For a more in-depth look at contributor data, go to the top navigation bar, hover over **Resources/Analyze All Data** and click on **Fund contributions**.

The screenshot shows the top navigation bar with the following items: Trust Funds, Partners, Pooled funding, Resources, and About us. The 'Resources' dropdown menu is open, showing 'Analyze All Data' (highlighted), Document center, Results for SDGs, Funding opportunities, Investment opportunities, and Terminology. Below the navigation bar is a dashboard with the title 'Multi-Partner Trust Fund Office' and the subtitle 'The United Nations centre of expertise on pooled funding'. The dashboard features four key figures: Commitments (\$18,840,682,460), Deposits (\$18,505,048,599), Transfers (\$17,602,493,035), and Expenditures (\$14,000,000,000). Each key figure is accompanied by a line chart showing trends over time.

You can also get to **Analyze All Data** directly from a contributor's page. In the top blue banner, below the country flag you will find a **Tools** drop down menu. Click on it and select **Analyze All Data**.
