9. Indirect costs of the Participating UN Organizations recovered through programme support costs will be seven percent (7%). All other costs incurred by each Participating UN Organization in carrying out the activities for which it is responsible under the Fund will be recovered as direct costs.

Section III Activities of the Participating UN Organizations

1. The implementation of the programmatic activities will be the responsibility of the Participating UN Organizations and will be carried out by each Participating UN Organization in accordance with its own applicable regulations, rules, policies and procedures including those relating to procurement as well as the selection and assessment of implementing partners. Accordingly, personnel will be engaged and administered, equipment, supplies and services purchased, and contracts entered into in accordance with the provisions of such regulations, rules, policies and procedures.
2. Ownership of equipment and supplies procured, and intellectual property rights associated with works produced, using funds transferred to the Participating UN Organisations under this Memorandum of Understanding will be determined in accordance with the regulations, rules, policies and procedures applicable to such Participating UN Organizations, including any agreement with the relevant Host Government, if applicable.

These measures may include, as applicable, the respect of international conventions on the environment, on children's rights, and internationally agreed core labour standards.
4. As an exceptional measure, particularly during the start-up phase of the Fund, subject to conformity with their financial regulations, rules and policies, Participating UN Organizations may elect to start implementation of Fund activities in advance of receipt of initial or subsequent transfers from the Fund Account by using their own resources. Such advance activities will be undertaken in agreement with the Steering Committee on the basis of funds it has allocated or approved for

implementation by the particular Participating UN Organization following receipt by the Administrative Agent of signed Administrative Arrangements from donors contributing to the Fund. Participating UN Organizations will be solely responsible for decisions to initiate such advance activities or other activities outside the parameters set forth above.

5. The Participating UN Organization will promptly notify the Administrative Agent through the Steering Committee of any change in the budget as set out in the approved programmatic document.
6. Where a Participating UN Organization wishes to carry out its Fund activities through or in collaboration with a third party, it will be responsible for discharging all commitments and obligations with such third parties, and no other Participating UN Organization, nor the Administrative Agent, will be responsible for doing so.
7. In carrying out their programmatic activities, none of the Participating UN Organizations will be considered as an agent of any of the others and, thus, the personnel of one will not be considered as staff members, personnel or agents of any of the others. Without restricting the generality of the preceding sentence, none of the Participating UN Organizations will be liable for the acts or omissions of the other Participating UN Organizations or their personnel, or of persons performing services on their behalf.
8. Each Participating UN Organization will ensure the Administrative Agent is advised in writing when all activities for which it is responsible under the approved programmatic document have been operationally completed. Financial closure must be completed within eighteen (18) months after operational closure or according to the time period specified in the financial regulations and rules of the Participating UN Organization, whichever one comes first.

Special Provisions regarding Financing of Terrorism

9. Consistent with UN Security Council Resolutions relating to terrorism, including UN Security Council Resolution 1373 (2001) and 1267 (1999) and related resolutions, the Participants are firmly committed to the international fight against terrorism, and in particular, against the financing of terrorism. Similarly, all Participants recognize their obligation to comply with any applicable sanctions imposed by the UN Security Council. Each of the Participating UN Organizations will use all reasonable efforts to ensure that the funds transferred to it in accordance with this Memorandum of Understanding are not used to provide support or assistance to individuals or entities associated with terrorism as designated by any UN Security Council sanctions regime. If, during the term of this Memorandum of Understanding, a Participating UN Organization determines that there are

credible allegations that funds transferred to it in accordance with this Memorandum of Understanding have been used to provide support or assistance to individuals or entities associated with terrorism as designated by any UN Security Council sanctions regime it will as soon as it becomes aware of it inform the Steering Committee, the Administrative Agent and the donor(s) and, in consultation with the donors as appropriate, determine an appropriate response.

Section IV Reporting

Narrative Reports

2. Each Participating UN Organization will provide the required narrative reports prepared in accordance with the reporting procedures applicable to the Fund, as set forth in the TOR and the applicable UNDG policies and guidance for the Fund.

