

Annex B: Project Results Framework

Outcomes	Outputs	Indicators	Means of Verification/ frequency of collection	Indicator milestones
Outcome 1 Young women and men from different geographic, ethnic, religious and socioeconomic backgrounds are empowered within their communities, and pro-actively and collectively contribute to peacebuilding solutions addressing youth concerns wat local, sub-national, and national levels.		Outcome indicator 1a Number of camp participants and young women and men who learned how to voice their peace and security, needs, concerns and priorities and who collectively articulate their peace and security concerns Disaggregated by: location/community, gender and age Baseline: not measured Target: 700 camp participants and 80 initiative groups' members	-Mini perception surveys -Outcome monitoring forms -Testimonies - Pre- and post-tests - Activity Reports	12 Months: 700 camp participants (54% out of all camp participants) 80 initiative group participants
		Outcome indicator 1b Number of young people who contributed to address youth security issues (because they selected very complex issues, solution of which would require time, capacity and resources both at the local and some of it at the national level, eg migration of youth which would require increased employment opportunities linked with country/regional economy). Disaggregated by: location/community, gender and age Baseline: not measured Target: 80 young project participants	- Activity reports - Outcome monitoring forms - Testimonies - Final evaluation -Baseline, mid-line and end-line surveys - Narrative reports after the completion of the youth-led initiatives	18 Months: 80 young project participants participated in the development, and implementation of the youth-led initiatives addressing the youth concerns.
	Output 1.1 Youth (age 14-25) have improved their understanding of peace and security issues, and increased their connections with each other	Output Indicator 1.1.1 Number and percentage of youth participants (age 14-25) from 10 communities report having increased knowledge and skills on peace and	- Self-assessments - Outcome monitoring forms	6 months: 1024 / 80% (out of 1280 youth participants with at least 50% young women)

	<p>List of activities under this Output:</p> <p>Activity 1.1.1.1: 900 school-age youth (age 14-17) from 10 selected communities participate in 10 democracy camps</p> <p>Activity 1.1.1.2: 200 youth (age 17-25) participate in 4 workshops on peace, security, democracy, inclusion, advocacy and conflict and gender sensitivity</p> <p>Activity 1.1.2.1: Adapt WhatsApp peacebuilding course content (including peace concepts, peacebuilding approaches and tools, gender and conflict analysis/sensitivity, community needs assessment, problem identification, identifying and mitigating against risks, goal setting and action planning, ToT) and develop delivery strategy for Kyrgyzstan context</p> <p>Activity 1.1.2.2: 180 youth (age 17-25) from remote communities who are unable to attend other trainings participate in WhatsApp peacebuilding course</p>	<p>security issues as a result of the training provided through the project</p> <p>Disaggregated by: location/community, gender, age and training topic</p> <p>Baseline: not measured Target: 1024 / 80% (out of 1280 youth participants with at least 50% young women)</p>		
	<p>Output Indicator 1.1.2</p> <p>Number and percentage of WhatsApp course participants who network across geographic and other divides</p> <p>Disaggregated by: location/community, gender and age</p> <p>Baseline: not measured Target: 100 / 60% (out of 165 participants in 10 communities with at least 50% young women)</p>	<p>- Online survey mechanism for WhatsApp course participants</p> <p>- Outcome monitoring forms</p> <p>- Final evaluation</p>	<p>12 Months:</p> <p>100 60% young people (out of 165 participants in 10 communities with at least 50% young women)</p>	
<p>Output 1.2</p> <p>Youth (age 14-25) engage with other youth to identify and address peace and security issues affecting them at community and national policy levels</p> <p>List of activities under this Output:</p> <p>Activity 1.2.1.1 80 youth who complete the training (activities 1.1.1.1 and 1.1.1.2) are selected to form 10 Initiative Groups (IGs) and facilitate 10 Youth Safe Spaces used by local youth to discuss peace and security issues affecting them</p>	<p>Output Indicator 1.2.1</p> <p>Number and percentage of youth participants who feel able to discussed sensitive peace and security related issues with their peers and wider communities, including WhatsApp course participants</p> <p>Baseline: not measured Target: 400 80%(out of 500 young women and men in 10 communities and WhatsApp graduates with at least 50% young women)</p>	<p>- Outcome monitoring forms</p> <p>- Reports</p> <p>- Online survey mechanism for WhatsApp course participants</p> <p>- Final evaluation</p> <p>-Operational plans of IGs</p> <p>- CSAs (participatory youth-led researches)</p>	<p>12 Months:</p> <p>400 80%(out of 500 young men and women in 10 communities and WhatsApp graduates with at least 50% young women)</p>	

