WHEREAS, the Participating UN Organizations have agreed that they should adopt a coordinated approach to collaboration with donors who wish to support the implementation of the Fund and have developed a TOR to use as the basis for mobilising resources for the Fund, and have further agreed that they should offer donors the opportunity to contribute to the Fund and receive reports on the Fund through a single channel; and

To that end the Administrative Agent has established a separate ledger account under its financial regulations and rules for the receipt and administration of the funds received from donors who wish to provide financial support to the Fund through the Administrative Agent (hereinafter referred to as the “Fund Account”);

WHEREAS, NGO partners and other designated institutions or entities will have access to the Fund through Participating UN Organizations performing an additional oversight function as described in the TOR; and

2. Each Participating UN Organization will establish a separate ledger account under its financial regulations and rules for the receipt and administration of the funds disbursed to it from the Fund Account. Each Participating UN Organization assumes full programmatic and financial accountability for the funds disbursed to them by the Administrative Agent. That separate ledger account will be administered by each Participating UN Organization in accordance with its own regulations, rules, directives and procedures, including those relating to interest. That separate ledger account will be subject exclusively to the internal and external auditing procedures laid down in the financial regulations, rules, directives and procedures applicable to the Participating UN Organization.²

3. Where the balance in the Fund Account on the date of a scheduled disbursement is insufficient to make that disbursement, the Administrative Agent will consult with the Steering Committee and make a disbursement, if any, in accordance with the Steering Committee's instructions.

Section III **Implementation of the Programme**

1. The implementation of the programmatic activities which the Donor assists in financing under this Arrangement will be the responsibility of the Participating UN Organizations and will be carried out by each Participating UN Organization in accordance with its own applicable regulations, rules, policies and procedures including relating to procurement. The Donor will not be directly responsible or liable for the activities of any person employed by the Participating UN Organizations or the Administrative Agent as a result of this Arrangement,

² Where the Administrative Agent is also a Participating UN Organization, it will need to open its own separate ledger account and transfer funds from the Fund Account to its separate ledger account.

5. The Participating UN Organizations will commence and continue to conduct operations for the programmatic activities only upon receipt of disbursements as instructed by the Steering Committee.

5. The Participating UN Organizations will not make any commitments above the budgeted amounts in approved programmatic document, as amended from time to time by the Steering Committee.

6. If unforeseen expenditures arise, the Steering Committee will submit, through the Administrative Agent, a supplementary budget to the Donor showing the further financing that will be necessary. If no such further financing is available, the activities to be carried out under the approved programmatic document may be reduced or, if necessary, terminated by the Participating UN Organizations. In no event will the Participating UN Organizations assume any liability in excess of the funds transferred from the Fund Account.

7. The Donor reserves the right to discontinue future contributions if reporting obligations are not met as set forth in this Arrangement; or if there are substantial deviations from agreed plans and budgets.
