

ANNEX D - Revised budget, Joint SDG Fund (March 2021)

In line with current best UNSDG practices, the Secretariat's total costs for 2018-2022 (\$8,356,156) equal the 3% of the total resources mobilized (including pledges) to date US\$ 290,780,950 as of March 2021). This percentage is expected to reduce as the Fund gets further capitalized.

The only difference between the revised budget (below) and the budget endorsed on June 2020 (attached) is the reclassification of the Head of the Fund Secretariat from a P5 to a D1-level position as approved by the Fund's Operational Steering Committee through e-consultation in February 2021.
