**WHEREAS, Sweden** (hereinafter referred to as the “**Donor**”) wishes to provide financial support to the Programme on the basis of the Joint Programme Document and wishes to do so through the Administrative Agent as proposed by the Participating UN Organizations; and

**WHEREAS, this Standard Administrative Arrangement** between the Donor and the Administrative Agent stipulates the terms and conditions of the financial support to the Programme, and is not considered an international treaty and is not enforceable under international law;

**NOW, THEREFORE,** the Donor and the Administrative Agent (hereinafter referred to collectively as the “**Participants**”) hereby decide as follows:

### Section I

**Disbursement of Funds to the Administrative Agent and the Programme Account**

1. Subject to annual parliamentary appropriation the Donor makes a contribution of **85 000 000 SEK (eighty-five million SEK)** and such further amounts (hereinafter referred to as the “**Contribution**”) to support the Programme. The Contribution will enable the Participating UN Organizations to support the Programme in accordance with the Joint Programme Document, as may be amended from time to time. The Donor authorizes the Administrative Agent to use the Contribution for the purposes of the Programme and in accordance with this Standard Administrative Arrangement (hereinafter referred to as “**Arrangement**”). The Donor acknowledges that the Contribution will be co-mingled with other contributions to the Programme Account and that it will not be separately identified or administered.

That separate ledger account will be administered by each Participating UN Organization in accordance with its own regulations, rules, policies and procedures, including those relating to interest.  

3. Where the balance in the Programme Account on the date of a scheduled disbursement is insufficient to make that disbursement, the Administrative Agent will consult with the Steering Committee and make a disbursement, if any, in accordance with the Steering Committee’s decisions.

4. The Donor reserves the right to discontinue future deposits of its Contribution further to Annex B if there is: (i) failure to fulfil any obligations under this Arrangement; (ii) if there are substantial revisions of the Joint Programme Document; or (iii) if there are credible allegations of improper use of the funds in accordance with Section VIII of this Arrangement; provided however that before doing so, the Administrative Agent, the Convening Agent, the Steering Committee and the Donor will consult with a view to promptly resolving the matter.

Section III
Activities of the Participating UN Organization

Implementation of the Programme

1. The implementation of the programmatic activities which the Donor assists in financing under this Arrangement will be the responsibility of the Participating UN Organizations and will be carried out by each Participating UN Organization in accordance with its own applicable regulations, rules, policies and procedures including those relating to procurement as well as the selection and assessment of implementing partners. Accordingly, personnel will be engaged and administered, equipment, supplies and services purchased, and contracts entered into in accordance with the provisions of such regulations, rules, policies and procedures. The Donor will not be responsible or liable for the activities of the Participating UN Organizations or the Administrative Agent as a result of this Arrangement.

2. The Participating UN Organizations will carry out the activities for which they are responsible in line with the budget contained in the Joint Programme Document. Any modifications to the scope of the Joint Programme Document, including as to its nature, content, sequencing or the duration thereof by the concerned Participating UN Organization(s), will be subject to the approval of the Steering Committee. The Participating UN Organization will promptly notify the Administrative Agent through the Steering Committee of any change in the budget as set out in the Joint Programme Document.

---

5 Where the Administrative Agent is also a Participating UN Organization, it will need to open its own separate ledger account and transfer funds from the Programme Account to its separate ledger account.
3. Indirect costs of the Participating UN Organizations recovered through programme support costs will be seven percent (7%). All other costs incurred by each Participating UN Organization in carrying out the activities for which it is responsible under the Programme will be recovered as direct costs.

4. The Participating UN Organizations will commence and continue to conduct operations for the Programme activities only upon receipt of disbursements as instructed by the Steering Committee.

5. The Participating UN Organizations will not make any commitments above the budgeted amounts in the Joint Programme Document.

6. If unforeseen expenditures arise, the Steering Committee will submit, through the Administrative Agent, a supplementary budget to the Donor showing the further financing that will be necessary. If no such further financing is available, the activities to be carried out under the Joint Programme Document may be reduced or, if necessary, terminated by the Participating UN Organizations.

