As an exceptional measure, particularly during the start-up phase of the Fund, subject to conformity with their financial regulations, rules and policies, Recipient UN Organizations may elect to start implementation of Fund activities in advance of receipt of initial or subsequent transfers from the Fund Account by using their own resources. The part of the contribution transferred by a Recipient UN Organization to its implementing partners for activities towards the implementation of the Fund will be audited as provided under that Recipient UN Organization's financial regulations and rules, as well as its policies and procedures. The disclosure of the corresponding audit reports will be made according to the policies and procedures of that Recipient UN Organization.

Section VII

Fraud, Corruption and Unethical Behaviour

1. The Participants are firmly committed to take all necessary precautions to avoid and address corrupt, fraudulent, collusive, coercive, unethical, or obstructive practices. - (f) "Obstructive practice" means acts or omissions intended to materially impede the exercise of contractual rights of audit, investigation and access to information, including destruction, falsification, alteration or concealment of evidence material to an investigation into allegations of fraud and corruption.

Investigations

- 3. (a) Investigations of allegations of wrongdoing by Individuals/Entities involved in the Fund which are contracted by a Participant will be carried out by the Investigation Service of the Participant with which the potential subject of investigation is contracted, in accordance with that Participant's internal policies and procedures.
 - (b) (i) In the event that the Investigation Service of a Participant determines that an allegation in relation to the implementation of activities for which that Participant is accountable is credible enough to warrant an investigation, it will promptly notify the Operational Steering Committee (and the Administrative Agent, if such Participant is not the Administrative Agent) of the Fund, to the extent that such notification does not jeopardize the conduct of the investigation, including but not limited to the prospects of recovery of funds or the safety or security of persons or assets.
 - (ii) In the case of such notification, it is the responsibility of the Operational Steering Committee and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).
 - (iii) In case of a credible allegation, the relevant Participant(s) will take timely and appropriate action in accordance with its regulations, rules, policies and procedures, which may include withholding further disbursements to the Individual(s)/Entity(ies) allegedly involved in the corrupt, fraudulent, collusive, coercive, unethical or obstructive practices as defined above.

If the relevant Investigation Services determine that more than one Participant could be affected by the alleged wrongdoing, they will follow the procedure described below in clause (ii).

(ii) Where a potential subject of an investigation is contracted by more than one Participant, the Investigation Services of the Participants concerned may consider conducting joint or coordinated investigations, determining which investigation framework to use.

(d) Upon completion of the internal reporting on their investigation by the Participant(s) concerned as established in their respective internal policies and procedures, the Participant(s) will provide information on the results of their investigation(s) to the Administrative Agent and the Operational Steering Committee. Following such receipt of information on the results of the investigation(s), it is the responsibility of the Operational Steering Committee and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the donor(s).

(e) Each Participant concerned will determine what disciplinary and/or administrative measures, including referral to national authorities, may be taken as a result of the investigation, according to its internal policies and procedures on disciplinary and/or administrative measures, including vendor sanction mechanism, as appropriate. The Participant(s) concerned will share information on measures taken as a result of the investigation(s) with the Administrative Agent and the Operational Steering Committee of the Fund. With respect to any funds recovered, the relevant Participant will consult with the Operational Steering Committee, the Administrative Agent and the donor(s). The donor(s) may request that such funds be returned to them in proportion to their contribution to the Fund, in which case the Participant would credit that portion of the funds so recovered to the Fund Account and the Administrative Agent would return that portion of such funds to the donor(s). For any such funds the donor(s) do not request to be returned to them, such funds will either be credited to the Fund Account or used by the Participant for a purpose mutually agreed upon.

5. The Participants will apply the provisions of Section VII, paragraphs 1 to 4 above in accordance with their respective accountability and oversight framework as well as relevant regulations, rules, policies and procedures.

Section VIII

referred to, together as the “Individuals/Entities”, and individually as the “Individual/Entity”) will adhere to the highest standards of integrity and conduct as defined by each relevant UN organization. The Individuals/Entities will not engage in Sexual Exploitation, Sexual Abuse and Sexual Harassment, as defined below.

In cases where the relevant Recipient UN Organization is not conducting the investigation itself, the relevant Recipient UN Organization will require that the implementing partner of that funded activity and its responsible parties, sub-recipients and other entities engaged to provide services in relation to programmatic activities, investigate allegations of Sexual Exploitation and Sexual Abuse credible enough to warrant an investigation.

The Recipient UN Organization(s) concerned will share information on measures taken as a result of the credible allegation of Sexual Exploitation and/or Sexual Abuse in its programmatic activities financed by the Fund with the Administrative Agent and the Operational Steering Committee through the Report.

The Administrative Agent will share information on measures taken as a result of its own investigation which resulted in a finding of credible allegation of Sexual Harassment regarding its internal activities, with the Operational Steering Committee and the Donors of the Fund through its regular reporting to its relevant governing body.

4. Any information provided by Recipient UN Organizations in accordance with the foregoing paragraphs, will be shared in accordance with their respective regulations, rules, policies and procedures and without prejudice to the safety, security, privacy and due process rights of concerned individuals.
