Please limit your response to 3000 characters including spaces.

The project is finalising putting together implementation structures and determining baselines. Below are some of the initial activities in progress:
•The mapping of youth groups/organizations that will engage in the consultative process to developed YPS strategy is in advance stage. The mapping will be finalized by end of July 2023. However initial data can be used start the consultation process with the youth.
•Recruitment of implementing partners who will implement the national and state level consultations with young women and young men to develop the strategy is in advance stage. All the partners will be on board and start implementation by end of June 2023.
•Project stakeholders (government, Civil society, UN and INGO) have been oriented on their roles and responsibilities in the implementation of the project, and the ownership of the project in preparation for the project exit.

Indicate any additional analysis on how Gender Equality and Women's Empowerment and/or Youth Inclusion and Responsiveness has been ensured under this Outcome

Please limit your response to 1500 characters including spaces.

The progress of the outcome is still at initial stage. However there was deliberate effort to ensure the inclusion of women, youth including vulnerable women and youth such as those with disabilities, living with HIV in all the project initiatives implemented. This is during the orientation and project launch workshops and project technical committee meetings where 53 women and 56 Youth (32 male; 24 Female) were represented. Women and youth were identified to participate at the decision-making level of the project (Project committees). 14 Male, 6 female and 3 youth (1 Female; 2 male) represented at project technical committee level.

The draft monitoring plan include collection of age and sex disaggregated data was developed and will be presented in the PTC and PSC review and endorsement respectively.

INDICATOR BASED PERFORMANCE ASSESSMENT

Using the Project Results Framework as per the approved project document or any amendments-provide an update on the achievement of key indicators at the **outcome** level in the table below

- If an outcome has more than 3 indicators , select the 3 most relevant ones with most relevant progress to highlight.
- Where it has not been possible to collect data on indicators, state this and provide any explanation. Provide gender and age disaggregated data. (300 characters max per entry)
