4. The Administrative Agent will normally make each disbursement within five (5) business days after receipt of the relevant approved programmatic document, in accordance with the decision of the Steering Committee, in line with the TOR, along with a copy of the relevant approved programmatic document, signed by all the parties concerned. The Administrative Agent will transfer the funds to each Recipient UN Organization through wire transfer. Each Recipient UN Organization will advise the Administrative Agent in writing of the bank account for transfer pursuant to this MOU. The Recipient UN Organizations

6. Each Recipient UN Organization will establish a separate ledger account under its financial regulations and rules for the receipt and administration of the funds disbursed to it by the Administrative Agent from the Fund Account. That separate ledger account will be administered by each Recipient UN Organization in accordance with its own regulations, rules, policies and procedures, including those relating to interest.

7. Each Recipient UN Organization will use the funds disbursed by the Administrative Agent from the Fund Account to carry out the activities for which it is responsible as set out in the approved programmatic document, as well as for its indirect costs. The Recipient UN Organizations will commence and continue to conduct operations for the Fund activities only upon receipt of disbursements made by the Administrative Agent in accordance with Section II, paragraph 3 above. (Section VIII of the Administrative Arrangement); provided however that before doing so, the Administrative Agent, UNDP and the donor will consult with a view to promptly resolving the matter.

9. Indirect costs of the Recipient UN Organizations recovered through programme support costs will be seven percent (7%). All other costs incurred by each Recipient UN Organization in carrying out the activities for which it is responsible under the Fund will be recovered as direct costs.

Section III
Activities of the Recipient UN Organizations

Implementation of the Fund

1. The implementation of the programmatic activities will be the responsibility of the Recipient UN Organizations and will be carried out by each Recipient UN Organization in accordance with its own applicable regulations, rules, policies and procedures including those relating to procurement as well as the selection and assessment of implementing partners. Accordingly, personnel will be engaged and administered, equipment, supplies and services purchased, and contracts entered into in accordance with the provisions of such regulations, rules, policies and procedures.

2. Ownership of equipment and supplies procured, and intellectual property rights associated with works produced, using funds transferred to the Recipient UN Organizations under this MOU will be determined in accordance with the regulations, rules, policies and procedures applicable to such Recipient UN Organizations, including any agreement with the relevant Host Government, if applicable.

3. Each Recipient UN Organization will establish appropriate programmatic safeguard measures in the design and implementation of its Fund activities, thereby promoting the shared values, norms and standards of the United Nations system. These measures may include, as applicable, the respect of international conventions on the environment, on children’s rights, and internationally agreed core labour standards.

4. As an exceptional measure, particularly during the start-up phase of the Fund, subject to conformity with their financial regulations, rules and policies, Recipient UN Organizations may elect to start implementation of Fund activities in advance of receipt of initial or subsequent transfers from the Fund Account by using their own resources. Such advance activities will be undertaken in agreement with the Steering Committee on the basis of funds it has allocated or approved for implementation by the particular Recipient UN Organization following receipt by the Administrative Agent of signed Administrative Arrangements from donors contributing to the Fund. Recipient UN Organizations will be solely responsible for decisions to initiate such advance activities or other activities outside the parameters set forth above.

5. Any modifications to the scope of the approved programmatic document, including as to its nature, content, sequencing or the duration thereof by the Recipient UN Organization(s), will be subject to the approval of the Steering Committee. The Recipient UN Organization will promptly notify the Administrative Agent through UNDP of any change in the budget as set out in the approved programmatic document.

6. Where a Recipient UN Organization wishes to carry out its Fund activities through or in collaboration with a third party, it will be responsible for discharging all commitments and obligations with such third parties, and no other Recipient UN Organization, nor the Administrative Agent, will be responsible for doing so.

7. In carrying out their programmatic activities, none of the Recipient UN Organizations will be considered as an agent of any of the others and, thus, the personnel of one will not be considered as staff members, personnel or agents of any of the others. Without restricting the generality of the preceding sentence, none of the Recipient UN Organizations will be liable for the acts or omissions of the other Recipient UN Organizations or their personnel, or of persons performing services on their behalf.

8. Each Recipient UN Organization will ensure that the Administrative Agent is advised in writing when all activities for which it is responsible under the approved programmatic document have been operationally completed. Financial closure must be completed within eighteen (18) months after operational closure or according to the time period specified in the financial regulations and rules of the Recipient UN Organization, whichever comes first.