7. As an exceptional measure, particularly during the start-up phase of the Programme, subject to conformity with their financial regulations, rules and policies, Participating UN Organizations may elect to start implementation of Programme activities in advance of receipt of initial or subsequent transfers from the Programme Account by using their own resources. Such advance activities will be undertaken in agreement with the Steering Committee on the basis of funds it has allocated or approved for implementation by the particular Participating UN Organization following receipt by the Administrative Agent of signed Administrative Arrangements from donors contributing to the Programme. Participating UN Organizations will be solely responsible for decisions to initiate such advance activities or other activities outside the parameters set forth above.

8. Each Participating UN Organization will establish appropriate programmatic safeguard measures in the design and implementation of its Programme activities, thereby promoting the shared values, norms and standards of the United Nations system. These measures may include, as applicable, the respect of international conventions on the environment, on children's rights, and internationally agreed core labour standards.

Special Provisions regarding Financing of Terrorism

9. Consistent with UN Security Council Resolutions relating to terrorism, including UN Security Council Resolution 1373 (2001) and 1267 (1999) and related resolutions, the Participants are firmly committed to the international fight against terrorism, and in particular, against the financing of terrorism. Similarly, the Participants and the Participating UN Organizations recognize their obligation to comply with any applicable sanctions imposed by the UN Security Council. Each of the Participating UN Organizations will use all reasonable efforts to ensure that the funds transferred to it in accordance with the MoU are not used to provide support or assistance to individuals or entities associated with terrorism as designated by any UN Security Council sanctions regime. If, during the term of this Arrangement, a Participating UN Organization determines there are credible allegations that funds
transferred to it in accordance with this Arrangement have been used to provide support or assistance to individuals or entities associated with terrorism as designated by any UN Security Council sanctions regime, it will as soon as it becomes aware of it inform the Steering Committee, the Administrative Agent and the Donor and, in consultation with the donors as appropriate, determine an appropriate response.

**Section IV**
**Equipment and Supplies**

Ownership of equipment and supplies procured, and intellectual property rights associated with works produced, using funds transferred to the Participating UN Organization under the MoU, will be determined in accordance with the regulations, rules, policies and procedures applicable to such Participating UN Organization, including any agreement with the relevant Host Government, if applicable.

**Section V**
**Reporting**

1. The Administrative Agent will provide the Donor and the Steering Committee with the following statements and reports, based on submissions provided to the Administrative Agent by each Participating UN Organization and the Convening Agent prepared in accordance with the accounting and reporting procedures applicable to it, as set forth in the Joint Programme Document:

   (a) Annual consolidated narrative progress reports, to be provided no later than five months (31 May) after the end of the calendar year;

   (b) Annual consolidated financial reports, as of 31 December with respect to the funds disbursed from the Programme Account, to be provided no later than five months (31 May) after the end of the calendar year;

   (c) Final consolidated narrative report, after the completion of the activities in the Joint Programme Document, including the final year of the activities in the Joint Programme Document, to be provided no later than six months (30 June) after the end of the calendar year in which the operational closure of the Programme occurs;

   (d) Final consolidated financial report, based on certified final financial statements and final financial reports received from Participating UN Organizations after the completion of the activities in the approved Joint Programme Document, including the final year of the activities in the approved Joint Programme Document, to be provided no later than five months (31 May) after the end of the calendar year in which the financial closing of the Programme occurs.

2. Annual and final reporting will be results-oriented and evidence based. Annual and final narrative reports will compare actual results with expected results at the output and outcome level, and explain the reasons for over or underachievement. The
final narrative report will also contain an analysis of how the outputs and outcomes have contributed to the overall impact of the Programme. The financial reports will provide information on the use of financial resources against the outputs and outcomes in the agreed upon results framework.

3. The Administrative Agent will provide the Donor, Steering Committee and Participating UN Organizations with the following reports on its activities as Administrative Agent:

(a) Certified annual financial statement (“Source and Use of Funds” as defined by UNDG guidelines) to be provided no later than five months (31 May) after the end of the calendar year; and

3. The Steering Committee and/or Participating UN Organizations will recommend a joint evaluation if there is a need for a broad assessment of results at the level of the Programme or at the level of an outcome within the Programme. The joint evaluation report will be posted on the website of the UNDP in Bangladesh,
4. In addition, the Donor may, separately or jointly with other partners, take the initiative to evaluate or review its cooperation with the Administrative Agent and the Participating UN Organizations under this Arrangement, with a view to determining whether results are being or have been achieved and whether contributions have been used for their intended purposes. The Administrative Agent and the Participating UN Organizations will be informed about such initiatives, will be consulted on the scope and conduct of such evaluations or reviews and will be invited to join. Participating UN Organizations will upon request assist in providing relevant information within the limits of their regulations, rules, policies and procedures. All costs will be borne by the respective Donor, unless otherwise agreed. It is understood by the Participants that such evaluation or review will not constitute a financial, compliance or other audit of the Programme including any programmes, projects or activities funded under this Arrangement.

