6. The Administrative Agent will be entitled to allocate an administrative fee of one percent (1%) of the amount received from the Fiscal Agent, to meet the Administrative Agent's costs of performing the Administrative Agent's functions described in this Memorandum of Understanding.

7. The Administrative Agent will ensure that a clear delineation, including distinct reporting lines and an accountability framework is established and maintained within UNDP between its functions as an Administrative Agent and its functions as a Participating UN Organization.

Section II **Financial Matters**

The Administrative Agent

1. The Administrative Agent will establish a separate ledger account under its financial regulations and rules for the receipt and administration of the funds received from the Fiscal Agent pursuant to the Transfer Agreement (hereinafter, the "UNDG HRF Account"). The UNDG HRF Account will be administered by the Administrative Agent in accordance with the regulations, rules, directives and procedures applicable to it, including those relating to interest. The UNDG HRF Account will be subject exclusively to the internal and external auditing procedures laid down in the financial regulations, rules, directives and procedures applicable to the Administrative Agent.

2. The Administrative Agent will not absorb gains or losses on currency exchanges which will increase or decrease the funds available for disbursements to Participating UN Organizations.

3. Subject to the availability of funds, the Administrative Agent will make disbursements from the UNDG HRF Account based on instructions from the Steering Committee, in line with the budget set forth in the programmatic document, as amended from time to time by the Steering Committee. The disbursements will consist of direct and indirect costs as set out in the budget.

4. The Administrative Agent will normally make each disbursement within three (3) to five (5) business days after receipt of the relevant approved programmatic document, in accordance with the instructions received from the Steering Committee in line with the UNDG HRF TOR, along with a copy of the relevant approved programmatic document, signed by all the parties concerned. The Administrative Agent will transfer funds to each Participating UN Organization through wire transfer. Each Participating UN Organization will advise the Administrative Agent in writing of the bank account for transfers pursuant to this Memorandum of Understanding. When making a transfer to a Participating UN

Organization, the Administrative Agent will notify that Participating UN Organization's Treasury Operations of the following: (a) the amount transferred, (b) the value date of the transfer; and (c) that the transfer is from the UNDP MDTF Office in respect of the HRF in Haiti pursuant to this Memorandum of Understanding.

5. Where the balance in the UNDG HRF Account on the date of a scheduled disbursement is insufficient to make that disbursement, the Administrative Agent will consult with the Steering Committee and make a disbursement, if any, in accordance with the Steering Committee's instructions.

The Participating UN Organizations

6. Each Participating UN Organization will establish a separate ledger account under its financial regulations and rules for the receipt and administration of the funds disbursed to it by the Administrative Agent from the UNDG HRF Account. That separate ledger account will be administered by each Participating UN Organization in accordance with its own regulations, rules, directives and procedures, including those relating to interest. That separate ledger account will be subject exclusively to the internal and external auditing procedures laid down in the financial regulations, rules, directives and procedures applicable to the Participating UN Organization concerned.

7. Each Participating UN Organization will use the funds disbursed to it by the Administrative Agent from the UNDG HRF Account to carry out the activities for which it is responsible as set out in the approved programmatic document, as well as for its indirect costs. The Participating UN Organizations will commence and continue to conduct operations for the programmatic activities only upon receipt of disbursements as instructed by the Steering Committee. The Participating UN Organizations will not make any commitments above the approved budget in the approved programmatic document, as amended from time to time by the Steering Committee. If there is a need to exceed the budgeted amount, the Participating UN Organization concerned will submit a supplementary budget request to the UNDG HRF Management Committee for endorsement before its submission to the Steering Committee.

8. Indirect costs of the Participating UN Organizations recovered through programme support costs will be 7%. In accordance with the UN General Assembly resolution 62/208 (2007 Triennial Comprehensive Policy Review principle of full cost recovery), all other costs incurred by each Participating UN Organization in carrying out the activities for which it is responsible under the UNDG HRF will be recovered as direct costs.

Section III **Activities of the Participating UN Organizations**

1. The implementation of the programmatic activities will be the responsibility of the Participating UN Organizations and will be carried out by each Participating UN Organization in accordance with its applicable regulations, rules, directives and procedures. On the termination or expiration of this Memorandum of Understanding, the matter of ownership of supplies and equipment will be determined in accordance with the

regulations, rules, directives and procedures applicable to such Participating UN Organizations, including, where applicable, any agreement with the GoH.

