The Administrative Agent will enter into a Standard Administrative Arrangement, in the form attached hereto as ANNEX C (hereinafter referred to as a “Administrative Arrangement”), with each donor that wishes to provide financial support to the Fund. The Administrative Agent will ensure the posting of a copy of the template Administrative Arrangement, as well as information on donor contributions, on the website of the Administrative Agent (mptf.undp.org).

5. None of the Participating UN Organizations will be responsible for the acts or omissions of the Administrative Agent or its personnel, or of persons performing services on its behalf, except in regard to its respective contributory acts or omissions. With respect to contributory acts or omissions of the Participating UN Organizations, the resulting responsibility will be apportioned among them or any one of them to the extent of such contributory acts or omissions, or as may otherwise be agreed. In addition, donors will not be responsible or liable for the activities of the Participants as a result of this Memorandum of Understanding.

Section II
Financial Matters

The Administrative Agent

1. The Administrative Agent will establish a separate ledger account under its financial regulations and rules for the receipt and administration of the funds received pursuant to the Administrative Arrangement (hereinafter referred to as the “Fund Account”). The Fund Account will be administered by the Administrative Agent in accordance with the regulations, rules, policies and procedures applicable to it, including those relating to interest.

2. The Administrative Agent will not absorb gains or losses on currency exchanges which will increase or decrease the funds available for disbursements to Participating UN Organizations.

3. Subject to the availability of funds, the Administrative Agent will make disbursements from the Fund Account in accordance with decisions from the Steering Committee, in line with the budget set forth in the approved programmatic document. The disbursements will consist of direct and indirect costs as set out in the budget.

4. The Administrative Agent will normally make each disbursement within five (5) business days after receipt of the relevant approved programmatic document, in accordance with the decisions received from the Steering Committee in line with the TOR, along with a copy of the relevant approved programmatic document, signed by all the parties concerned. The Administrative Agent will transfer funds to each Participating UN Organization through wire transfer. Each Participating UN Organization will advise the Administrative Agent in writing of the bank account for transfers pursuant to this Memorandum of Understanding. When making a transfer to a Participating UN Organization, the Administrative Agent will notify that Participating UN Organization’s Treasury Operations of the following: (a) the amount transferred, (b) the value date of the transfer; and (c) that the transfer is from the UNDP in respect of the Fund pursuant to this Memorandum of Understanding.

5. Where the balance in the Fund Account on the date of a scheduled disbursement is insufficient to make that disbursement, the Administrative Agent will consult with the Steering Committee and make a disbursement, if any, in accordance with the Steering Committee’s decisions.

The Participating UN Organizations

6. Each Participating UN Organization will establish a separate ledger account under its financial regulations and rules for the receipt and administration of the funds disbursed to it by the Administrative Agent from the Fund Account. That separate ledger account will be administered by each Participating UN Organization in accordance with its own regulations, rules, policies and procedures, including those relating to interest.
7. Each Participating UN Organization will use the funds disbursed to it by the Administrative Agent from the Fund Account to carry out the activities for which it is responsible as set out in the approved programmatic document, as well as for its indirect costs. The Participating UN Organizations will commence and continue to conduct operations for the Fund activities only upon receipt of disbursements made by the Administrative Agent in accordance with Section II, paragraph 3 above. The Participating UN Organizations will not make any commitments above the amount disbursed against the approved programmatic document. If there is a need to exceed the amount disbursed, the Participating UN Organization concerned will submit a supplementary budget request to the Steering Committee showing the further financing that will be necessary. If no such further financing is available, the activities to be carried out under the approved programmatic document may be reduced or, if necessary, terminated by the Participating UN Organization.

8. The Participating UN Organizations recognize that each of the donors signing an Administrative Arrangement has reserved the right to discontinue future deposits of its contribution if there is: (i) failure to fulfil any obligations under the Administrative Arrangement; (ii) if there are substantial revisions of the TOR; or (iii) if there are credible allegations of improper use of the funds in accordance with Section VII of this Memorandum of Understanding (Section VIII of the Administrative Arrangement); provided however that before doing so, the Administrative Agent, the Steering Committee and the donor will consult with a view to promptly resolving the matter.

