INTRODUCTION

This Consolidated Annual Financial Report of the **UN COVID-19 MPTF** is prepared by the United Nations Development Programme (UNDP) Multi-Partner Trust Fund Office (MPTF Office) in fulfillment of its obligations as Administrative Agent, as per the terms of Reference (TOR), the Memorandum of Understanding (MOU) signed between the UNDP MPTF Office and the Recipient Organizations, and the Standard Administrative Arrangement (SAA) signed with contributors.

The MPTF Office, as Administrative Agent, is responsible for concluding an MOU with Recipient Organizations and SAAs with contributors. 3.2. Expenditures Reported by Category

Project expenditures are incurred and monitored by each Recipient Organization and are reported as per the agreed categories for inter-agency harmonized reporting. In 2006 the UN Development Group (UNDG) established six categories against which UN entities must report inter-agency project expenditures. Effective 1 January 2012, the UN Chief Executives Board (CEB) modified these categories as a result of IPSAS adoption to comprise eight categories.

Table 3.2. Expenditure by UNSDG Budget Category, as of 31 December 2023 (in US Dollars)

Grand Total	80,429,466	391,644	80,821,109	-

¹ Indirect Support Costs charged by Recipient Organization, based on their financial regulations, can be deducted upfront or at a later stage during implementation. The percentage may therefore appear to exceed the 7% agreed-upon for on-going projects. Once projects are financially closed, this number is not to exceed 7%.

4. COST RECOVERY

Cost recovery policies for the Fund are guided by the applicable provisions of the Terms of Reference, the MOU concluded between the Administrative Agent and Recipient Organizations, and the SAAs concluded between the Administrative Agent and Contributors, based on rates approved by UNDG.

The policies in place, as of 31 December 2023, were as follows:

- **The Administrative Agent (AA) fee:** 1% is charged at the time of contributor deposit and covers services provided on that contribution for the entire duration of the Fund. Cumulatively, as of 31 December 2023, US\$ **863,202** has been charged in AA-fees.
- **Indirect Costs of Recipient Organizations:** A general cost that cannot be directly related to any particular programme or activity of the Recipient Organizations. Recipient Organizations may charge 7% indirect costs based on UNSDG policy, establishing an indirect cost rate as a percentage of the programmable costs for interagency pass-through pool funds. In the current reporting period US\$ **21,412** was deducted in indirect costs by Recipient Organizations. Cumulatively, indirect costs amount to US\$ **5,271,994** as of 31 December **2023**.

6. DIRECT COSTS

The Fund governance mechanism may approve an allocation to a Recipient Organization to cover costs associated with Fund coordination covering overall coordination, and fund level reviews and evaluations. These allocations are referred to as 'direct costs'. Cumulatively, as of 31 December 2023, US\$ 2,020,805 has been charged as Direct Costs.
