The disclosure of the corresponding audit reports will be made according to the policies and procedures of that Participating UN Organization.

- (b)
 - (i) In the event that the Investigation Service of a Participant determines that an allegation in relation to the implementation of activities for which that Participant is accountable is credible enough to warrant an investigation, it will promptly notify the Humanitarian Coordinator (and the Administrative Agent, if such Participant is not the Administrative Agent) of the Fund, to the extent that such notification does not jeopardize the conduct of the investigation, including but not limited to the prospects of recovery of funds or the safety or security of persons or assets.
 - (ii) In the case of such notification, it is the responsibility of the Humanitarian Coordinator, OCHA and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).

If the relevant Investigation Services determine that more than one Participant could be affected by the alleged wrongdoing, they will follow the procedure described below in clause (ii).

(ii) Where a potential subject of an investigation is contracted by more than one Participant, the Investigation Services of the Participants concerned may consider conducting joint or coordinated investigations, determining which investigation framework to use.

(d) Upon completion of the internal reporting on their investigation by the Participant(s) concerned as established in their respective internal policies and procedures, the Participant(s) will provide information on the results of their investigation(s) to the Administrative Agent and the Humanitarian Coordinator. Following such receipt of information on the results of the investigation(s), it is the responsibility of the Humanitarian Coordinator and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).

(e) Each Participant concerned will determine what disciplinary and/or administrative measures, including referral to national authorities, may be taken as a result of the investigation, according to its internal policies and procedures on disciplinary and/or administrative measures, including vendor sanction mechanism, as appropriate. In cases where the relevant Participating UN Organization is not conducting the investigation itself, the relevant Participating UN Organization will require that the implementing partner of that funded activity and its responsible parties, sub-recipients and other entities engaged to provide services in relation to programmatic activities, investigate allegations of Sexual Exploitation and Sexual Abuse credible enough to warrant an investigation.

Section X

Expiration, Modification, Termination and Unspent Balances

1. This Memorandum of Understanding will expire upon the delivery to the donor(s) of the certified final financial statement pursuant to Section IV, paragraph 4(b).

2. This Memorandum of Understanding may be modified only by written agreement between the Participants.

3. Any of the Participating UN Organizations may withdraw from this Memorandum of Understanding upon giving thirty (30) days' written notice to all other Participants to this Memorandum of Understanding subject to the continuance in force of paragraph 5 below for the purpose therein stated.

4. The Administrative Agent's appointment may be terminated by the Administrative Agent (on the one hand) or by the mutual agreement of all Participating UN Organizations (on the other hand) on thirty (30) days' written notice to the other Participants, subject to the continuance in force of paragraph 5 below for the purpose therein stated. In the event of such termination, the Participants will agree on measures to bring all activities to an orderly and prompt conclusion so as to minimize costs and expense.

5. Commitments assumed by the withdrawing or terminating Participants under this Memorandum of Understanding will survive the termination of this Memorandum of Understanding or the termination of the Administrative Agent or withdrawal of a Participating UN Organization to the extent necessary to permit the orderly conclusion of the activities and the completion of final reports, the withdrawal of personnel, funds and property, the settlement of accounts between the Participants hereto and the settlement of

contractual liabilities that are required in respect of any subcontractors, consultants or suppliers.

6. Any balance remaining in the individual Participating UN Organizations' separate ledger accounts after operational completion of the activities for which they are responsible under the approved programmatic document will be returned to the Fund Account as soon as administratively feasible and before financial closure of those activities in line with Section III, paragraph 7. Any balance remaining in the Fund Account upon completion of the Fund will be used for a purpose mutually agreed upon or returned to the donor(s) in proportion to their contribution to the Fund as decided upon by the donor(s) and the Humanitarian Coordinator.