	<p>Activity 1.2.1.2 80 IG members participate in Youth Safe Space Facilitation & Debate Workshops</p> <p>Activity 1.2.1.3 IG members organise 10 local debates in 10 communities (one debate in each community) on youth participation in decision-making for peace and security, engaging at least 500 youth participants</p> <p>Activity 1.2.1.4 IG members facilitate Youth Safe Space meetings across 10 communities</p> <p>Activity 1.2.1.5. 80 IG members are trained in Community Security Assessment (CSA) methodology</p> <p>Activity 1.2.1.6 80 IG members conduct 10 CSAs (one CSA in each community), engaging youth project participants and other youth, to inform development of youth-led initiatives</p> <p>Activity 1.2.1.7 WhatsApp peacebuilding course graduates share learning from the WhatsApp course and lead on local-level peace initiatives, with other youth in their communities</p>	<p>Output Indicator 1.2.2</p> <p>Number of peacebuilding initiatives/ideas raised and discussed with peers by young participants (IG, and WhatsApp graduates)</p> <p>Baseline: not measured Target: 90 (at least 50% of them are women)</p>	<ul style="list-style-type: none"> - Activity reports - Photos - Outcome monitoring forms - Mid-line and end-line survey - Operational plans of IGs - Online survey mechanism for WhatsApp course participants 	<p>18 Months:</p> <p>90 (at least 50% of them are women)</p>

<p>Outcome 2:</p> <p>Youth Leaders (YLS) (comprising 80 IG members and 20 semi-formal Youth Committee representatives) facilitate inclusive peacebuilding processes at local, sub-national and national levels, advocate for youth peace and security needs to be addressed by authorities, and ensure meaningful participation of youth in relevant policy processes</p>	<p>Outcome Indicator 2a</p> <p>Number of all trained youth participants (at least 50% young women) who reported that they contributed to address peace and security concerns.</p> <p>Disaggregated by: location/community, gender</p> <p>Baseline: not measured Target: 1000 / 78% (out of 1280 youth participants, at least 50% young women)</p>	<ul style="list-style-type: none"> - Outcome monitoring forms - Activity reports - Mid-line and end-line surveys - Final evaluation 	<p>18 Months:</p> <p>1024 / 80% (at least 50% young women)</p>
	<p>Outcome Indicator 2b</p> <p>Number and percentage of YLS who report that local, sub-national and/or national level authorities have invited/engaged them in decision-making processes (by participation in decision-making processes we mean consultation and raising awareness)</p> <p>Disaggregated by: location/community, gender and age</p> <p>Baseline: not measured Target: 60 / 60% (out of 100 YLS with at least 50% young women)</p>	<ul style="list-style-type: none"> - Activity reports - Photos - Outcome monitoring forms 	<p>18 Months:</p> <p>60 / 60% (out of 100 YLS with at least 50% young women)</p>
	<p>Outcome Indicator 2c</p> <p>Number and percentage of YLS who report authorities have been responsive and supportive to their advocacy messaging, specifically with regards to recommendations for the SDG16+ progress report on Kyrgyzstan's commitments to peace, security, gender, and inclusion; and solving the youth issues</p> <p>Disaggregated by: location/community, gender and age</p>	<ul style="list-style-type: none"> - Activity reports - Photos - Outcome monitoring forms 	<p>18 Months:</p> <p>60 / 60% (out of 100 YLS with at least 50% young women)</p>

