

Support Communication, outreach and awareness raising	X	X	X		X	X	X	X	DMC/NDRSC/NBRO/MoH	10,000
Facilitate cross knowledge sharing through national-international forums on climate and risk sensitive planning and policy development			X	X		X	X		PMU-MFEPD, MoD/DMC	7,500

**Output 1.1.2: Government institutions and systems at the national and sub-national level are strengthened to deliver universal Sexual and Reproductive Health Rights (SRHR) and integrated gender-based violence prevention and response systems**

<b>UNFPA</b>	Provide technical support and equipment to engage in remote referral and counselling and mapping of relevant SGBV prevention and response actors/ services providers and developing standard operating procedures for addressing GBV in Emergency affected areas including referral and reporting mechanisms, information sharing, coordination and monitoring/evaluation.	X	X	X		X	X		DMC Ministry of Women and Child Affaires and Social Security Ministry of Disaster Management NDRC Regional Directors of Health Services, MOH District secretariats Civil Society organizations	41,541.66
	Conduct capacity building programmes at all levels and across all sectors of interventions to effectively address SRHR and SGBV during emergencies			X		X				26,235.83
	Provide technical support to review and integrate SGBV and SRHR in disaster risk reduction plans and systems				X	X	X	X	DMC Ministry of Women and Child Affaires and Social Security Ministry of Disaster Management NDRC Regional Directors of Health Services, MOH District secretariats Civil Society organizations	5,139.16

**1.1.3 National and sub-national authorities involved in disaster management have the knowledge and skills to conduct hazard specific contingency planning with special attention on women, children and the most vulnerable population**

WFP	Support the development and promotion of the use of divisional scenario-based contingency planning for humanitarian responses – in divisions vulnerable to climate change risks such as floods, drought, landslides, cyclones and wildfires. Contingency plans will be developed taking into consideration relevant aggravating factors, including the COVID-19 pandemic management.	X	X	X	X	X	X	X		NDRSC NBRO DoM DoI MoH		28,546.66
	Develop guidelines for contingency planning for public administrative agencies and support the implementation		X	X	X			X		Ministry of Defense DMC NDRSC MoH		51,666.66
	Facilitate stakeholder awareness sessions and consultations on emergency planning process, including school community, youth, private sector, civil societies and NGOs at divisional level		X	X	X	X		X		NDRSC District Secretariat/Div. Secretariat		12,666.66
	Coordinate simulation exercises to test the contingency plans with relevant stakeholders, and school community		X	X		X		X	X	DMC/NDRSC/Min. Public Administration		9,620

**Output 1.1.4: Horizontal and vertical expansion<sup>1</sup> of current social safety net schemes to become more shock-responsive to address essential needs of the most vulnerable amongst disaster impacted populations**

WFP	Support the government to strengthen the current social protection system, including by enabling the adaptation of the information management system and building upon WFP tools and technical experience in this field		X	X	X	X	X	X		PMU-MFEPD, DSD/DMC/NDRSC/ Pub Admin Ministry		10,000
	Train sub-national level staff on the use of digital devices for registration, updating and validation of records	X	X	X	X	X	X	X		PMU-MFEPD, DSD/DMC/NDRSC/ Pub Admin Ministry		22,500

	using beneficiary and transfer management platform

**Outcome 1.2 Children and adolescents demonstrate improved understanding of and the skills to mitigate disaster-related risks affecting their lives by engaging meaningfully in disaster preparedness and response in the four provinces**

**Output 1.2.1 Children and adolescents have the skills and knowledge to contribute to the design and implementation of disaster risk reduction, emergency response preparedness including health emergencies and climate change adaptation initiatives.**

