<b>Outcomes:</b>	<b>Achievements/Results:</b>	<b>Percentage of planned:</b>
To establish an effective, inclusive and productive civil society platform that maintains strong relationships with key stakeholders	<ul style="list-style-type: none"> <li>. Realization of regular SC platform members meeting;</li> <li>. A follow up contact was established with the first lady cabinet (Mozambique had elections last October) to sensitize and mobilized their interest and advocate for Nutrition being taken as a “flag”;</li> <li>. A national workshop, with participation of Maputo CS platform members, provincial focal points, and all other</li> </ul>	

	<p>stakeholder - Government, UN, donors, SUN business network focal points, was realize;</p> <p>. Design ToR and hire a consultant for project Evaluation; main results presented during the national workshop;</p> <p>. Participation on the actual discussion regarding SETSAN “conversion” to IPSAN (Institute of Promotion for Food Security and Nutrition) and its new role/function (it will have a implementation role added to the multi-sector coordination role);</p> <p>. Interviewed as part of different process: as for REACH independent join evaluation; next 5 year strategic plan for DANIDA; MDG1 med-term evaluation; definition of the Nutritionist profile (competence) and based on that re-visit and adapt if needed the UniLúrio curriculum;</p>	
To build and ensure civil society capacity in policy engagement, policy analysis and lobbying	<p>. Inhambane province had established CS networks in 8 districts and trainee 2 focal points per district.</p> <p>. Participation at Workshop on Strengthening Effective Engagement for Scaling Up Nutrition: SUN Business Network Workshop (Day 1) &amp; Functional Capacities for Scaling Up Nutrition (Days 2 and 3), in Nairobi;</p> <p>.</p>	
To monitor operationalization, funding and implementation of PAMRDC and other national and regional strategies and plans on nutrition	<p>. Monitoring of process of PAMRDC implementation was completed. Results and recommendation on how CS in the future can be involvement on monitoring, were presented during the national workshop;</p> <p>. Participation on the country SUN Movement Annual Progress Reporting, 2015. Exercise led by SETSAN as the national SUN focal point;</p> <p>. During this period, continued to participate in different national level meetings, namely, Nutrition Partners Forum (development partners technical working group), and the technical working group for the national nutrition plan for the reduction of chronic undernutrition (GT-PAMRDC) hosted by the Secretariat for Food Security and Nutrition (SETSAN);</p> <p>.</p>	
To advocate for greater attention to nutrition in public, private and non-profit interventions	<p>. Continue to participate on the CSAN working group (a group headed by SETSAN and created to work on Advocacy e Communication strategy for PAMRDC) on the production of information/advocacy materials;</p> <p>. Contract sign with ANIMA, a communication agency, for an advocacy campaign aiming to get a major appropriation and accountability of decision makers in regard to chronic malnutrition issue; first drafts of the material completed and commented;</p>	

	. Contacts started with Graça Machel Trust Fund to see their interest and availability to fund part of the dissemination of the Advocacy Campaign;
