizations will be audited in accordance with their own Financial Regulations and Rules. The Internal Audit Services (IAS) of each Participating UN Organization will prepare a summary of the internal audit reports on activities related to the Transition Fund at intervals agreed upon between the IAS of Participating UN Organizations and of the Administrative Agent. The IAS of each Participating UN Organization will share its summary with its Representative in the Cape Verde Country Office, who will then share it with the Steering Committee.

**Section VII**  
**Joint Communication**

1. Each Participating UN Organization will take appropriate measures to publicize the One UN Programme and to give due credit to the other Participating UN Organizations. Information given to the press, to the beneficiaries of the Transition Fund, all related publicity material, official notices, reports and publications, will acknowledge the role of the host Government, the donors, the Participating UN Organizations, the Administrative Agent and any other relevant entities. In particular, the Resident Coordinator and the Administrative Agent will include and ensure due recognition of the role of each Participating UN Organization and national partner in all external communications relating to the Transition Fund.
2. The Administrative Agent in consultation with the Resident Coordinator and the Participating UN Organizations will ensure that decisions regarding the review and approval of the Transition Fund as well as periodic reports on the progress of implementation of the One UN Programme, associated external evaluation are posted, where appropriate, for public information on the websites of UN in Cape Verde ([www.un.cv](http://www.un.cv)) and the Administrative Agent ([www.undp.org/mdtf](http://www.undp.org/mdtf)). Such reports and documents may include Steering Committee approved programmes and programmes awaiting approval, fund level annual financial and progress reports and external evaluations, as appropriate.

**Section VIII**

In the event of such termination, the Participants will agree on measures to bring all activities to an orderly and prompt conclusion so as to minimize costs and expense.
5. Commitments assumed by the withdrawing or terminating Participants under this Memorandum of Understanding will survive the expiration or termination of this Memorandum of Understanding or the termination of the Administrative Agent or withdrawal of a Participating UN Organization to the extent necessary to permit the orderly conclusion of the activities and the completion of final reports, the withdrawal of personnel, funds and property, the settlement of accounts between the Participants hereto and the settlement of contractual liabilities that are required in respect of any subcontractors, consultants or suppliers. Any balance remaining in the Transition Fund Account or in the individual Participating UN Organizations' separate ledger accounts upon completion of the Transition Fund will be used for a purpose mutually agreed upon or returned to the donor(s) in proportion to their contribution to the Transition Fund as agreed upon by the donors and the Steering Committee.
