and that international actors have had limited impact in reducing violence and increasing levels of security. As part of the no-cost extension we plan to reallocate funding from consultant costs and travel costs to staff costs, totalling \$22,500, due to additional work associated with the project for PD staff. Note: If this is an amendment, show any changes to the project document in RED colour or in TRACKED CHANGES, ensuring a new result framework and budget tables are included with clearly visible changes. Any parts of the document which are not affected, should remain the same. New project signatures are required.