3. The Administrative Agent will ensure the preparation of consolidated narrative progress and financial reports, based on the reports provided in Section IV paragraphs 1 and 2 above, and will provide these consolidated reports to each donor that has contributed to the Fund, as well as the Steering Committee, in accordance with the timetable established in the Administrative Arrangement.

4. The annual and final reports will be results-oriented and evidence based. Annual and final narrative reports will compare actual results with expected results at the output and

outcome level, and explain the reasons for over or underachievement. The final narrative report will also contain an analysis of how the outputs and outcomes have contributed to the overall impact of the Fund. The financial reports will provide information on the use of financial resources against the outputs and outcomes in the agreed results framework.

5. The Administrative Agent will also provide the donors, Steering Committee and Participating UN Organizations with the following reports on its activities as Administrative Agent:

Monitoring

1. Monitoring of the Fund will be undertaken in accordance with the TOR. The Participants and the donor(s) will hold consultations at least annually, as appropriate, to review the status of the Fund. In addition, the Participants and the donor(s) will discuss any substantive revisions to the Fund, and promptly inform each other about any significant circumstances and major risks, including those related to Section VIII, which interfere or threaten to interfere with the successful achievement of the outcomes outlined in the TOR, financed in full or in part through contributions from the donor(s).

Evaluation

2. Evaluation of the Fund including, as necessary and appropriate, joint evaluation by the Participants, the donor(s), the Host Government (if applicable) and other partners will be undertaken in accordance with the TOR.

3. The Steering Committee and/or Participating UN Organizations will recommend a joint evaluation if there is a need for a broad assessment of results at the level of the Fund or at the level of an outcome within the Fund. The joint evaluation report will be posted on the website of the UN in Rwanda <https://rwanda.un.org> and the Administrative Agent <http://mptf.undp.org>.

4. In addition, the Participants recognize that the donor(s) may, separately or jointly with other partners, take the initiative to evaluate or review their cooperation with the Administrative Agent and the Participating UN Organizations under this Memorandum of Understanding, with a view to determining whether results are being or have been achieved and whether contributions have been used for their intended purposes. The Administrative Agent and the Participating UN Organizations will be informed about such initiatives, will be consulted on the scope and conduct of such evaluations or reviews and will be invited to join. The Participants will upon request assist in providing relevant information within the limits of their regulations, rules, policies and procedures. The activities of the Administrative Agent and each Participating UN Organization in relation to the Fund will be exclusively audited by their respective internal and external auditors in accordance with their own financial regulations and rules. Joint Internal Audits

2. The Internal Audit Services of the Participants involved in the Fund may consider conducting joint internal audits thereof in accordance with the Framework for Joint Internal Audits of UN Joint Activities, including its risk-based approach and provisions for disclosure of internal audit reports related to the Fund. In doing so, the Internal Audit Services of the Participants will consult with the Steering Committee.

Cost of Internal Audits

Audits of Implementing Partners

4. The part of the contribution transferred by a Participating UN Organization to its implementing partners for activities towards the implementation of the Fund will be audited as provided under that Participating UN Organization's financial regulations and rules, as well as its policies and procedures. The disclosure of the corresponding audit reports will be made according to the policies and procedures of that Participating UN Organization.

Section VII Fraud, Corruption and Unethical Behaviour

1. The Participants are firmly committed to take all necessary precautions to avoid and address corrupt, fraudulent, collusive, coercive, unethical, or obstructive practices. The Participants recognize that it is important that all United Nations staff, individual contractors, implementing partners, vendors and any third parties which are involved either in joint activities or in those of the Administrative Agent or Participating UN Organization (such individuals and entities being hereinafter referred to, together, as the "Individuals/Entities", and individually as the "Individual/Entity") must adhere to the highest standard of integrity as defined by each Participant. To this end, each Participant will maintain standards of conduct that govern the performance of the Individuals/Entities, to prohibit practices which are contrary to this highest standard in any activity related to the Fund. If an Individual/Entity is a UN organization, the Participating UN Organization engaging that Individual/Entity will rely upon that Individual's/Entity's standard of integrity. - (f) “Obstructive practice” means acts or omissions intended to materially impede the exercise of contractual rights of audit, investigation and access to information, including destruction, falsification, alteration or concealment of evidence material to an investigation into allegations of fraud and corruption.