Special Provisions regarding Financing of Terrorism

9. Consistent with UN Security Council Resolutions relating to terrorism, including UN Security Council Resolution 1373 (2001) and 1267 (1999) and related resolutions, the Participants are firmly committed to the international fight against terrorism, and in particular against the financing of terrorism. Similarly, all Participants recognize their obligation to comply with any applicable sanctions imposed by the UN Security Council. Each of the Recipient UN Organizations will use all reasonable efforts to ensure that the funds transferred to it in accordance with this MOU are not used to provide support or assistance to individuals or entities associated with terrorism as designated by any UN Security Council sanctions regime. If, during the term of this MOU, a Recipient UN Organization determines that there are credible allegations that funds transferred to it in accordance with this MOU have been used to provide support or assistance to individuals or entities associated with terrorism as designated by any UN Security Council sanctions regime, it will as soon as it becomes aware of it inform UNDP, the Administrative Agent and the donor(s) and, in consultation with the donors as appropriate, determine an appropriate response.
Section IV

3. The Administrative Agent will ensure the preparation of consolidated narrative progress and financial reports, based on the reports provided in Section IV paragraphs 1 and 2 above, and will provide these consolidated reports to each donor that has contributed to the Fund, as well as to the Steering Committee, in accordance with the timetable established in the Administrative Arrangement.

4. The annual and final reports will be results-oriented and evidence-based. Annual and final narrative reports will compare actual results with expected results at the output and outcome level, and explain the reasons for over or underachievement. The final narrative report will also contain an analysis of how the outputs and outcomes have contributed to the overall impact of the Fund. The financial reports will provide information on the use of financial resources against the outputs and outcomes in the agreed results framework.

5. The Administrative Agent will also provide the donors, and the Steering Committee with the following reports on its activities as Administrative Agent:

   a) Certified annual financial statement (“Source and Use of Funds” as defined by UNDO guidelines) to be provided no later than five months (31 May) after the end of the calendar year; and

   b) Certified final financial statement (“Source and Use of Funds”) to be provided no later than five months (31 May) after the end of the calendar year in which the financial closing of the Fund occurs.

6. Consolidated reports and related documents will be posted on the Fund webpage on the MPTF Office GATEWAY.

Section V
Monitoring and Evaluation

1. Monitoring of the Fund will be undertaken in accordance with the TOR. The donors, the Administrative Agent and the Steering Committee will hold consultations at least annually, as appropriate, to review the status of the Fund. In addition, the donors, the Administrative Agent and the Steering Committee will discuss any substantive revisions to the Fund, and promptly inform each other about any significant circumstances and major risks, which interfere or threaten to interfere with the successful achievement of the outcomes outlined in the TOR, financed in full or in part through contributions from the donor(s).

Evaluation

2. Evaluation of the Fund including, as necessary and appropriate, joint evaluation by the Steering Committee, the Administrative Agent and the donors and other partners will be undertaken in accordance with the TOR.

The joint evaluation report will be posted on the webpage of the initiative and the Administrative Agent (www.mptfundp.org).

4. In addition, the Participants recognize that the donor(s) may, separately or jointly with other partners, take the initiative to evaluate or review their cooperation with the Administrative Agent, UNDP and the Recipient UN Organizations under this MOU, with a view to determining whether results are being or have been achieved and whether contributions have been used for their intended purpose. The Participants will be informed about such initiatives, will be consulted on the scope and conduct of such evaluations or reviews and will be invited to join. The Participants will upon request assist in providing relevant information within the limits of their regulations, rules, policies and procedures. All costs will be borne by the respective donor, unless otherwise agreed. It is understood by the Participants that such evaluation or review will not constitute a financial, compliance or other audit of the Fund including any programmes, projects or activities funded under this MOU.

Section VI
Audit

External and Internal Audit

1. The activities of the Participants in relation to the Fund will be exclusively audited by their respective internal and external auditors in accordance with their own financial regulations and rules. The corresponding external and internal audit reports will be disclosed publicly unless the relevant policies and procedures of each of the relevant Participants provide otherwise.

Joint Internal Audits

2. The Internal Audit Services of the Participants involved in the Fund may consider conducting joint internal audits thereof in accordance with the Framework for Joint Internal Audits of UN Joint Activities, including its risk-based approach and procedures for disclosure of internal audit reports related to the Fund. In doing so, the Internal Audit Services of the Participants will consult with the Steering Committee.

