## Visibility Report Tripoli Peace Initiative

### Overview of Visibility Actions

During this reporting period, under the PBF-funded project “**Tripoli Peace Initiative**” IOM, UNDP and UNICEF, in close collaboration with the Government of Lebanon, continued to ensure consistent and high-quality visibility of activities.

### Actions Covered

**PBF-branded material:** A banner in both English and Arabic was produced to be placed during project’s events and activities.

**Social media post:** IOM Lebanon shared a dedicated post on X (formerly Twitter) that explicitly acknowledged the support of PBF, tagged the official @UNPeacebuilding account, and included a link to the press brief highlighting the partners’ visit to the Tripoli region and their meeting with local authorities

**Press Brief Note:** The press brief highlighted the launch of the two-year joint programme, emphasizing how it will promote inclusion, empower youth and women, and enhance stability in Tripoli.

## Branded Materials

A banner was produced to ensure consistent visibility of the programme during events and to boost audience engagement.

## Social Media Post

IOM, @UNDP\_Lebanon& @UNICEFLebanon, with the Government of Lebanon, launched the “Tripoli Peace Initiative,” funded by @UNPeacebuilding. This 2-year programme strengthens community & diaspora engagement and empowers youth & women in Tripoli.

## Press Briefing Notes

NEWS - LOCAL | 10 September 2025

### Tripoli Peace Initiative Launched to Strengthen Stability and Empower Youth in Lebanon

A press briefing note in English was produced to highlight the launch of the Tripoli Peace Initiative, a two-year joint programme by IOM, UNDP, and UNICEF, in collaboration with the Government of Lebanon and funded by the UN Secretary-General's Peacebuilding Fund. The initiative seeks to strengthen social stability, empower youth and women, and promote inclusive community engagement in Tripoli, positioning the city as a model for locally driven peacebuilding and resilience.
