

ADDENDUM to the Joint Programme Document

Programme Title: UNKT Joint Program on Domestic Violence in Kosovo

This ADDENDUM seeks to amend the first sentence of the last paragraph of Page 29 of the Project Document of the *UNKT Joint Programme on Domestic Violence*, which currently reads:

*"Under the overall responsibility of the UN Development Coordinator, the National Program Manager will be reporting to the Administrative Agent and the UNKT Taskforce on DV."*

In accordance with the UNDG Protocol on the Administrative Agent (AA) for Multi-Donor Trust Funds and Joint Programmes, and One UN Funds, a functional firewall shall be maintained between the AA functions, and the UN development and RC system. As such, the National Program Manager shall not report to the Administrative Agent (AA). Therefore, the above sentence of the Joint Programme document shall, upon signature of all participating agencies, be amended and be read as:

*"Under the overall responsibility of the UN Development Coordinator, the National Program Manager will be reporting to UNKT Taskforce on DV."*
