	DFI has been working in Luuq since 2009 with various emergency response activities undertaken. Currently the ongoing project
that your organization is currently	activities include construction of 3 permanent classrooms and 6 temporary classrooms for 2 schools in Luuq (Luuq primary school
implementing to address these	& Ganane). Providing incentive and capacity building/training for 12 teachers in the 2 schools. The supported 2 schools provide
needs.(maximum 1500	access to education for 725 children (402 boys & 323 girls) which include children from targeted IDPs. Plans for the construction of
characters)	3 underground water reservoirs for the project targeted IDPS is also on the pipe-line. On the other hand DFI has been providing
	cash relief vouchers to 192 internally displaced Female Headed House-holds among targeted IDPs for the past 3 months ending
	on October 2012. The proposed shelter project will supplement our emergency response intervention in Luuq with schools being
	among other integrated projects planned for the IDPs once they get the transitional shelter. DFI funding partners in Gedo include
	Norwegian Church Aid, UNICEF, UNHCR, Relief International, Canadian International Development Agency and the Somali
	diaspora community in Canada.

A) Objective*		e displaced populations (men, women, boys and girls) in		ovision of transitional
(B) Outcome 1*	IDPs (men, women, boys & girls)	protected under traditional huts (Hori) suitable for the ha	rsh local weather.	
(C) Activity 1.1*	Planning of the project work inclu	ding identification & selection of project beneficiaries. Th	is will be done in colla	aboration with local I
(D) Activity 1.2	Local gathering of raw material &	making of the traditional huts (Hori). The work of making	the traditional huts &	k local gathering of it
(E) Activity 1.3	Distribution of the traditional huts	(Hori) to 302 IDP house-holds that are vulnerable Femal	e-Headed House-hol	ds (FHHs). Putting u
(F) Indicator 1.1*	Shelter and Non-food Items	Number of households provided with temporary and tra	insitional : Target*	302
(G) Indicator 1.2	Shelter and Non-food Items	Number of House-hold jobs created	Target	55
(H) Indicator 1.3	Shelter and Non-food Items	number of Female Headed House-holds given tradition	al huts "F Target	302
(I) Outcome 2	Risk of fire to shelter (Hori) reduc	ed among 302 IDP house-holds through the application	of energy saving stor	/es
(J) Activity 2.1	Planning and identification of loca	al production of the energy saving stoves. Creating jobs for	or IDPs & host comm	unity will be part of t
(K) Activity 2.2	Mobilization for local production of	of the stoves. This will include quality checking and testing	g of the stoves and ve	rifying local employ
(L) Activity 2.3	Distribution of 302 energy saving	stoves for 302 IDPs (Female Headed House-holds)		
(M) Indicator 2.1	Shelter and Non-food Items	Number of households assisted with NFIs and emerger	ncy shelte Target	302
(N) Indicator 2.2	Shelter and Non-food Items	number of local jobs created by the stoves production	Target	35
(O) Indicator 2.3	Shelter and Non-food Items	Number of House holds given stoves	Target	302
(P) Outcome 3	Reduced environmental risks due	e to project integrated conservation measures		
(Q) Activity 3.1	Training and community awarene	ess-raising on environmental conservation and tree planti	ng. This will also ider	tifying tree planting a
(R) Activity 3.2	Community mobilization on tree p	planting involving school children (boys & girls) and other	adult volunteers (bot	h men & women)
(S) Activity 3.3	Construction of 76 VIP communit	y latrines for 302 Female headed house-holds (1 latrine	per 4 house-holds)	
(T) Indicator 3.1	Shelter and Non-food Items	Number of households provided with temporary and tra	insitional : Target	302
(U) Indicator 3.2	Shelter and Non-food Items	Number of trees planted	Target	5307
(V) Indicator 3.3	Shelter and Non-food Items	Number of latrines constructed	Target	76
(W) Implementation Plan*	DFI has a team of experienced lo	cal staff in Luuq with an office supporting education and	emergency response	. We have the
Describe how you plan to	advantage of hailing from Gedo v	vith good knowledge of the people and local dynamics. Ir	implementation of the	ne project, DFI will
implement these activities	work in partnership with IDP com	mittees and elders. The project will include female partic	ipation in all committe	ees promoting
(maximum 1500 characters)	gender inclusiveness in decision i	making. The community leaders (men & women) will be	involved in project pla	anning and
	implementation. Planning will incl	ude setting an identification criteria for beneficiaries (targ	et IDPs - both men a	nd women) and
	mobilizing women IDPs to make :	shelter mats which the project will buy to make the traditi	onal huts (Hori) for di	stribution. The
	project staff will holds public mee	tings involving elders (both men & women) and the distri	ct local authority sens	sitizing the
	community on the project and its	benefits to IDPs. DFI staff will conduct verification visits to	randomly selected I	DP households and
	crosscheck how the selected ben	eficiaries meet set project beneficiary criteria. At least 40	% of the households	from the
	beneficiaries list prepared by the	community will be visited by DFI staff for verification. Afte	r the household verifi	cation visits, a
	public meeting will be called by th	he project staff jointly with the IDP committees. Names of	selected beneficiarie	s will be announced
	publicly and any disagreements v	vill be resolved by dialogue. The project will take conflict-	sensitive approach p	utting in place
	measures that will ensure fairnes	s in beneficiary identification and verification.		-
