**WHEREAS**, the Participating UN Organizations have further agreed to ask the United Nations Development Programme (which is also a Participating UN Organization in connection with this Fund) to serve as the administrative interface between the donors and the Participating UN Organizations and for these purposes the United Nations Development Programme has agreed to do so in accordance with this Memorandum of Understanding.

4. The Administrative Agent will enter into a Standard Administrative Arrangement, in the form attached hereto as ANNEX B (hereinafter referred to as an “Administrative Arrangement”), with each donor that wishes to provide financial support to the Fund through the Administrative Agent. The Administrative Agent will not agree with the Donor to amend the terms of Annex B without prior written agreement of the Participating UN Organizations. The Administrative Agent will ensure the posting of a copy of the Administrative Arrangement it enters into, as well as information on donor contributions, on the website of the Administrative Agent (<http://mdtf.undp.org>), as well as the website of the UN in Libya (<http://un.org.ly/>), as appropriate.

5. None of the Participating UN Organizations will be responsible for the acts or omissions of the Administrative Agent or its personnel, or of persons performing services on its behalf, except in regard to its respective contributory acts or omissions. With respect to contributory acts or omissions of the Participating UN Organizations, the resulting responsibility will be apportioned among them or any one of them to the extent of such contributory acts or omissions, or as may otherwise be agreed. In addition, donors will not be directly responsible for the activities of any person employed by the Participating UN Organizations or the Administrative Agent as a result of this Memorandum of Understanding.

6. The Administrative Agent will be entitled to allocate an administrative fee of one percent (1%) of the amount contributed by each donor signing an Administrative Arrangement, to meet the Administrative Agent’s costs of performing the Administrative Agent’s functions described in this Memorandum of Understanding.

7. Where the Administrative Agent is also a Participating UN Organization, a clear delineation, including distinct reporting lines and an accountability framework, will be established and maintained within the organization designated as the Administrative Agent between its functions as an Administrative Agent and its functions as a Participating UN Organization.

## **Section II** **Financial Matters**

### **The Administrative Agent**

1. The Administrative Agent will establish a separate ledger account under its financial regulations and rules for the receipt and administration of the funds received pursuant to Administrative Arrangement (hereinafter, the “Fund Account”). The Fund Account will be administered by the Administrative Agent in accordance with the regulations, rules, directives and procedures applicable to it, including those relating to interest. The Fund Account will be subject exclusively to the internal and external auditing procedures laid down in the financial regulations, rules, directives and procedures applicable to the Administrative Agent.

2. The Administrative Agent will not absorb gains or losses on currency exchanges which will increase or decrease the funds available for disbursements to Participating UN Organizations.
3. Subject to the availability of funds, the Administrative Agent will make disbursements from the Fund Account based on instructions from the Steering Committee, in line with the budget set forth in the programmatic document, as amended from time to time by the Steering Committee. The disbursements will consist of direct and indirect costs as set out in the budget.
4. The Administrative Agent will normally make each disbursement within three (3) to five (5) business days after receipt of the relevant approved programmatic document, in accordance with the instructions received from the Steering Committee in line with the TOR, along with a copy of the relevant approved programmatic document, signed by all the parties concerned. The Administrative Agent will transfer funds to each Participating UN Organization through wire transfer. Each Participating UN Organization will advise the Administrative Agent in writing of the bank account for transfers pursuant to this Memorandum of Understanding. When making a transfer to a Participating UN Organization, the Administrative Agent will notify that Participating UN Organization's Treasury Operations of the following: (a) the amount transferred, (b) the value date of the transfer; and (c) that the transfer is from the United Nations Development Programme in respect of the Libya Recovery Trust Fund pursuant to this Memorandum of Understanding.
5. Where the balance in the Fund Account on the date of a scheduled disbursement is insufficient to make that disbursement, the Administrative Agent will consult with the Steering Committee and make a disbursement, if any, in accordance with the Steering Committee's instructions.

#### The Participating UN Organizations

6. Each Participating UN Organization will establish a separate ledger account under its financial regulations and rules for the receipt and administration of the funds disbursed to it by the Administrative Agent from the Fund Account. That separate ledger account will be administered by each Participating UN Organization in accordance with its own regulations, rules, directives and procedures, including those relating to interest. That separate ledger account will be subject exclusively to the internal and external auditing procedures laid down in the financial regulations, rules, directives and procedures applicable to the Participating UN Organization concerned.
7. Each Participating UN Organization will use the funds disbursed to it by the Administrative Agent from the Fund Account to carry out the activities for which it is responsible as set out in the approved programmatic document, as well as for its indirect costs. The Participating UN Organizations will commence and continue to conduct operations for the programmatic activities only upon receipt of disbursements as instructed by the Steering Committee. The Participating UN Organizations will not make any commitments above the approved budget in the approved programmatic document, as amended from time to time by the Steering Committee. If there is a need to exceed the

budgeted amount, the Participating UN Organization concerned will submit a supplementary budget request to the Steering Committee.

8. Indirect costs of the Participating UN Organizations recovered through programme support costs will be 7%. In accordance with the UN General Assembly resolution 62/208 (2007 Triennial Comprehensive Policy Review principle of full cost recovery), all other costs incurred by each Participating UN Organization in carrying out the activities for which it is responsible under the Fund will be recovered as direct costs.

