Joint Programme expenditures are incurred and monitored by each Participating Organization and are reported as per the agreed categories for inter-agency harmonized reporting. Effective 1 January 2012, the UN Chief Executives Board (CEB) established eight budget categories against which UN entities must report inter-agency project expenditures.

6. COST RECOVERY

Cost recovery policies for the Joint Programme are guided by the applicable provisions of the Joint Programme Document, the MOU concluded between the Administrative Agent and Participating Organizations, and the SAAs concluded between the Administrative Agent and Contributors, based on rates approved by UNDG.

The policies in place, as of 31 December 2025, were as follows:

- **The Administrative Agent (AA) fee:** 1% is charged at the time of the contributor deposit and covers services provided on that contribution for the entire duration of the Joint Programme. Cumulatively, as of 31 December 2025, US\$ **155,867** has been charged in AA fees.
- **Indirect Costs of Participating Organizations:** A general cost that cannot be directly related to any particular programme or activity of the Participating Organizations. Participating Organizations may charge 7% indirect costs based on UNSDG policy, establishing an indirect cost rate as a percentage of the programmable costs for interagency pass-through pool funds. In the current reporting period US\$ **188,658** was deducted in indirect costs by Participating Organizations. Cumulatively, indirect costs amount to US\$ **188,658** as of 31 December **2025**.

7. ACCOUNTABILITY AND TRANSPARENCY

In order to effectively provide fund administration services and facilitate monitoring and reporting to the UN system and its partners, the MPTF Office has developed a public website, the MPTF Office Gateway (<https://mptf.undp.org>). Refreshed daily from an internal enterprise resource planning system, the MPTF Office Gateway has become a standard setter for providing transparent and accountable trust fund administration services.

The Gateway provides financial information including: contributor commitments and deposits, approved programme budgets, transfers to and expenditures reported by Participating Organizations, interest income and other expenses. In addition, the Gateway provides an overview of the MPTF Office portfolio and extensive information on individual Funds and Joint Programmes, including their purpose, governance structure and key documents. By providing easy access to the growing number of narrative and financial reports, as well as related project documents, the Gateway collects and preserves important institutional knowledge and facilitates knowledge sharing and management among UN Organizations and their development partners, thereby contributing to UN coherence and development effectiveness.