		<p>Baseline: not measured Target: 60 / 60% (out of 100 YLs with at least 50% young women)</p>		
	<p>Output 2.1</p> <p>YLs have increased understanding of peace and security issues, democracy, inclusion, conflict and gender sensitivity, methodologies to develop community peace initiatives and on skills to connect youth and to advocate with authorities on these issues</p> <p>List of activities under this Output:</p> <p>Activity 2.1.1.1 20 Youth Committee representatives participate in 1 workshop on peace, security, democracy and inclusion</p> <p>Activity 2.1.1.2 100 YLs participate in advocacy training and planning workshops</p>	<p>Output Indicator 2.1.1</p> <p>Number and percentage of trained YLs who report having increased knowledge of peace, security, democracy, inclusion, conflict and gender sensitivity, methodologies to develop community peace initiatives and skills to connect youth and to advocate with authorities on these issues</p> <p>Disaggregated by: location/community, gender, age and training topic</p> <p>Baseline: not measured Target: 90 / 90% (out of 100, at least 50% young women)</p>	<p>- Pre- and post-training questionnaires</p>	<p>18 Months:</p> <p>90 / 90% (out of 100, at least 50% young women)</p>
	<p>Output 2.2</p> <p>YLs collectively address the identified peace and security needs through community peace initiatives and advocacy campaigns</p> <p>List of activities under this Output:</p> <p>Activity 2.2.1.1 YLs organise 10 community talks (1 talk in each community) on peace and security issues affecting young women and men</p> <p>Activity 2.2.1.2 YLs develop and implement youth-led community peace initiatives</p> <p>Activity 2.2.1.3 YLs develop and implement youth-led advocacy campaigns</p>	<p>Output Indicator 2.2.1</p> <p>Number and quality of community talks, community peace initiatives and advocacy campaigns developed and implemented</p> <p>Baseline: not measured Target: 10 community talks</p> <p>Baseline: not measured Target: 10 community peace initiatives</p> <p>Baseline: not measured Target: 14 advocacy campaigns (10 at community and 4 at sub-national level)</p>	<p>- Peace initiative plans - Activity reports - Photos - Outcome monitoring forms - Advocacy plans - Meeting reports - Testimonies</p>	<p>6 months:</p> <p>10 community talks</p> <p>12 Months:</p> <p>10 community peace initiatives and 10 community-level advocacy campaigns</p> <p>18 Months:</p> <p>Four sub-national level advocacy campaigns</p>

	<p>Output 2.3</p> <p>30 selected YLs facilitated action-oriented research on progress towards SDG16+ aimed at policy change and use findings for national- and international-level advocacy</p> <p>Activity 2.3.1.1 30 YLs participate in 1 workshop on SDG16+ and action-oriented research methodology</p> <p>Activity 2.3.1.2. YLs lead on data collection, analyses, and report development and validation</p> <p>Activity 2.3.1.3 YLs coordinate 1 national-level sharing and learning event on the SDG16+ findings</p> <p>Activity 2.3.2.1 YLs present the report to national and international policy-makers through a series of meetings in Bishkek (and through the official reporting process of the Kyrgyzstan government to the High-Level Political Forum at the UN) and disseminate the report widely.</p>	<p>Output indicator 2.3.1</p> <p>Number and percentage of youth women and men (with at least 50% young women) who contributed to the SDG16+ progress report</p> <p>Baseline: not measured Target: 100 young people (with at least 50% young women)</p>	-Activity reports	<p>18 Months:</p> <p>100 young women and men (at least 50% young women)</p>
		<p>Output indicator 2.3.2</p> <p>Number and percentage of authority representatives who provide constructive feedback on the SDG16+ progress</p> <p>Baseline: not measured Target: 10 local-level authority representatives Target: 4 sub-national level authority representatives Target: 3 national-level authorities</p>	-Meeting minutes - Final evaluation - End-line survey	<p>18 Months:</p> <p>10 / 4 / 3</p>
<p>Outcome 3:</p> <p>Local and national authorities recognise young women and young men as key actors, participate in youth-led activities, include them in dialogue and decision-making processes around peace and security, and take steps, including through the provision of funding, to address their specific concerns and needs</p>		<p>Outcome Indicator 3a</p> <p>Number and percentage of trained local, sub-national and national authority representatives who understand that young women and men have specific peace and security concerns and needs and recognise them as key actors in peacebuilding solutions</p> <p>Disaggregated by: location, gender and type of participant (local, sub-national, national level authority)</p> <p>Baseline: not measured Target: 21 / 70% (out of 30 participants)</p>	-Outcome monitoring forms - Final evaluation - Mid-line and End-line surveys	<p>12 Months:</p> <p>21 / 70% (out of 30 participants)</p>