### **Section III** **Activities of the Participating UN Organizations**

1. The implementation of the programmatic activities will be the responsibility of the Participating UN Organizations and will be carried out by each Participating UN Organization in accordance with its applicable regulations, rules, directives and procedures. On the termination or expiration of this Memorandum of Understanding, the matter of ownership of supplies and equipment will be determined in accordance with the regulations, rules, directives and procedures applicable to such Participating UN Organizations, including, where applicable, any agreement with the National Transitional Council.

2. Any modifications to scope of the approved programmatic document, including as to their nature, content, sequencing or the duration thereof will be subject to mutual agreement in writing between the relevant Participating UN Organization and the Steering Committee. The Participating UN Organization will promptly notify the Administrative Agent through the Steering Committee, of any change in the budget as set out in the programmatic document.

3. Where a Participating UN Organization wishes to carry out its programmatic activities through or in collaboration with a third party, it will be responsible for discharging all commitments and obligations with such third parties, and no other Participating UN Organization, nor the Administrative Agent, will be responsible for doing so.

4. In carrying out their programmatic activities, none of the Participating UN Organizations will be considered as an agent of any of the others and, thus, the personnel of one will not be considered as staff members, personnel or agents of any of the others. Without restricting the generality of the preceding sentence, none of the Participating UN Organizations will be liable for the acts or omissions of the other Participating UN Organizations or their personnel, or of persons performing services on their behalf.

5. Each Participating UN Organization will advise the Administrative Agent in writing when all activities for which it is responsible under the approved programmatic document have been completed.

6. The Participating UN Organizations recognize that the donors reserve the right to discontinue future contributions if reporting obligations are not met as set forth in the Administrative Arrangement; or if there are substantial deviations from agreed plans and

budgets. If it is agreed among the donor(s), the Administrative Agent and the concerned Participating UN Organization under the Administrative Arrangement that there is evidence of improper use of funds, the Participating UN Organization will use its best efforts, consistent with its regulations, rules, policies and procedures to recover any funds misused. The Participating UN Organization will, in consultation with the Steering Committee and the Administrative Agent, credit any funds so recovered to the Fund Account or agree with the Steering Committee to use these funds for a purpose mutually agreed upon. Before withholding future contributions or requesting recovery of funds and credit to the Fund Account, the Administrative Agent, the concerned Participating UN Organization and the donor will consult with a view to promptly resolving the matter.

7. The Participating UN Organizations recognize that it is important to take all necessary precautions to avoid corrupt, fraudulent, collusive or coercive practices. To this end, each Participating UN Organization will maintain standards of conduct that govern the performance of their staff, including the prohibition of corrupt, fraudulent, collusive or coercive practices, in connection with the award and administration of contracts, grants, or other benefits, as set forth in their Staff Regulations and Rules and Financial Regulations and Rules, including regarding procurement. In the event that a Participating UN Organization determines that an allegation in relation to the implementation of activities – including that corrupt, fraudulent, collusive or coercive practices may have taken place – is credible enough to warrant an investigation, it will promptly notify the Steering Committee and the Administrative Agent, to the extent that such notification does not jeopardize the conduct of the investigation. The allegation will be dealt with in accordance with the Participating UN Organization’s accountability and oversight framework and by the Participating UN Organization’s unit in charge of investigations. Upon completion of the investigation, the Participating UN Organization will inform the Steering Committee and the Administrative Agent about the results of the investigation.

8. As an exceptional measure, particularly during the start up phase of the Fund, subject to conformity with their financial regulations, rules and directives, Participating UN Organizations may elect to start implementation of programmatic activities in advance of receipt of initial or subsequent transfers from the Fund Account by using their own resources. Such advance activities will be undertaken in agreement with the Steering Committee on the basis of funds it has allocated or approved for implementation by the particular Participating UN Organization following receipt by the Administrative Agent of an official commitment form or signature of the Administrative Arrangements by donors contributing to the Fund. Participating UN Organizations will be solely responsible for decisions to initiate such advance activities or other activities outside the parameters set forth above.

#### **Section IV** **Reporting**

1. Each Participating UN Organization will provide the Administrative Agent with the following statements and reports prepared in accordance with the accounting and reporting procedures applicable to the Participating UN Organization concerned, as set forth in the TOR.   - (d) Certified final financial statements and final financial reports after the completion of the activities in the approved programmatic document and including the final year of the activities in the approved programmatic document, to be provided no later than six months (30 June) of the year following the financial closing of the Fund.
2. The Administrative Agent will prepare consolidated narrative progress and financial reports, based on the reports referred to in paragraph 1 (a) to (d) above, and will provide those consolidated reports to each donor that has contributed to the Fund Account, as well as the Steering Committee, in accordance with the timetable established in the Administrative Arrangement.
3. The Administrative Agent will also provide the donors, Steering Committee and Participating UN Organizations with the following statements on its activities as Administrative Agent:

In the event of such termination, the Participants will agree on measures to bring all activities to an orderly and prompt conclusion so as to minimize costs and expense.