Cost of Internal Audits

3. The total costs of internal audit activities in relation to the Fund will be borne by the Fund.

Audits of Implementing Partners

4. The part of the contribution transferred by a Recipient UN Organization to its implementing partners for activities towards the implementation of the Fund, will be audited as provided under that Recipient UN Organization’s financial regulations and rules,

Section VII

Fraud, Corruption and Unethical Behaviour

1. The Participants are firmly committed to take all necessary precautions to avoid and address corrupt, fraudulent, collusive, coercive, unethical, or obstructive practices. The Participants recognize that it is important that all United Nations staff, individual contractors, implementing partners, vendors, and any third parties which are involved either in joint activities or in those of the Administrative Agent or Recipient UN Organization (such individuals and entities being hereinafter referred to, together, as the “Individuals/Entities”), and individually as the “Individual/Entity” must adhere to the highest standard of integrity as defined by each Participant. To this end, each Participant will maintain standards of conduct that govern the performance of the Individuals/Entities, to prohibit practices which are contrary to this highest standard in any activity related to the Fund. If an Individual/Entity is a UN organization, the Recipient UN Organization engages that Individual/Entity will rely upon that Individual’s/Entity’s standard of integrity. The Individuals/Entities must not engage in corrupt, fraudulent, collusive, coercive, unethical, or obstructive practices, as defined below.

2. In this MOU,

(a) “Corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another individual or entity;

(b) “Fraudulent practice” means any act or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, an individual or an entity to obtain a financial or other benefit, or to avoid an obligation;

(c) “Collusive practice” means an arrangement between two or more individuals and/or entities designed to achieve an improper purpose, including influencing improperly the actions of another individual or entity;

(d) “Coercive practice” means impairing or harming, or threatening to impair or harm, directly or indirectly, any individual or entity or the property of the individual or entity to influence improperly the actions of an individual or entity;

(e) “Unethical practice” means the conduct of behavior that is contrary to staff or supplier codes or conduct such as those relating to conflict of interest, gifts and hospitality, and post-employment provisions; and

(f) “Obstructive practice” means acts or omissions intended to materially impede the exercise of contractual rights of audit, investigation and access to

information, including destruction, falsification, alteration or concealment of evidence material to an investigation into allegations of fraud and corruption.

Investigations

3. (a) Investigations of allegations of wrongdoing by Individuals/Entities involved in the Fund which are commissioned by a Participant will be carried out by the Investigation Service of the Participant with which the potential subject of investigation is contracted, in accordance with that Participant’s internal policies and procedures.

(b) In the event that the Investigation Service of a Participant determines that an allegation in relation to the implementation of activities for which that Participant is accountable is credible enough to warrant an investigation, it will promptly notify UNDP (and the Administrative Agent, if such Participant is not the Administrative Agent) of the Fund, to the extent that such notification does not jeopardize the conduct of the investigation, including but not limited to the prospects of recovery of funds or the safety or security of persons or assets.

(c) In the case of such notification, it is the responsibility of UNDP and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).

(i) In the event of a credible allegation, the relevant Participant(s) will take timely and appropriate action in accordance with its regulations, rules, policies and procedures, which may include withholding further disbursements to the Individual(s)/Entity(ies) allegedly involved in the corrupt, fraudulent, collusive, coercive, unethical or obstructive practices as defined above.

(e) The Participant’s Investigation Service reviewing the credibility of an allegation or conducting the investigation will share information as appropriate with counterpart Investigation Services of the other Participants involved in the Fund to determine the best path towards resolution of the investigation and whether the alleged wrongdoing is limited to such Participant or whether one or more other Participants involved in the Fund may also be affected. If the relevant Investigation Services determine that more than one Participant could be affected by the alleged wrongdoing, they will follow the procedure described below in clause (ii).

(ii) Where a potential subject of an investigation is contracted by more than one Participant, the Investigation Services of the Participants concerned may consider:

Lotfa Runo Mou
MPTF Office—Recipient UN Organizations
conducting joint or coordinated investigations, determining which investigation framework to use.

(d) Upon completion of the internal reporting on their investigation by the Participant(s) concerned as established in their respective internal policies and procedures, the Participant(s) will provide information on the results of their investigation(s) to the Administrative Agent and UNDP. Following such receipt of information on the results of the investigation(s), it is the responsibility of UNDP and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).