UNICEF	Conduct risk communication and behavior change (hygiene management, maintaining physical distancing etc.) communication campaigns focusing on COVID-19 and children, including the development of relevant IEC material for children	x	x	x	x					Department of Probation and Child Care Services (DPCCS), Ministry of Women and Child Affairs (MoWCA) Ministry of Health	Training/Workshop costs Transfers to counterparts Supplies, Commodities and Materials Travel Contractual services	11,500
	Train members of targeted Children's Clubs on child centered risk assessments and risk reduction planning COVID-19 and natural disasters, and Child Protection in Emergencies, particularly, their right to protection and security from violence, abuse, exploitation and neglect.		X	x	x		x			DPCCS DMC (District)		13,320
	Train adolescents in the targeted Children's Clubs on: o Emergency response activities that they can support, specifically related to child-friendly camp management and managing childfriendly spaces in support of the Child Rights Promoting Officers; and					x	x	x	x		DPCCS and District/Divisional level officials Disaster Management Center (DMC) at national and district levels	

	<ul style="list-style-type: none"> <li>o Early warning communication, including monitoring the situation, receipt and dissemination of early warnings and the provision of necessary monitoring equipment to Children's Clubs (rain gauges etc.)</li> <li>o Engagement of children in risk communication and community awareness on COVID-19 to their families and communities</li> </ul>											
	Mobilize children and adolescents in the same Children's Clubs to create community/household awareness on food security and nutrition to strengthen household coping capacities and reduce food insecurity caused by prolonged and recurrent shocks.					X	x	x		DPPCS in collaboration with WFP		10,750
	Facilitate the participation of children and youth through children's and youth clubs in the districts to the contingency planning process.				X	x	x	x	x	DPPCS in collaboration with WFP		10,750
	Network children's clubs in targeted districts through a digital platform to learn and share best practices in disaster risk reduction, emergency response preparedness and climate change adaptation initiatives and education on facing health-emergency situations.			X	x	x	x	x	x	DPPCS		8,269.16
	Introduce a green week and engage the community to promote disaster risk reduction, emergency response preparedness and climate change adaptation initiatives at divisional level.				X	x	x	x	x	DPPCS		7,378
<b>Output 1.2.2.</b> <i>Children and adolescents have increased opportunities to participate in sub-national disaster preparedness mechanisms and in designing related knowledge products in the four targeted provinces.</i>												
<b>UNICEF</b>	Build capacity of district and divisional level officials on mainstreaming Child		X	x	x					DPPCS, DMC, I/NGOs	Training/Workshop costs Transfers to counterparts	11,770

Centered-DRR into development planning and emergency response preparedness.											Supplies, Commodities and Materials Travel Contractual services	
Establish linkages between Divisional Children's Councils and Divisional Disaster Management Coordination Committees to ensure recommendations from children and adolescents are included in and implemented as part of the annual Divisional Development Plans.					X	x	x	x		DPCCS, DMC, I/NGOs, Divisional Secretariat		14,024
Engage children and adolescents through selected children's clubs in high disaster-prone Grama Niladhari Divisions in child-centered risk assessments and DRR planning and making recommendations for risk mitigation projects to the Divisional Children's Council.	X	x	x	x	x					DPCCS, DMC, I/NGOs		12,417
Support the implementation of priority risk mitigation projects through the Divisional Children's Councils in consultation and negotiation with the Divisional Secretary.							X	x		DPCCS, DMC, I/NGOs, Divisional Secretariat		20,977
Introduce the climate-smart village concept (living with disasters/pandemic concept) and promote this concept through all community level mechanisms, including children's clubs, youth clubs, village child development committees and local government.	X	x	x	x	x	x	x	x		DPCCS, DMC, Climate Change Secretariat		13,167

**Objective 2** To improve the use of risk-informed programme planning and budgeting processes to strengthen community and sectoral resilience against climate-related hazards and increased climate variability

**Outcome 2.1** Sub-national level authorities have the capacity for risk informed programming through mainstreaming of disaster risk reduction and climate risk management into their planning

**Output 2.1.1 Strengthened local government capacity to effectively develop risk analysis considering exposure and vulnerability to various climate-related hazards, including health emergencies, and multi-sectoral impact analysis, as well as risk-informed theories of change for strategic planning and budgeting for local development**

UNICEF												
Build capacity of sub-national level government entities on evidence-based risk informed programme planning and budgeting.		X			x	x	x	x	Climate Change Secretariat, Ministry of Urban Development, Water Supply & Housing Facilities	Training/Workshop costs Transfers to counterparts Supplies, Commodities and Materials Travel	18,862	
Mainstream climate and disaster risk reduction into provincial development planning with a view to strengthen resilience.		x	x	x	x				Climate Change Secretariat, Ministry of Urban Development, Water Supply & Housing Facilities, Provincial and local government authorities	Contractual services	23,333	
Strengthen participatory consultative platforms to engage communities, especially women, children, adolescents and youth, around local planning and budgeting for climate change adaptation and development.			X	x	x	x	x	x	Climate Change Secretariat, Ministry of Urban Development, Water Supply & Housing Facilities, Local Governments, I/NGOs		11,583	
Provide technical assistance to enhance the capacity of local government staff on risk sensitive planning and internalizing “build back better” concept in COVID-19 response and emergency response interventions relevant to water, sanitation and hygiene (WASH).	X	x	x	x	x	x	x	x	Climate Change Secretariat, Ministry of Urban Development, Water Supply & Housing Facilities, Local Governments, I/NGOs		11,583	
Create awareness (using existing online platforms, social networks) and mobilize youth and children as change agents via youth clubs and children’s clubs on re-forestation as a means of conservation of biodiversity and reducing emissions.		X	x	x	x	x	x	x	Climate Change Secretariat, Ministry of Urban Development, Water Supply & Housing Facilities		11,179	
Advocate for the Sri Lanka Children’s Charter on DRR and CCA, which was developed in phase I, to be incorporated into the government’s Nationally Determined Contributions (NDC) under the Paris Agreement		x	x	x	x	x	x	x	DPCCS		11,190	

**Output 2.1.2: Strengthened capacities of local government and local communities/community-based water committees (CBOs) in better planning and management of community managed water schemes to ensure drinking water supply in rural areas, particularly in disaster prone areas to build resilience against the adverse effects of climate change**

UNICEF	Review the supportive bi-laws at provincial and local government (pradeshya sabha, municipal councils etc.) levels and policies relevant to drinking water management at local levels and capacitate local authorities for better drinking water management planning		x	x	x	x	x			Local Government Authorities Ministry of Urban Development, Water Supply & Housing Facilities Department of Rural Water Supply CBOs	Training/Workshop costs Transfers to counterparts Supplies, Commodities and Materials Travel Contractual services	20,833
	Provide technical support to the local government authorities to develop provincial level action plans and monitoring mechanisms for better management of drinking water sources and strengthen implementation of local policies to protect water sources		x	x	x	x	x	x	x	Local Government Authorities Ministry of Urban Development, Water Supply & Housing Facilities Department of Rural Water Supply CBOs		18,542
	Provide technical support to local government authorities in integrating climate change in water-related provincial action plans, strategies and development programmes at subnational levels.	x	x	x	x	x	x	x	x	Local Government Authorities Ministry of Urban Development, Water Supply & Housing Facilities Department of Rural Water Supply CBOs		22,417
	Develop and implement innovative models and structures for climate resilient water management, such as Managed Aquifer Recharge (MAR) for ground water recharging and rainwater harvesting at domestic and community levels together with local government and community members				x	x	x	x	x	Local Government Authorities Ministry of Urban Development, Water Supply & Housing Facilities Department of Rural Water Supply CBOs		32,625
	Develop climate resilient water safety and security plans for rural community-managed water schemes and communities together with local government entities, Department of Rural Water Supply under the Ministry of Water Supply and CBOs		x	x	x	x	x	x	x	Local Government Authorities Ministry of Urban Development, Water Supply & Housing Facilities Department of Rural Water Supply CBOs		19,833

	<p>Enhance public awareness around water conservation and usage through locally appropriate modes of communication and develop monitoring mechanisms for behavior change, including engagement of children's clubs, youth clubs and women's groups</p>	x	x	x	x	x	x	x	x	<p>Local Government Authorities  Ministry of Urban Development, Water Supply &amp; Housing Facilities  Department of Rural Water Supply CBOs</p>		<p><b>12,730</b></p>