Investigations

3. (a) Investigations of allegations of wrongdoing by Individuals/Entities involved in the Fund which are contracted by a Participant will be carried out by the Investigation Service of the Participant with which the potential subject of investigation is contracted, in accordance with that Participant’s internal policies and procedures.
- (b)
- (i) In the event that the Investigation Service of a Participant determines that an allegation in relation to the implementation of activities for which that Participant is accountable is credible enough to warrant an investigation, it will promptly notify the Steering Committee (and the Administrative Agent, if such Participant is not the Administrative Agent) of the Fund, to the extent that such notification does not jeopardize the conduct of the investigation, including but not limited to the prospects of recovery of funds or the safety or security of persons or assets.
- (ii) In the case of such notification, it is the responsibility of the Steering Committee and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).
- (iii) In case of a credible allegation, the relevant Participant(s) will take timely and appropriate action in accordance with its regulations, rules, policies and procedures, which may include withholding further disbursements to the Individual(s)/Entity(ies) allegedly involved in the corrupt, fraudulent, collusive, coercive, unethical or obstructive practices as defined above.
- (c)
- (i) The Participant’s Investigation Service reviewing the credibility of an allegation or conducting the investigation will share information as appropriate with counterpart Investigation Services of the other Participants involved in the Fund to determine the best path towards resolution of the investigation and whether the alleged wrongdoing is limited to such Participant or whether one or more other Participants involved in the Fund may also be affected. If the relevant Investigation Services determine that more than one Participant could be affected by the alleged wrongdoing, they will follow the procedure described below in clause (ii).

(ii) Where a potential subject of an investigation is contracted by more than one Participant, the Investigation Services of the Participants concerned may consider conducting joint or coordinated investigations, determining which investigation framework to use.

(d) Upon completion of the internal reporting on their investigation by the Participant(s) concerned as established in their respective internal policies and procedures, the Participant(s) will provide information on the results of their investigation(s) to the Administrative Agent and the Steering Committee. Following such receipt of information on the results of the investigation(s), it is the responsibility of the Steering Committee and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).

(e) Each Participant concerned will determine what disciplinary and/or administrative measures, including referral to national authorities, may be taken as a result of the investigation, according to its internal policies and procedures on disciplinary and/or administrative measures, including vendor sanction mechanism, as appropriate. The Participant(s) concerned will share information on measures taken as a result of the investigation(s) with the Administrative Agent and the Steering Committee of the Fund. With respect to any funds recovered, the relevant Participant will consult with the Steering Committee, the Administrative Agent and the donor(s). The donor(s) may request that such funds be returned to them in proportion to their contribution to the Fund, in which case the Participant would credit that portion of the funds so recovered to the Fund Account and the Administrative Agent would return that portion of such funds to the donor(s). For any such funds the donor(s) do not request to be returned to them, such funds will either be credited to the Fund Account or used by the Participant for a purpose mutually agreed upon.
5. The Participants will apply the provisions of Section VII, paragraphs 1 to 4 above in accordance with their respective accountability and oversight framework as well as relevant regulations, rules, policies and procedures.