9. Indirect costs of the Participating UN Organizations recovered through programme support costs will be seven percent (7%). All other costs incurred by each Participating UN Organization in carrying out the activities for which it is responsible under the Fund will be recovered as direct costs.

Section III
Activities of the Participating UN Organizations

Implementation of the Fund

1. The implementation of the programmatic activities will be the responsibility of the Participating UN Organizations and will be carried out by each Participating UN Organization in accordance with its own applicable regulations, rules, policies and procedures including those relating to procurement as well as the selection and assessment of implementing partners. Accordingly, personnel will be engaged and administered, equipment, supplies and services purchased, and contracts entered into in accordance with the provisions of such regulations, rules, policies and procedures.

2. Ownership of equipment and supplies procured, and intellectual property rights associated with works produced, using funds transferred to the Participating UN Organisations under this Memorandum of Understanding will be determined in accordance with the regulations, rules, policies and procedures applicable to such Participating UN Organizations, including any agreement with the relevant Host Government, if applicable.
3. Each Participating UN Organization will establish appropriate programmatic safeguard measures in the design and implementation of its Fund activities, thereby promoting the shared values, norms and standards of the United Nations system. These measures may include, as applicable, the respect of international conventions on the environment, on children's rights, and internationally agreed core labour standards.

4. As an exceptional measure, particularly during the start-up phase of the Fund, subject to conformity with their financial regulations, rules and policies, Participating UN Organizations may elect to start implementation of Fund activities in advance of receipt of initial or subsequent transfers from the Fund Account by using their own resources. Such advance activities will be undertaken in agreement with the Steering Committee on the basis of funds it has allocated or approved for implementation by the particular Participating UN Organization following receipt by the Administrative Agent of signed Administrative Arrangements from donors contributing to the Fund. Participating UN Organizations will be solely responsible for decisions to initiate such advance activities or other activities outside the parameters set forth above.

5. Any modifications to the scope of the approved programmatic document, including as to its nature, content, sequencing or the duration thereof by the Participating UN Organization(s), will be subject to the approval of the Steering Committee. The Participating UN Organization will promptly notify the Administrative Agent through the Steering Committee of any change in the budget as set out in the approved programmatic document.

6. Where a Participating UN Organization wishes to carry out its Fund activities through or in collaboration with a third party, it will be responsible for discharging all commitments and obligations with such third parties, and no other Participating UN Organization, nor the Administrative Agent, will be responsible for doing so.

7. In carrying out their programmatic activities, none of the Participating UN Organizations will be considered as an agent of any of the others and, thus, the personnel of one will not be considered as staff members, personnel or agents of any of the others. Without restricting the generality of the preceding sentence, none of the Participating UN Organizations will be liable for the acts or omissions of the other Participating UN Organizations or their personnel, or of persons performing services on their behalf.

8. Each Participating UN Organization will ensure the Administrative Agent is advised in writing when all activities for which it is responsible under the approved programmatic document have been operationally completed. Financial closure must be completed within eighteen (18) months after operational closure or according to the time period specified in the financial regulations and rules of the Participating UN Organization, whichever one comes first.

Special Provisions regarding Financing of Terrorism

9. Consistent with UN Security Council Resolutions relating to terrorism, including UN Security Council Resolution 1373 (2001) and 1267 (1999) and related resolutions,
the Participants are firmly committed to the international fight against terrorism, and in particular, against the financing of terrorism. Similarly, all Participants recognize their obligation to comply with any applicable sanctions imposed by the UN Security Council. Each of the Participating UN Organizations will use all reasonable efforts to ensure that the funds transferred to it in accordance with this Memorandum of Understanding are not used to provide support or assistance to individuals or entities associated with terrorism as designated by any UN Security Council sanctions regime. If, during the term of this Memorandum of Understanding, a Participating UN Organization determines that there are credible allegations that funds transferred to it in accordance with this Memorandum of Understanding have been used to provide support or assistance to individuals or entities associated with terrorism as designated by any UN Security Council sanctions regime it will as soon as it becomes aware of it inform the Steering Committee, the Administrative Agent and the donor(s) and, in consultation with the donors as appropriate, determine an appropriate response.

Section IV Reporting

Financial Reports

1. Each Participating UN Organization will provide the Administrative Agent with the following financial statements and reports prepared in accordance with the accounting and reporting procedures applicable to the Participating UN Organization concerned, as set forth in the TOR. The Participating UN Organizations will endeavour to harmonize their reporting formats to the extent possible.

   (a) Annual financial report as of 31 December with respect to the funds disbursed to it from the Fund Account, to be provided no later than four (4) months (30 April) after the end of the calendar year; and

   (b) Certified final financial statements and final financial reports after the completion of the activities in the approved programmatic document, including the final year of the activities in the approved programmatic document, to be provided no later than five (5) months (31 May) after the end of the calendar year in which the financial closure of the activities in the approved programmatic document occurs, or according to the time period specified in the financial regulations and rules of the Participating UN Organization, whichever is earlier.

Narrative Reports

2. Each Participating UN Organization will provide the Administrative Agent with the following narrative reports prepared in accordance with the reporting procedures applicable to the Participating UN Organization concerned, as set forth in the TOR. The Participating UN Organizations will endeavour to harmonize their reporting formats to the extent possible.
(a) Annual narrative progress reports, to be provided no later than three (3) months (31 March) after the end of the calendar year; and

(b) Final narrative reports, after the completion of the activities in the approved programmatic document, including the final year of the activities in the approved programmatic document, to be provided no later than four months (30 April) after the end of the calendar year in which the operational closure of the activities in the approved programmatic document occurs.

2. The Administrative Agent will ensure the preparation of consolidated narrative progress and financial reports, based on the reports provided in Section IV paragraphs 1 and 2 above, and will provide these consolidated reports to each donor that has contributed to the Fund, as well as the Steering Committee, in accordance with the timetable established in the Administrative Arrangement.

3. The annual and final reports will be results-oriented and evidence based. Annual and final narrative reports will compare actual results with expected results at the output and outcome level, and explain the reasons for over or underachievement. The final narrative report will also contain an analysis of how the outputs and outcomes have contributed to the overall impact of the Fund. The financial reports will provide information on the use of financial resources against the outputs and outcomes in the agreed results framework.

4. The Administrative Agent will also provide the donors, Steering Committee and Participating UN Organizations with the following reports on its activities as Administrative Agent:

   a) Certified annual financial statement ("Source and Use of Funds" as defined by UNDG guidelines) to be provided no later than five months (31 May) after the end of the calendar year; and

   b) Certified final financial statement ("Source and Use of Funds") to be provided no later than five months (31 May) after the end of the calendar year in which the financial closing of the Fund occurs.

5. Consolidated reports and related documents will be posted on the website the Administrative Agent [mptf.undp.org].

Section V
Monitoring and Evaluation

Monitoring

1. Monitoring of the Fund will be undertaken in accordance with the TOR. The Participants and the donor(s) will hold consultations at least annually, as appropriate, to review the status of the Fund. In addition, the Participants and the donor(s) will discuss any substantive revisions to the Fund, and promptly inform each other about any significant circumstances and major risks, which interfere or threaten to interfere with the
successful achievement of the outcomes outlined in the TOR, financed in full or in part through contributions from the donor(s).

**Evaluation**

2. Evaluation of the Fund including, as necessary and appropriate, joint evaluation by the Participants, the donor(s), and other partners will be undertaken in accordance with the TOR.

3. The Steering Committee and/or Participating UN Organizations will recommend a joint evaluation if there is a need for a broad assessment of results at the level of the Fund or at the level of an outcome within the Fund. The joint evaluation report will be posted on the website of the Administrative Agent [mptf.undp.org].

4. In addition, the Participants recognize that the donor(s) may, separately or jointly with other partners, take the initiative to evaluate or review their cooperation with the Administrative Agent and the Participating UN Organizations under this Memorandum of Understanding, with a view to determining whether results are being or have been achieved and whether contributions have been used for their intended purposes. The Administrative Agent and the Participating UN Organizations will be informed about such initiatives, will be consulted on the scope and conduct of such evaluations or reviews and will be invited to join. The Participants will upon request assist in providing relevant information within the limits of their regulations, rules, policies and procedures. All costs will be borne by the respective donor, unless otherwise agreed. It is understood by the Participants that such evaluation or review will not constitute a financial, compliance or other audit of the Fund including any programmes, projects or activities funded under this Memorandum of Understanding.
Section VI
Audit

External and Internal Audit

1. The activities of the Administrative Agent and each Participating UN Organization in relation to the Fund will be exclusively audited by their respective internal and external auditors in accordance with their own financial regulations and rules. The corresponding external and internal audit reports will be disclosed publicly unless the relevant policies and procedures of each of the relevant Participants provide otherwise.

Joint Internal Audits

2. The Internal Audit Services of the Participants involved in the Fund may consider conducting joint internal audits thereof in accordance with the Framework for Joint Internal Audits of UN Joint Activities, including its risk-based approach and provisions for disclosure of internal audit reports related to the Fund. In doing so, the Internal Audit Services of the Participants will consult with the Steering Committee.

Cost of Internal Audits

3. The total costs of internal audit activities in relation to the Fund will be borne by the Fund.

Audits of Implementing Partners

4. The part of the contribution transferred by a Participating UN Organization to its implementing partners for activities towards the implementation of the Fund will be audited as provided under that Participating UN Organization’s financial regulations and rules, as well as its policies and procedures. The disclosure of the corresponding audit reports will be made according to the policies and procedures of that Participating UN Organization.

Section VII
Fraud, Corruption and Unethical Behaviour

1. The Participants are firmly committed to take all necessary precautions to avoid and address corrupt, fraudulent, collusive, coercive, unethical, or obstructive practices. The Participants recognize that it is important that all United Nations staff, individual contractors, implementing partners, vendors and any third parties which are involved either in joint activities or in those of the Administrative Agent or Participating UN Organization (such individuals and entities being hereinafter referred to, together, as the “Individuals/Entities”, and individually as the “Individual/Entity”) must adhere to the highest standard of integrity as defined by each Participant. To this end, each Participant will maintain standards of conduct that govern the performance of the Individuals/Entities, to prohibit practices which are contrary to this highest standard in
any activity related to the Fund. If an Individual/Entity is a UN organization, the Participating UN Organization engaging that Individual/Entity will rely upon that Individual’s/Entity’s standard of integrity. The Individuals/Entities must not engage in corrupt, fraudulent, collusive, coercive, unethical, or obstructive practices, as defined below;

2. In this Memorandum of Understanding,
   (a) “Corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another individual or entity;
   (b) “Fraudulent practice” means any act or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, an individual or an entity to obtain a financial or other benefit, or to avoid an obligation;
   (c) “Collusive practice” means an arrangement between two or more individuals and/or entities designed to achieve an improper purpose, including influencing improperly the actions of another individual or entity;
   (d) “Coercive practice” means impairing or harming, or threatening to impair or harm, directly or indirectly, any individual or entity or the property of the individual or entity to influence improperly the actions of an individual or entity;
   (e) “Unethical practice” means the conduct of behavior that is contrary to staff or supplier codes of conduct such as those relating to conflict of interest, gifts and hospitality, and post-employment provisions; and
   (f) “Obstructive practice” means acts or omissions intended to materially impede the exercise of contractual rights of audit, investigation and access to information, including destruction, falsification, alteration or concealment of evidence material to an investigation into allegations of fraud and corruption.

Investigations

3. (a) Investigations of allegations of wrongdoing by Individuals/Entities involved in the Fund which are contracted by a Participant will be carried out by the Investigation Service of the Participant with which the potential subject of investigation is contracted, in accordance with that Participant’s internal policies and procedures.

(b)

(i) In the event that the Investigation Service of a Participant determines that an allegation in relation to the implementation of activities for which that Participant is accountable is credible enough to warrant an investigation, it will promptly notify the Steering Committee (and the Administrative Agent, if such Participant is not the Administrative Agent) of the Fund, to the extent that such notification does not jeopardize the conduct of the investigation, including but not
limited to the prospects of recovery of funds or the safety or security of persons or assets.

(ii) In the case of such notification, it is the responsibility of the Steering Committee and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).

(iii) In case of a credible allegation, the relevant Participant(s) will take timely and appropriate action in accordance with its regulations, rules, policies and procedures, which may include withholding further disbursements to the Individual(s)/Entity(ies) allegedly involved in the corrupt, fraudulent, collusive, coercive, unethical or obstructive practices as defined above.

(c)

(i) The Participant’s Investigation Service reviewing the credibility of an allegation or conducting the investigation will share information as appropriate with counterpart Investigation Services of the other Participants involved in the Fund to determine the best path towards resolution of the investigation and whether the alleged wrongdoing is limited to such Participant or whether one or more other Participants involved in the Fund may also be affected. If the relevant Investigation Services determine that more than one Participant could be affected by the alleged wrongdoing, they will follow the procedure described below in clause (ii).

(ii) Where a potential subject of an investigation is contracted by more than one Participant, the Investigation Services of the Participants concerned may consider conducting joint or coordinated investigations, determining which investigation framework to use.

(d) Upon completion of the internal reporting on their investigation by the Participant(s) concerned as established in their respective internal policies and procedures, the Participant(s) will provide information on the results of their investigation(s) to the Administrative Agent and the Steering Committee. Following such receipt of information on the results of the investigation(s), it is the responsibility of the Steering Committee and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).

(e) Each Participant concerned will determine what disciplinary and/or administrative measures, including referral to national authorities, may be taken as a result of the investigation, according to its internal policies and procedures on disciplinary and/or administrative measures, including vendor sanction mechanism, as appropriate. The Participant(s) concerned will share information on measures taken as a result of the investigation(s) with the Administrative Agent and the Steering Committee of the Fund. Following such receipt of information on measures taken as a result of the investigation(s), it is the responsibility of the Steering Committee and the Administrative Agent to
communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).

Recovery of Funds

4. If there is evidence of improper use of funds as determined after an investigation, each Participant concerned will use its best efforts, consistent with its regulations, rules, policies and procedures to recover any funds misused. With respect to any funds recovered, the relevant Participant will consult with the Steering Committee, the Administrative Agent and the donor(s). The donor(s) may request that such funds be returned to them in proportion to their contribution to the Fund, in which case the Participant would credit that portion of the funds so recovered to the Fund Account and the Administrative Agent would return that portion of such funds to the donor(s). For any such funds the donor(s) do not request to be returned to them, such funds will either be credited to the Fund Account or used by the Participant for a purpose mutually agreed upon.

5. The Participants will apply the provisions of Section VII, paragraphs 1 to 4 above in accordance with their respective accountability and oversight framework as well as relevant regulations, rules, policies and procedures.

Section VIII

Communication and Transparency

1. Subject to the regulations, rules, policies and procedures of the Participating UN Organization, each Participating UN Organization will take appropriate measures to publicize the Fund and to give due credit to the other Participating UN Organizations. Information given to the press, to the beneficiaries of the Fund, all related publicity material, official notices, reports and publications, will highlight the results achieved and acknowledge the role of the Host Government, the donors, the Participating UN Organizations, the Administrative Agent and any other relevant entities. In particular, the Administrative Agent will include and ensure due recognition of the role of each Participating UN Organization and national partner in all external communications relating to the Fund.

2. The Administrative Agent in consultation with the Participating UN Organizations will ensure that decisions regarding the review and approval of the Fund as well as periodic reports on the progress of implementation of the Fund are posted, where appropriate, for public information on the websites of the Administrative Agent [mptf.undp.org]. Such reports and documents may include Steering Committee approved programmes and programmes awaiting approval, fund level annual financial and progress reports and external evaluations, as appropriate.

3. The Participants are committed to principles of transparency with regard to the implementation of the Fund, consistent with their respective regulations, rules, policies and procedures. The donors, the Administrative Agent, Participating UN Organization and the Host Government, if applicable, will endeavor to consult prior to publication or release of information regarded as sensitive.

MOU for MDTFs, Aug. 2015

2. This Memorandum of Understanding may be modified only by written agreement between the Participants.

3. Any of the Participating UN Organizations may withdraw from this Memorandum of Understanding upon giving thirty (30) days’ written notice to all other Participants to this Memorandum of Understanding subject to the continuance in force of paragraph 5 below for the purpose therein stated.

4. The Administrative Agent’s appointment may be terminated by the Administrative Agent (on the one hand) or by the mutual agreement of all Participating UN Organizations (on the other hand) on thirty (30) days’ written notice to the other Participants, subject to the continuance in force of paragraph 5 below for the purpose therein stated. In the event of such termination, the Participants will agree on measures to bring all activities to an orderly and prompt conclusion so as to minimize costs and expense.

5. Commitments assumed by the withdrawing or terminating Participants under this Memorandum of Understanding will survive the termination of this Memorandum of Understanding or the termination of the Administrative Agent or withdrawal of a Participating UN Organization to the extent necessary to permit the orderly conclusion of the activities and the completion of final reports, the withdrawal of personnel, funds and property, the settlement of accounts between the Participants hereto and the settlement of contractual liabilities that are required in respect of any subcontractors, consultants or suppliers.

6. Any balance remaining in the individual Participating UN Organizations’ separate ledger accounts after operational completion of the activities for which they are responsible under the approved programmatic document will be returned to the Fund Account as soon as administratively feasible and before financial closure of those activities in line with Section III, paragraph 8. Any balance remaining in the Fund Account upon completion of the Fund will be used for a purpose mutually agreed upon or returned to the donor(s) in proportion to their contribution to the Fund as decided upon by the donor(s) and the Steering Committee.

Section X
Application to OIE

1. Further to this Section X, the TOR, the Administrative Arrangement and the OIE MOU, the arrangement set forth in this Memorandum of Understanding shall apply to the OIE in the same manner as it applies to the Participating UN Organizations, except as
provided in the CIE MOU, in particular its paragraph 3 and on the understanding that the Participating UN Organizations shall have an overall responsibility for the actions and activities funded by the Fund and that OIE will have full programmatic and financial accountability for the activities it carries out funded by the Fund. The Administrative Agent and the donors shall bear no responsibility, directly or indirectly, for any such actions and activities.

2. The Participating UN Organizations, through their respective representatives on the Steering Committee, will ensure that the OIE will not undertake any actions or activities in relation to the Fund unless necessary arrangements with respect to privileges and immunities are in place or have been made by the Participating UN Organizations for the purpose of such activities. The Administrative Agent and the donors shall bear no responsibility, directly or indirectly, for the actions and activities of OIE.

Memorandum of Understanding
between
the World Organisation for Animal Health and
United Nations Development Programme
regarding the Operational Aspects of the
Antimicrobial Resistance Multi-Partner Trust Fund

This Memorandum of Understanding (hereinafter referred to as "MOU") is concluded between the World Organisation for Animal Health, an inter-governmental organization, established by treaty and having its headquarters at 12 rue de Prony, 75017 Paris, France (hereinafter "OIE") and the United Nations Development Programme, a subsidiary organ of the United Nations, having its Headquarters at One United Nations Plaza, New York, New York 10017, USA, as Administrative Agent of the Trust Fund for antimicrobial resistance (the "Trust Fund"), (hereinafter "UNDP");

WHEREAS, the Participating UN Organizations to the Trust Fund (the World Health Organization and the Food and Agriculture Organization of the United Nations) have signed a Memorandum of Understanding relating to the Operational Aspects of the Antimicrobial Resistance Multi-Partner Trust Fund (the "Fund MOU"), attached hereto as Annex 1), which is an integral part of this MOU;

WHEREAS, the OIE wishes to participate in the Trust Fund and receive funds on the same terms as the Participating UN Organizations, and Participating UN Organizations have asked UNDP to provide the same administrative interface functions as provided to them, to the OIE;

WHEREAS, the Participating UN Organizations and Donors to the Trust Fund agree to the OIE’s participation in the Trust Fund;

WHEREAS, the Participating UN Organizations authorize UNDP, represented by its Multi-Partner Trust Fund Office, as Administrative Agent to conclude this Memorandum with OIE for its participation in the Trust Fund;

WHEREAS, the OIE may have different privileges and immunities from the Participating UN Organizations in certain countries where the Trust Fund will operate.

NOW, THEREFORE, OIE and UNDP hereby agree as follows:

1. The OIE warrants and confirms that it has entered into relevant agreements providing the OIE with privileges and immunities ("privileges and immunities agreements") with some of the governments in whose territories it will operate in connection with the Trust Fund. Those privileges and immunities afforded by such agreements may be different from those of the United Nations and of the Participating UN Organizations and may not be sufficient to cover the OIE’s activities under the Trust Fund. In this light, the OIE agrees that no activities funded by the Fund will be undertaken unless they are covered by appropriate safeguards and unless necessary arrangements are in place or have been made among the OIE and the Participating UN Organizations with respect to privileges and immunities. To this end, the Participating UN
Organizations and the OIE, undertake to work diligently and in good faith together, in order to put in place such necessary arrangements (including with respect to privileges and immunities) according to their respective rules and procedures, to enable the OIE to operate with sufficient and appropriate safeguards and carry out activities agreed by the Participating UN Organizations and OIE in connection to the Fund.

2. The OIE warrants and confirms that it has appropriate and sufficient privileges and immunities in respect of its personnel and assets which will permit it to undertake any activities and actions, including the use of funds, in respect to the Trust Fund and under this MOU, including functional immunity of its personnel, immunity from legal process, and immunity from search and seizure of any of its assets. In the event this is not the case, the provisions of paragraph 1 shall apply. UNDP and the Donors will bear no responsibility for the actions and activities of the OIE and for any violations or inadequacy of its privileges and immunities.

3. The OIE shall have full programmatic and financial accountability for use of funds received from the Trust Fund and for achieving the results of the projects financed thereby, including further to necessary arrangements to this end with FAO and/or WHO. It shall carry out its activities in accordance with its rules, policies and practices.

4. The rights and obligations of the OIE with respect to the Trust Fund are as set out in this MOU and in the Fund MOU except as modified below.

- Section VI (1) of the Fund MOU is modified and restated in its entirety to read as follows: "The activities of the Administrative Agent, each Participating UN Organization and the OIE in relation to the Fund will be exclusively audited by their respective internal and external auditors in accordance with their own financial regulations and rules. The corresponding external and internal audit reports will be disclosed publicly unless the relevant policies and procedures of each of the relevant Participating UN Organization or the OIE provide otherwise";

- Section VI (2) of the Fund MOU is modified by inserting the following additional text at the end of the Section: "The cooperation and coordination of internal audit activities between the Participating UN Organisations and the OIE including the exchange of information, will be done on an as needed basis with due regards to their respective regulations, rules, policies and practices."

- Section VII (1) of the Fund MOU is modified by inserting the following additional text at the end of the Section: "With respect to the OIE, OIE staff will comply with the provisions in Chapter 1 of the OIE's Staff Regulations and Code of Conduct that require OIE staff to carry out their duties in accordance with the highest standards of integrity and loyalty, to conduct themselves with objectivity and impartiality and to avoid any conflict of interest or appearance thereof in the performance of their duties, and to report any fraudulent or corrupt practice and any type of irregularities."

- Section VII (3) of the Fund MOU is to be read with the understanding that the OIE has
rules on investigation that apply internally but does not have a dedicated investigation service nor rules that could be applied to investigations of parties external to the Organisation.

5. For Notices under this MOU, the addresses of UNDP and the OIE are as specified in the attached Annex 2 hereto.

6. This MOU shall enter into force upon signature by the authorized officials of the OIE and UNDP and shall continue in force and effect until it expires or is terminated.