		<p>Outcome Indicator 3b</p> <p>Number and description of authorities who attended the youth-led initiatives</p> <p>Baseline: not measured Target: 50 local-level authority representatives</p>	<ul style="list-style-type: none"> - Attendance sheets - Activity reports - Photos 	<p>12 Months:</p> <p>50</p>
		<p>Outcome Indicator 3c</p> <p>Number of authorities who inform and consult youth and collect their ideas for youth action plan of the official youth specialist to be advocated and integrated into local development plans.</p> <hr/> <p>Disaggregated by: location, gender and type of participant (local, sub-national, national level authority)</p> <p>Baseline: not measured Target: 6 / 20% (out of 30 participants)</p>	<ul style="list-style-type: none"> - Activity reports - Photos - End-line survey - Outcome forms 	<p>12 Months:</p> <p>6 / 20% (out of 30 participants)</p>
		<p>Outcome indicator 3d</p> <p>Number and percentage of engaged local and sub-national level authority representatives who take steps to address peace and security issues which YLs brought to their attention in advocacy campaigns/events and support peace initiatives in different ways (possibly through funding)</p> <p>Disaggregated by: location, gender and type/level of authority.</p> <p>Baseline: not measured Target: 6 / 20% (out of 30 local authority representatives)</p>	<ul style="list-style-type: none"> -Activity reports - Photos - Outcome monitoring forms - Final evaluation - End-line survey 	<p>18 Months:</p> <p>6 / 20% (out of 30 local authority representatives)</p>

	<p>Output 3.1</p> <p>30 Local Self-Governance (LSG) representatives in 10 communities (3 per community) participate in a training on the national and international youth policy frameworks, peace and security issues affecting young people and the mechanisms for involving young people in related dialogue and decision-making processes</p> <p>List of activities under this Output:</p> <p>Activity 3.1.1.1 30 LSG representatives participate in training on youth inclusion</p>	<p>Output Indicator 3.1.1</p> <p>Number and percentage of trained LSG representatives who report having increased knowledge of peace and security issues affecting young people and skills to involve them in dialogue and decision-making processes</p> <p>Disaggregated by: location, gender and type of participant (local, sub-national, national level authority)</p> <p>Baseline: not measured Target: 27 / 90% (out of 30 participants)</p>	<ul style="list-style-type: none"> - Attendance sheets - Agenda - Pre- and post-training questionnaires - Activity reports - Photos - Outcome monitoring forms 	<p>Six Months:</p> <p>27 / 90% (out of 30 participants)</p>
	<p>Output 3.2</p> <p>LSG representatives in 10 communities organised events (at least one per community) to dialogue with youth on issues related to their peace and security concerns and needs</p> <p>List of activities under this Output:</p> <p>Activity 3.2.1.1 LSG representatives organised 10 youth inclusion events</p>	<p>Output Indicator 3.2.1</p> <p>Number of inclusive dialogue initiatives organised and facilitated by trained authority representatives.</p> <p>Baseline: not measured Target: 10</p>	<ul style="list-style-type: none"> - Attendance sheets - Activity reports - Photos - Social media evidencing 	<p>12 Months:</p> <p>10</p>
	<p>Output 3.3</p> <p>LSG representatives in 10 communities developed funding requests and encouraged their respective local authorities to fund youth initiatives (at least one per community) responding to young women and men's concerns and needs.</p> <p>List of activities under this Output:</p> <p>Activity 3.3.3.1 LSG representatives, supported by Saferworld, develop and submit funding requests for youth initiatives</p>	<p>Output Indicator 3.3.1</p> <p>Number of funding requests submitted to local government by trained LSG representatives for youth-inclusive peace and security initiatives.</p> <p>Baseline: not measured Target: 10</p>	<ul style="list-style-type: none"> - Meeting minutes - Official requests/ letters to the local authorities (local Kenesh, i.e., local parliaments) 	<p>18 Months:</p> <p>10</p>