Section VIII Sexual Exploitation and/or Sexual Abuse, and/or Sexual Harassment

In assessing the reasonableness of expectations or perceptions, the perspective of the person who is the target of the conduct shall be considered.
3. Investigation and reporting:
 - (a) Investigation:
 - (i) Investigations of allegations of Sexual Exploitation and/or Sexual Abuse arising in programmatic activities funded by the Fund, will, where appropriate, be carried out by the Investigation Service of the relevant Participating UN Organization in accordance with its rules, regulations, policies and procedures. Where the implementing partner of that funded activity and its responsible parties, sub-recipients and other entities engaged to provide services in relation to programmatic activities are UN Organizations, investigations of such allegations will be carried out by the Investigation Service of the relevant UN Organization in accordance with their rules, regulations, policies and procedures. In cases where the relevant Participating UN Organization is not conducting the investigation itself, the

relevant Participating UN Organization will require that the implementing partner of that funded activity and its responsible parties, sub- recipients and other entities engaged to provide services in relation to programmatic activities, investigate allegations of Sexual Exploitation and Sexual Abuse credible enough to warrant an investigation.

- (ii) Where a potential subject of an investigation is contracted by more than one UN Organization involved in the Fund, the Investigation Services of the UN Organizations concerned (Administrative Agent or Participating UN Organization) may consider conducting joint or coordinated investigations, determining which investigation framework to use.
- (iii) Investigations of allegations of Sexual Harassment by UN staff and personnel involved in the Fund and contracted by the Administrative Agent and/or each Participating UN Organisation will be carried out by the Investigation Service of the relevant UN Organization in accordance with its rules, regulations, policies and procedures.

Information is published both in real time and through monthly reports.

(iii) Following a determination of a credible allegation of Sexual Exploitation and/or Sexual Abuse, each Participating UN Organization will determine what contractual, disciplinary and/or administrative measures, including referral to national authorities, may be taken as a result of an investigation, according to its internal regulations, rules, policies and procedures on disciplinary and/or administrative measures, as appropriate. The Participating UN Organization(s) concerned will share information on measures taken as a result of the credible allegation of Sexual Exploitation and/or Sexual Abuse in its programmatic activities financed by the Fund with the Administrative Agent and the Steering Committee through the Report.

(iv) With respect to credible allegations of Sexual Harassment (regarding Participating UN Organization's internal activities) the relevant Participating UN Organization will share information on measures taken with the Administrative Agent, the Steering Committee and the Donors of the Fund through their regular reporting to their relevant governing bodies. The Administrative Agent will share information on measures taken as a result of its own investigation which resulted in a finding of credible allegation of Sexual Harassment regarding its internal activities, with the Steering Committee and the Donors of the Fund through its regular reporting to its relevant governing body.

4. Any information provided by Participating UN Organizations in accordance with the foregoing paragraphs, will be shared in accordance with their respective regulations, rules, policies and procedures and without prejudice to the safety, security, privacy and due process rights of concerned individuals.

1. Subject to the regulations, rules, policies and procedures of the Participating UN Organization, each Participating UN Organization will take appropriate measures to publicize the Fund and to give due credit to the other Participating UN Organizations. Information given to the press, to the beneficiaries of the Fund, all related publicity material, official notices, reports and publications, will highlight the results achieved and acknowledge the role of the Host Government, the donors, the Participating UN Organizations, the Administrative Agent and any other relevant entities. In particular, the Administrative Agent will include and ensure due recognition of the role of each Participating UN Organization and national partner in all external communications relating to the Fund/Programme.
2. The Administrative Agent in consultation with the Participating UN Organizations will ensure that decisions regarding the review and approval of the Fund as well as periodic reports on the progress of implementation of the Fund are posted, where appropriate, for public information on the websites of the UN in **Rwanda** <https://rwanda.un.org> and the Administrative Agent <http://mptf.undp.org>. Such reports and documents may include Steering Committee approved programmes and programmes awaiting approval, fund level annual financial and progress reports and external evaluations, as appropriate.
3. The Participants are committed to principles of transparency with regard to the implementation of the Fund, consistent with their respective regulations, rules, policies and procedures. The donors, the Administrative Agent, Participating UN Organization and the Host Government, if applicable, will endeavor to consult prior to publication or release of information regarded as sensitive.

