How to close a project or Joint Programme

OVERVIEW

The Multi-Partner Trust Fund Office (MPTF Office) of UNDP, as Administrative Agent (AA), hereby further elaborates the process for projects/programme closure as described in the Memorandum of Understanding (MOU) signed between the Participating Organizations and the AA of the multi-partner trust fund (MPTF).

Procedures for the closure of projects/programmes follow the individual Participating Organization’s own internal rules and regulations. As outlined in the MOU, each Participating Organization determines when it has completed all approved activities and communicates the completion of activities to the AA (and Steering Committee) based on approved programmatic document end date.

The MOU indicates that final narrative reports be submitted to the AA by 30 April of the year following financial closing of the project. The Certified Final Financial Statement and Report is to be provided to the AA by 31 May of the same year.

The closure of individual projects within the approved implementation timeline facilitates orderly and efficient MPTF closure within the specified MPTF End Date established by the Steering Committee. Further, the timely closure of projects/programmes allows for re-allocation of unspent funds and interest, in accordance with the MPTF Terms of Reference and individual Participating Organizations’ rules and regulations.

OPERATIONAL CLOSURE STEPS

For projects/programmes to be accepted as “Operationally Closed” the following would need to be complied with:

1. Inform the AA (and Steering Committee) of projects/programmes that have been operationally closed;
2. Submit the Final Narrative Programme Report Template to the MPTF Office Portfolio Manager (link to team contact page) for posting on the MPTF Office GATEWAY.

FINANCIAL CLOSURE STEPS

For projects/programme to be accepted as “Financially Closed” the following needs to be complied with:

1. Certified Final Financial Statement and Report is submitted for each project/programme allocation. The report is accessible to Participating Organization’s designated financial reporting (UNEX) focal points.
2. Unspent balance, if over USD 250, is refunded and notification is sent to the MPTF
Office to enable the MPTF Office to identify the refund. To avoid bank charge fees, ensure unspent balances are transferred to the MPTF Office bank account from the corresponding Participating Organization’s HQ bank account (see notification instructions below).

3. Interest for prior and current year, if any, transferred to the appropriate MPTF Bank Account and notification sent to the MPTF Office to identify the interest (see notification instructions below). If the Participating Organization’s regulations do not require transfer of interest, indicate this by marking the box on the Certified Final Financial Statement and Report.

4. Expenditure in excess of funds transferred should not be reported on the Certified Final Financial Statement and Report.

5. Indirect cost should not exceed the approved percentage of programme cost.