(e) Each Participant concerned will determine what, disciplinary and/or administrative measures, including referral to national authorities, may be taken as a result of the investigation, according to its internal policies and procedures on disciplinary and/or administrative measures, including vendor sanction mechanism, as appropriate. The Participant(s) concerned will share information on measures taken as a result of the investigation(s) with the Administrative Agent and UNDP. Following such receipt of information on measures taken as a result of the investigation(s), it is the responsibility of UNDP and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).

Recovery of Funds

4. If there is evidence of improper use of funds as determined after an investigation, each Participant concerned will use its best efforts, consistent with its regulations, rules, policies and procedures to recover any funds misused. With respect to any funds recovered, the relevant Participant will consult with UNDP, the Steering Committee, the Administrative Agent and the donor(s). The donor(s) may request that such funds be returned to them in proportion to their contribution to the Fund, in which case the Participant would credit that portion of the funds so recovered to the Fund Account and the Administrative Agent would return that portion of such funds to the donor(s). For any such funds the donor(s) do not request to be returned to them, such funds will either be credited to the Fund Account or used by the Participant for a purpose mutually agreed upon.

5. The Participants will apply the provisions of Section VII, paragraphs 1 to 4 above in accordance with their respective accountability and oversight frameworks as well as relevant regulations, rules, policies and procedures.

Section VIII
Communications and Transparency

1. Subject to the regulations, rules, policies and procedures of the Participants and UNDP, each Participant and UNDP will take appropriate measures to publicize the Fund and to give due credit to the other Participants and UNDP. Information given to the press,
to the beneficiaries of the Fund, all related publicity material, official notices, reports and publications, will highlight the results achieved and acknowledge the role of the Host Government, the donors, the Recipient UN Organizations, UNDP, the Administrative Agent and any other relevant entities. In particular, the Administrative Agent and UNDP will undertake to ensure due recognition of the role of each Recipient UN Organization and national partner in all external communications relating to the Fund.

2. The Administrative Agent and UNDP in consultation with the Recipient UN Organizations will ensure that decisions regarding the review and approval of the Fund as well as periodic reports on the progress of implementation of the Fund are posted, where appropriate, for public information on the websites of the Administrative Agent (www.mptf.undp.org). Such reports and documents may include approved programmes and programmes awaiting approval, full level annual financial and progress reports and external evaluations, as appropriate.

3. The Participants are committed to principles of transparency with regard to the implementation of the Fund, consistent with their respective regulations, rules, policies and procedures. The donors, the Participants, UNDP and the Host Government, if applicable, will endeavor to consult prior to publication or release of information regarded as sensitive.

Section IX
Expiry, Modification, Termination and Unspent Balances

1. This MOU will expire upon the delivery to the donor(s) of the certified final financial statement pursuant to Section IV, paragraph 3(b).

2. This MOU may be modified only by written agreement between the Participants.

3. Any of the Recipient UN Organizations may withdraw from this MOU upon giving thirty (30) days' written notice to all other Participants to the MOU subject to the continuation in force of paragraph 5 below for the purpose therein stated.

4. The Administrative Agent's appointment may be terminated earlier by UNDP on thirty (30) days' written notice, subject to the continuation in force of paragraph 5 below for the purpose therein stated. In the event of such termination, the Administrative Agent and UNDP will agree on measures to bring all activities to an orderly and prompt conclusion so as to minimize costs and expenses.

5. Commitments assumed by the withdrawing or terminating Participants under this MOU will survive the termination of this MOU or the termination of the Administrative Agent or withdrawal of a Recipient UN Organization to the extent necessary to permit the orderly conclusion of the activities and the completion of final reports, the withdrawal of personnel, funds and property, the settlement of accounts between the Participants hereto and the settlement of contractual liabilities that are required in respect of any subcontractors, consultants or suppliers.

6. Any balance remaining in the individual Recipient UN Organization's special ledger account after operational completion of the activities for which they are responsible under the approved programming document will be returned to the Fund Account as soon as administratively feasible and before financial closure of those activities in line with Section III, paragraph 8. Any balance remaining in the Fund Account upon completion of the Fund will be used for a purpose mutually agreed upon or returned to the donor(s) in proportion to their contribution to the Fund as decided upon by the donor(s) and the Steering Committee.