Section X Expiration, Modification, Termination and Unspent Balances

1. This Memorandum of Understanding will expire upon the delivery to the donor(s) of the certified final financial statement pursuant to Section IV, paragraph 5(b).
2. This Memorandum of Understanding may be modified only by written agreement between the Participants.
3. Any of the Participating UN Organizations may withdraw from this Memorandum of Understanding upon giving thirty (30) days' written notice to all other Participants to this Memorandum of Understanding subject to the continuance in force of paragraph 5 below for the purpose therein stated.
4. The Administrative Agent's appointment may be terminated by the Administrative Agent (on the one hand) or by the mutual agreement of all Participating UN Organizations (on the other hand) on thirty (30) days' written notice to the other Participants, subject to

the continuance in force of paragraph 5 below for the purpose therein stated. In the event of such termination, the Participants will agree on measures to bring all activities to an orderly and prompt conclusion so as to minimize costs and expense.

5. Commitments assumed by the withdrawing or terminating Participants under this Memorandum of Understanding will survive the termination of this Memorandum of Understanding or the termination of the Administrative Agent or withdrawal of a Participating UN Organization to the extent necessary to permit the orderly conclusion of the activities and the completion of final reports, the withdrawal of personnel, funds and property, the settlement of accounts between the Participants hereto and the settlement of contractual liabilities that are required in respect of any subcontractors, consultants or suppliers.
6. Any balance remaining in the individual Participating UN Organizations' separate ledger accounts after operational completion of the activities for which they are responsible under the approved programmatic document will be returned to the Fund Account as soon as administratively feasible and before financial closure of those activities in line with Section III, paragraph 8. Any balance remaining in the Fund Account upon completion of the Fund will be used for a purpose mutually agreed upon or returned to the donor(s) in proportion to their contribution to the Fund as decided upon by the donor(s) and the Steering Committee.

Section XI **Notices**

1. Any action required or permitted to be taken under this Memorandum of Understanding may be taken on behalf of the Administrative Agent by the Executive Coordinator of the Multi-Partner Trust Fund Office, or his or her designated representative, and on behalf of a Participating UN Organization by the head of office in **Rwanda**, or his or her designated representative.
2. Any notice or request required or permitted to be given or made in this Memorandum of Understanding will be in writing. Such notice or request will be deemed to be duly given or made when it will have been delivered by hand, mail or any other agreed means of communication to the Participant to which it is required to be given or made, at such Participant's address specified in ANNEX C to this Memorandum of Understanding or at such other address as the Participant will have specified in writing to the Participant giving such notice or making such request.

Section XII **Entry into Effect**

This Memorandum of Understanding will come into effect upon signature thereof by the Participants and will continue in effect until it expires or is terminated.

Section XIII

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, United Nations Development Program (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to

receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

CC2BDE70-462C-4C3B-825B-FE77D1F0 CA9

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact United Nations Development Program:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows: To contact us by email send messages to: olivier.simah@undp.org

To advise United Nations Development Program of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at olivier.simah@undp.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from United Nations Development Program

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to olivier.simah@undp.org and in the

body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with United Nations Development Program

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

CC2BDE70-462C-4C3B-825B-FE77D1F0 CA9

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to olivier.simah@undp.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify United Nations Development Program as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by United Nations Development Program during the course of your relationship with United Nations Development Program.

Electronic Record and Signature Disclosure

Parties agreed to: Edith Heines, Fode Ndiaye, Shaukat Abdulrazak

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, United Nations Development Program (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to

receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

DocuSign Envelope ID: 9E3A446B-6E7A-4192-8A9F-3C4E1D9475BB

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact United Nations Development Program:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To advise United Nations Development Program of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at olivier.simah@undp.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from United Nations Development Program

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to olivier.simah@undp.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with United Nations Development Program

DocuSign Envelope ID: 9E3A446B-6E7A-4192-8A9F-3C4E1D9475BB

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:
