<https://www.facebook.com/watch/?v=672632629815214>

Annex 3.2

A selection of films produced by Youth Journalists relating to youths' lives and peace

7 documentaries produced in 2018 and 8 documentaries produced in 2019.

Please note that these films cannot be screened nor circulated. The reason is that the young film makers want their films to be able to participate in film festival competitions on both the local and international level. If the films are screened they become invalid for the festivals.
