# Rationale & Added Value for UN Palestine Recovery Fund

Resource **three different funding windows through several funding instruments** (i.e., grants, guarantees, loans)

Enhancing **inter-agency collaboration with UN Agencies, Funds and Programmes** (AFPs)

Enable **donors to channel their resources for Early Recovery Joint Programmes**; ‘one-stop-shop’ to contribute to 3 windows

**UN’s operational presence & capacity to build on humanitarian response to start early recovery**

In context of **Gaza, ability to extend PA institutional capacity & presence through focus on vulnerable & people-led approaches**

# UN 5 Early Recovery Priorities

- **Enable debris-free environments and movement:** access to services & recovery efforts
- **Restore basic services, including through innovation:** health facilities, MHPSS, educational spaces, WASH, social protection
- **Provide transitional shelter and housing solutions:** identify areas for dignified transitional shelter
- **Stimulate economic recovery and the rebuilding of livelihoods:** restore household income, reactivate productive sectors and re-establish market functions
- **Promote early restoration of governance systems and resume administrative services:** enable stability, accountability and peaceful community relations

# Emergency Support for MSMEs & Investment Generation

- Enhance **access to finance** and activate **financing as a tool for development, stabilizing,** and building resilience **for MSMEs.**
- **De-risking instrument** in **collaboration with the Palestinian Monetary Authority (PMA)** to encourage financial institutions to increase lending to MSMEs.
- **Restoring financial sector** to enable banks and microfinance institutions **to resume lending & mobilize capital.**
- **MSMEs are critical to sustaining employment, maintaining supply chains, and driving economic recovery.**
- **Rebuilding businesses, supporting job creation, and fostering sustainable growth.**
- Restored employment, **opportunities and livelihoods, contributing to long-term economic recovery.**

- 
- **Investment Facilitation Guarantees (IFGs)** – an investor-facing guarantee that mobilizes **medium- to long-term liquidity for banks and MFIs**, de-risking private capital & encouraging participating financial institutions to resume and expand on lending.
  - **MSME Portfolio Guarantee Facility** - as a de-risking instrument for MSMEs to **encourage financial institutions to increase lending to MSMEs**

# Palestinian Authority (PA) Reform Agenda, Institutional Development, Governance and Social Protection

- **Mainstreaming principles of good governance, accountability and transparency, enhancing public sector administration and improving rule of law.**
- **Including rights to access basic services, gender equality and inclusion objectives**
- **Reform of local government sector and support core government functions to provide rapid and responsive services to citizens.**
- **Sustainable financial management & strengthening capacity to coordinate basic services accessible to at risk population with major focus on women & children**
- **Empowering CSOs**