2. Any modifications to scope of the approved programmatic document, including as to their nature, content, sequencing or the duration thereof will be subject to mutual agreement in writing between the relevant Participating UN Organization and the UNDG Management Committee and the Steering Committee. The Participating UN Organization will promptly notify the Administrative Agent, of any change in the budget as set out in the programmatic document.

3. Where a Participating UN Organization wishes to carry out its programmatic activities through or in collaboration with a third party, it will be responsible for discharging all commitments and obligations with such third parties, and no other Participating UN Organization, nor the Administrative Agent, will be responsible for doing so.

4. In carrying out their programmatic activities, none of the Participating UN Organizations will be considered as an agent of any of the others and, thus, the personnel of one will not be considered as staff members, personnel or agents of any of the others. Without restricting the generality of the preceding sentence, none of the Participating UN Organizations will be liable for the acts or omissions of the other Participating UN Organizations or their personnel, or of persons performing services on their behalf.

5. Each Participating UN Organization will advise the Administrative Agent in writing when all activities for which it is responsible under the approved programmatic document have been completed.

6. The Participating UN Organizations recognize that the Steering Committee may ask the Fiscal Agent to withhold disbursements on the Transfer Agreement if reporting obligations are not met as set forth in this MOU annexed to the Transfer Agreement; or if there are substantial deviations from agreed plans and budgets. If it is agreed among the Fiscal Agent, the Steering Committee, the Partner Entity and the concerned Participating UN Organization that there is evidence of improper use of funds, the concerned Participating UN Organization will use its best efforts, consistent with its regulations, rules, policies and procedures to recover any funds misused. The Participating UN Organization will, in consultation with the Steering Committee and the Administrative Agent, credit any funds so recovered to the UNDG HRF Account or agree with the Steering Committee to use these funds for a purpose mutually agreed upon. Before withholding future contributions or requesting recovery of funds and credit to the UNDG HRF Account, the Administrative Agent, the concerned Participating UN Organization, the Steering Committee and the Donors will consult with a view to promptly resolving the matter.

7. The Participating UN Organizations recognize that it is important to take all necessary precautions to avoid corrupt, fraudulent, collusive or coercive practices. To this end, each Participating UN Organization will maintain standards of conduct that govern the performance of their staff, including the prohibition of corrupt, fraudulent, collusive or coercive practices, in connection with the award and administration of contracts,

grants, or other benefits, as set forth in their Staff Regulations and Rules and Financial Regulations and Rules, including regarding procurement. In the event that a Participating UN Organization determines that an allegation in relation to the implementation of activities – including that corrupt, fraudulent, collusive or coercive practices may have taken place – is credible enough to warrant an investigation, it will promptly notify the UNDG HRF Management Committee, the HRF Steering Committee and the Administrative Agent, to the extent that such notification does not jeopardize the conduct of the investigation. The allegation will be dealt with in accordance with the Participating UN Organization’s accountability and oversight framework and by the Participating UN Organization’s unit in charge of investigations. Upon completion of the investigation, the Participating UN Organization will inform the UNDG HRF Management Committee, the Steering Committee and the Administrative Agent about the results of the investigation.

8. As an exceptional measure, particularly during the start up phase of the UNDG HRF, subject to conformity with their financial regulations, rules and directives, Participating UN Organizations may elect to start implementation of programmatic activities in advance of receipt of initial or subsequent transfers from the UNDG HRF Account by using their own resources. Such advance activities will be undertaken in agreement with the Steering Committee on the basis of funds it has allocated or approved for implementation for the particular Participating UN Organizations following receipt by the Administrative Agent of an official commitment form or a Transfer Agreement signed by the Fiscal Agent. Participating UN Organizations will be solely responsible for decisions to initiate such advance activities or other activities outside the parameters set forth above.

Section IV **Reporting**

1. Each Participating UN Organization will provide the Administrative Agent with the following statements and reports prepared in accordance with the accounting and reporting procedures applicable to the Participating UN Organization concerned, as set forth in the UNDG HRF TOR. The Participating UN Organizations will endeavour to harmonize their reporting formats to the extent possible.

2. The Administrative Agent will prepare consolidated narrative progress and financial reports, based on the reports referred to in paragraph 1 (a) to (d) above, and will provide those consolidated reports to the UNDG HRF Management Committee, the Steering Committee and Donors that have contributed to the HRF, as set forth in the UNDG HRF TOR.