Section VII Audit

External and Internal Audit

1. The activities of the Administrative Agent and each Participating UN Organization in relation to the Programme will be exclusively audited by their respective internal and external auditors in accordance with their own financial regulations and rules. The corresponding external and internal audit reports will be disclosed publicly unless the relevant policies and procedures of the Administrative Agent or each Participating UN Organization provide otherwise.

Joint Internal Audits

4. The part of the Contribution transferred by a Participating UN Organization to its implementing partners for activities towards the implementation of the Programme will be audited as provided under that Participating UN Organization’s financial regulations and rules, as well as its policies and procedures. The disclosure
of the corresponding audit reports will be made according to the policies and procedures of that Participating UN Organization.

Section VIII
Fraud, Corruption and Unethical Behaviour

1. The Participants are firmly committed to take all necessary precautions to avoid and address corrupt, fraudulent, collusive, coercive, unethical, or obstructive practices. The Administrative Agent and the Participating UN Organizations recognize that it is important that all United Nations staff, individual contractors, implementing partners, vendors and any third parties which are involved either in joint activities or in those of the Administrative Agent or Participating UN Organization (such individuals and entities being hereinafter referred to, together as the “Individuals/Entities”, and individually as the “Individual/Entity”) must adhere to the highest standard of integrity as defined by each relevant UN organization. To this end, the Administrative Agent and each Participating UN Organization will maintain standards of conduct that govern the performance of the Individuals/Entities, to prohibit practices which are contrary to this highest standard in any activity related to the Programme. If an Individual/Entity is a UN organization, the Participating UN Organization engaging that Individual/Entity will rely upon that Individual’s/Entity’s standard of integrity. The Individuals/Entities must not engage in corrupt, fraudulent, collusive, coercive, unethical, or obstructive practices, as defined below.

(b)

(i) In the event that the Investigation Service of the Administrative Agent determines that an allegation in relation to the implementation of the activities for which the Administrative Agent is accountable is credible enough to warrant an investigation, the Administrative Agent will promptly notify the Steering Committee to the extent that such notification does not jeopardize the conduct of the investigation, including but not limited to the prospects of recovery of funds or the safety or security of persons or assets.

(i) The UN organization’s Investigation Service reviewing the credibility of an allegation or conducting the investigation will share information as appropriate with counterpart Investigation Services of the other UN organizations involved in the Programme (Administrative Agent or Participating UN Organization) to determine the best path towards resolution of the investigation and whether the alleged wrongdoing is limited to such UN organization or whether one or more other UN organizations involved in the Programme (Administrative Agent or one or more Participating UN
Organizations) may also be affected. If the relevant Investigation Services determine that more than one UN organization could be affected by the alleged wrongdoing, they will follow the procedure described below in clause (ii).

(ii) Where a potential subject of an investigation is contracted by more than one UN organization involved in the Programme, the Investigation Services of the UN organizations concerned (Administrative Agent or Participating UN Organization) may consider conducting joint or coordinated investigations, determining which investigation framework to use.

(d) Upon completion of the internal reporting on their investigation by the Participating UN Organization(s) concerned as established in their respective internal policies and procedures, the Participating UN Organization(s) will provide information on the results of their investigation(s) to the Administrative Agent and the Steering Committee. In the case of the Administrative Agent, upon completion of its internal reporting, it will provide the information on the results of its investigation to the Steering Committee. With respect to any funds recovered, the Participating UN Organization will consult with the Steering Committee, the Administrative Agent and the Donor. The Donor may request that such funds be returned to it in proportion to its Contribution to the Programme, in which case the Participating UN Organization would credit that portion of the funds so recovered to the Programme Account and the Administrative Agent would return that portion of such funds to the Donor in accordance with Section X, paragraph 6. For any such funds the Donor does not request to be returned.
to it, such funds will either be credited to the Programme Account or used by the Participating UN Organization for a purpose mutually agreed upon.
