Name of Country	Solomon Islands		
Title of Joint Programme	National Provincial Government Strengthening Programme (PGSP)		
Project Number	00060824		
Area/Theme/	Governance/Local Governance/Decentralization/Structures and Systems		
Brief Description of the Joint Programme	PGSP is a program of the Government of the Solomon Islands that aims to develop the capacity of provincial governments to deliver services and promote local development. It will focus on building their capacity in public expenditure management (PEM), so that they are able to program, produce and execute credible budgets. To provide incentives for the adoption of improved governance, PGSP will set up a 'Provincial Capacity Development Fund', to provide discretionary resources for development spending. PGSP will also focus on building the capacity of the central administration to effectively support and supervise the performance.
