Names and signatures of (sub) national counterparts and participating UN organizations

Adequate signature space should be provided in order to accommodate name (person), title (head), organization name/seal of all participating UN organizations and national coordinating authorities, as well as date of signature.

This joint program document should be signed by the relevant coordinating authorities. By signing this joining program document, all signatories – national coordinating authorities and UN organizations – assume full responsibility to achieve results identified with each of them as shown in Table 1 and detailed in annual work plans. For regional and global joint programs, endorsement or signatories of participating countries (at least three, if there are more than three countries) are required.
